**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Board of Directors and Stockholders of  
Wyndham Worldwide Corporation  
Parsippany, New Jersey

We have reviewed the accompanying consolidated balance sheet of Wyndham Worldwide Corporation and subsidiaries (the “Company”) as of September 30, 2011, the related consolidated statements of income for the three-month and nine-month periods ended September 30, 2011 and 2010, and the related consolidated statements of stockholders’ equity and of cash flows for the nine-month periods ended September 30, 2011 and 2010. These interim consolidated financial statements are the responsibility of the Company’s management.

We conducted our reviews in accordance with the standards of the Public Company Accounting Oversight Board (United States). A review of interim financial information consists principally of applying analytical procedures and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States), the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our reviews, we are not aware of any material modifications that should be made to such consolidated interim financial statements for them to be in conformity with accounting principles generally accepted in the United States of America.

We have previously audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States), the consolidated balance sheet of the Company as of December 31, 2010, and the related consolidated statements of income, stockholders’ equity and cash flows for the year then ended (not presented herein); and in our report dated February 21, 2011, we expressed an unqualified opinion on those consolidated financial statements. In our opinion, the information set forth in the accompanying consolidated balance sheet as of December 31, 2010 is fairly stated, in all material respects, in relation to the consolidated balance sheet from which it has been derived.

**WYNDHAM WORLDWIDE CORPORATION**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**  
**(Unless otherwise noted, all amounts are in millions, except share and per share amounts)**  
**(Unaudited)**

**1. Basis of Presentation**

Wyndham Worldwide Corporation (“Wyndham” or the “Company”) is a global provider of hospitality services and products. The accompanying Consolidated Financial Statements include the accounts and transactions of Wyndham, as well as the entities in which Wyndham directly or indirectly has a controlling financial interest. The accompanying Consolidated Financial Statements have been prepared in accordance with accounting principles generally accepted in the United States of America. All intercompany balances and transactions have been eliminated in the Consolidated Financial Statements.

In presenting the Consolidated Financial Statements, management makes estimates and assumptions that affect the amounts reported and related disclosures. Estimates, by their nature, are based on judgment and available information. Accordingly, actual results could differ from those estimates. In management’s opinion, the Consolidated Financial Statements contain all normal recurring adjustments necessary for a fair presentation of interim results reported. The results of operations reported for interim periods are not necessarily indicative of the results of operations for the entire year or any subsequent interim period. These financial statements should be read in conjunction with the Company’s 2010 Consolidated Financial Statements included in its Annual Report filed on Form 10-K with the Securities and Exchange Commission (“SEC”) on February 22, 2011.

***Business Description***

The Company operates in the following business segments:

- **Lodging**—franchises hotels in the upper upscale, upscale, upper midscale, midscale, economy and extended stay segments of the lodging industry and provides hotel management services for full-service hotels globally.
- **Vacation Exchange and Rentals**—provides vacation exchange services and products to owners of intervals of vacation ownership interests (“VOIs”) and markets vacation rental properties primarily on behalf of independent owners.
- **Vacation Ownership**—develops, markets and sells VOIs to individual consumers, provides consumer financing in connection with the sale of VOIs and provides property management services at resorts.

***Significant Accounting Policies***

***Intangible Assets.*** The Company reviews its goodwill and other indefinite-lived intangible assets for impairment annually (during the fourth quarter of each year subsequent to completing its annual forecasting process), or more frequently if circumstances prescribed by the guidance for goodwill and other intangible assets are present.

***Allowance for Loan Losses.*** In the Company’s Vacation Ownership segment, the Company provides for estimated vacation ownership contract receivable defaults at the time of VOI sales by recording a provision for loan losses as a reduction of VOI sales on the Consolidated Statements of Income. The Company assesses the adequacy of the allowance for loan losses based on the historical performance of similar vacation ownership contract receivables using a technique referred to as static pool analysis, which tracks defaults for each year’s sales over the entire life of those contract receivables. The Company considers current defaults, past due aging, historical write-offs of contracts and consumer credit scores (FICO scores) in the assessment of borrower’s credit strength and expected loan performance. The Company also considers whether the historical economic conditions are comparable to current economic conditions. If current conditions differ from the conditions in effect when the historical experience was generated, the Company adjusts the allowance for loan losses to reflect the expected effects of the current environment on the collectability of its vacation ownership contract receivables.

***Restricted Cash.*** The largest portion of the Company’s restricted cash relates to securitizations. The remaining portion is comprised of cash held in escrow related to the Company’s vacation ownership business and cash held in all other escrow accounts. Restricted cash related to escrow deposits was \$42 million as of both September 30, 2011 and December 31, 2010, respectively, and was recorded within other current assets on the Consolidated Balance Sheets for each period. See Note 8—Transfer and Servicing of Financial Assets for details of the Company’s restricted cash related to securitizations.

**Recently Issued Accounting Pronouncements**

*Testing Goodwill for Impairment.* In September 2011, the Financial Accounting Standards Board (“FASB”) issued guidance on testing goodwill for impairment, which amends existing guidance by giving an entity the option to first assess qualitative factors to determine whether it is more likely than not that the fair value of a reporting unit is less than its carrying amount. If it is concluded that the fair value of a reporting unit is less than its carrying amount, it is necessary to perform the currently prescribed two-step goodwill impairment test. Otherwise, the two-step goodwill impairment test is not required. This guidance is effective for interim and annual goodwill impairment tests performed for fiscal years beginning after December 15, 2011, with early adoption permitted. The Company believes the adoption of this guidance will not have a material impact on the Consolidated Financial Statements.

*Presentation of Comprehensive Income.* In June 2011, the FASB issued guidance for the presentation of comprehensive income, which amends existing guidance by allowing only two options for presenting the components of net income and other comprehensive income: (i) in either a single continuous financial statement of comprehensive income or (ii) in two separate but consecutive financial statements, consisting of an income statement followed by a separate statement of other comprehensive income. This guidance is effective for interim and annual reporting periods beginning after December 15, 2011, with early adoption permitted. The Company believes the adoption of this guidance will not have a material impact on the Consolidated Financial Statements.

*Fair Value Measurement.* In May 2011, the FASB issued guidance which generally provides a consistent definition of fair value and ensures that the fair value measurement and disclosure requirements are similar between U.S. GAAP and International Financial Reporting Standards. The guidance changes certain fair value measurement principles and enhances the disclosure requirements particularly for Level 3 fair value measurements. This guidance is effective for interim and annual reporting periods beginning after December 15, 2011 and shall be applied on a prospective basis. The Company is currently evaluating the impact of the adoption of this guidance on the Consolidated Financial Statements.

*Multiple-Deliverable Revenue Arrangements.* In October 2009, the FASB issued guidance on multiple-deliverable revenue arrangements, which requires an entity to apply the relative selling price allocation method and to estimate selling prices for all units of accounting, including delivered items, when vendor-specific objective evidence or acceptable third-party evidence does not exist. The guidance is effective for revenue arrangements entered into or materially modified in fiscal years beginning on or after June 15, 2010 and shall be applied on a prospective basis. The Company adopted the guidance on January 1, 2011, as required. There was no material impact on the Consolidated Financial Statements resulting from the adoption.

**2. Earnings Per Share**

The computation of basic and diluted earnings per share (“EPS”) is based on the Company’s net income available to common stockholders divided by the basic weighted average number of common shares and diluted weighted average number of common shares, respectively.

The following table sets forth the computation of basic and diluted EPS (in millions, except per share data):

	<b>Three Months Ended September 30,</b>		<b>Nine Months Ended September 30,</b>	
	<b>2011</b>	<b>2010</b>	<b>2011</b>	<b>2010</b>
Net income	\$ 175	\$ 156	\$ 361	\$ 300
Basic weighted average shares outstanding	159	177	166	179
Stock options, SSARs and RSUs (a)	3	4	3	4
Warrants (b)	—	3	1	3
Diluted weighted average shares outstanding	162	184	170	186
<i>Earnings per share:</i>				
Basic	\$ 1.10	\$ 0.88	\$ 2.17	\$ 1.68
Diluted	1.08	0.84	2.12	1.62

(a) Includes unvested dilutive restricted stock units (“RSUs”) which are subject to future forfeitures.

(b) Represents the dilutive effect of warrants to purchase shares of the Company’s common stock related to the May 2009 issuance of the Company’s convertible notes (see Note 7—Long-Term Debt and Borrowing Arrangements).

The computations of diluted EPS do not include 3 million stock options and stock-settled stock appreciation rights (“SSARs”) for both the three and nine months ended September 30, 2011 as the effect of their inclusion would have been anti-dilutive to EPS. In addition, the three and nine months ended September 30, 2011 exclude approximately 350,000 performance-based stock units (“PSUs”) as the Company had not met the required performance metrics as of

September 30, 2011 (see Note 14—Stock-Based Compensation for further details). The computations of diluted EPS for both the three and nine months ended September 30, 2010 do not include 4 million stock options and SSARs as the effect of their inclusion would have been anti-dilutive to EPS.

**Dividend Payments**

During the quarterly periods ended March 31, June 30 and September 30, 2011, the Company paid cash dividends of \$0.15 per share (\$76 million in the aggregate). During the quarterly periods ended March 31, June 30 and September 30, 2010, the Company paid cash dividends of \$0.12 per share (\$65 million in the aggregate).

**Stock Repurchase Program**

On both April 25, 2011 and August 11, 2011, the Company’s Board of Directors authorized an increase of \$500 million to the Company’s existing stock repurchase program. As of September 30, 2011, the total authorization of the program was \$1.5 billion. The following table summarizes stock repurchase activity under the current stock repurchase program:

	Shares	Cost	Average Price
As of December 31, 2010	11.4	\$ 295	\$ 25.78
For the nine months ended September 30, 2011	22.0	677	30.74
As of September 30, 2011	<u>33.4</u>	<u>\$ 972</u>	29.05

The Company had \$592 million remaining availability in its program as of September 30, 2011. The total capacity of this program is increased by proceeds received from stock option exercises.

**3. Acquisitions**

Assets acquired and liabilities assumed in business combinations were recorded on the Consolidated Balance Sheets as of the respective acquisition dates based upon their estimated fair values at such dates. The results of operations of businesses acquired by the Company have been included in the Consolidated Statement of Income since their respective dates of acquisition. The excess of the purchase price over the estimated fair values of the underlying assets acquired and liabilities assumed was allocated to goodwill. In certain circumstances, the allocations of the excess purchase price are based upon preliminary estimates and assumptions. Accordingly, the allocations may be subject to revision when the Company receives final information, including appraisals and other analyses. Any revisions to the fair values during the allocation period will be recorded by the Company as further adjustments to the purchase price allocations. Although, in certain circumstances, the Company has substantially integrated the operations of its acquired businesses, additional future costs relating to such integration may occur. These costs may result from integrating operating systems, relocating employees, closing facilities, reducing duplicative efforts and exiting and consolidating other activities. These costs will be recorded on the Consolidated Statement of Income as expenses.

During the third quarter of 2011, the Company completed the acquisitions of substantially all of the assets of two vacation rentals businesses for \$27 million in cash, net of cash acquired. The preliminary purchase price allocations of these acquisitions resulted in the recognition of \$10 million of goodwill, \$15 million of definite-lived intangible assets with a weighted average life of 17 years and \$1 million of trademarks, all of which were assigned to the Company’s Vacation Exchange and Rentals segment.

**Credit Quality for Financed Receivables and the Allowance for Credit Losses**

The basis of the differentiation within the identified class of financed VOI contract receivable is the consumer's FICO score. A FICO score is a branded version of a consumer credit score widely used within the U.S. by the largest banks and lending institutions. FICO scores range from 300—850 and are calculated based on information obtained from one or more of the three major U.S. credit reporting agencies that compile and report on a consumer's credit history. The Company updates its records for all active VOI contract receivables with a balance due on a rolling monthly basis so as to ensure that all VOI contract receivables are scored at least every six months. The Company groups all VOI contract receivables into five different categories: FICO scores ranging from 700 to 850, 600 to 699, Below 600, No Score (primarily comprised of consumers for whom a score is not readily available, including consumers declining access to FICO scores and non U.S. residents) and Asia Pacific (comprised of receivables in the Company's Wyndham Vacation Resort Asia Pacific business for which scores are not readily available). The following table details an aged analysis of financing receivables using the most recently updated FICO scores (based on the update policy described above):

	<b>As of September 30, 2011</b>					
	<u>700+</u>	<u>600-699</u>	<u>&lt;600</u>	<u>No Score</u>	<u>Asia Pacific</u>	<u>Total</u>

The Company ceases to accrue interest on VOI contract receivables once the contract has remained delinquent for greater than 90 days. At greater than 120 days, the VOI contract receivable is written off to the allowance for loan losses. In accordance with its policy, the Company assesses the allowance for loan losses using a static pool methodology and thus does not assess individual loans for impairment separate from the pool.

### 2011 Debt Issuances

**5.625% Senior Unsecured Notes.** On March 1, 2011, the Company issued senior unsecured notes, with face value of \$250 million and bearing interest at a rate of 5.625%, for net proceeds of \$245 million. Interest began accruing on March 1, 2011 and is payable semi-annually in arrears on March 1 and September 1 of each year, commencing on September 1, 2011. The notes will mature on March 1, 2021 and are redeemable at the Company’s option at any time, in whole or in part, at the stated redemption prices plus accrued interest through the redemption date. These notes rank equally in right of payment with all of the Company’s other senior unsecured indebtedness.

**Sierra Timeshare 2011-1 Receivables Funding, LLC.** On March 25, 2011, the Company closed a series of term notes payable, Sierra Timeshare 2011-1 Receivables Funding LLC, in the initial principal amount of \$400 million at an advance rate of 98%. These borrowings bear interest at a weighted average coupon rate of 3.70% and are secured by vacation ownership contract receivables. As of September 30, 2011, the Company had \$290 million of outstanding borrowings under these term notes.

**Sierra Timeshare Conduit Receivables Funding II, LLC.** On June 28, 2011, the Company renewed its securitized timeshare receivables conduit facility for a two-year period through June 2013. The facility bears interest at variable rates based on commercial paper rates and LIBOR rates plus a spread and has a capacity of \$600 million.

**Revolving Credit Facility.** On July 15, 2011, the Company replaced its \$980 million revolving credit facility with a \$1.0 billion five-year revolving credit facility that expires on July 15, 2016. This facility is subject to a fee of 22.5 basis points based on total capacity and bears interest at LIBOR plus 142.5 basis points. The interest rate of this facility is dependent on the Company’s credit ratings. As of September 30, 2011, the Company had \$169 million of outstanding borrowings and \$11 million of outstanding letters of credit and, as such, the total available remaining capacity was \$820 million.

**Sierra Timeshare 2011-2 Receivables Funding, LLC.** On August 31, 2011, the Company closed a series of term notes payable, Sierra Timeshare 2011-2 Receivables Funding LLC, in the initial principal amount of \$300 million at an advance rate of 92%. These borrowings bear interest at a weighted average coupon rate of 4.01% and are secured by vacation ownership contract receivables. As of September 30, 2011, the Company had \$274 million of outstanding borrowings under these term notes.

### 3.50% Convertible Notes

During May 2009, the Company issued convertible notes (“Convertible Notes”) with face value of \$230 million and bearing interest at a rate of 3.50%. Concurrent with such issuance, the Company purchased cash-settled call options (“Call Options”) and entered into warrant transactions (“Warrants”). The agreements for such transactions contain anti-dilution provisions that require certain adjustments to be made as a result of all quarterly cash dividend increases above \$0.04 per share that occur prior to the maturity date of the Convertible Notes, Call Options and Warrants. During March 2010, the Company increased its quarterly dividend from \$0.04 per share to \$0.12 per share and, subsequently, during March 2011, from \$0.12 per share to \$0.15 per share. As a result of the dividend increase and

required adjustments, as of September 30, 2011, the Convertible Notes had a conversion reference rate of 80.4364 shares of common stock per \$1,000 principal amount (equivalent to a conversion price of \$12.43 per share of the Company's common stock), the conversion price of the Call Options was \$12.43 and the exercise price of the Warrants was \$19.68.

During the third quarter of 2010, the Company repurchased a portion of its Convertible Notes with a carrying value of \$188 million (\$81 million for the portion of Convertible Notes, including the unamortized discount, and \$107 million for the related Bifurcated Conversion Feature) for \$197 million, which resulted in a loss of \$9 million during the third quarter of 2010. Such Convertible Notes had a face value of \$92 million. Concurrent with the repurchase, the Company settled (i) a portion of the Call Options for proceeds of \$105 million, which resulted in an additional loss of \$2 million and (ii) a portion of the Warrants with payments of \$75 million. As a result of these transactions, the Company made net payments of \$167 million and incurred total losses of \$11 million during the third quarter of 2010.

During the first nine months of 2011, the Company repurchased a portion of its remaining Convertible Notes with carrying value of \$251 million primarily resulting from the completion of a cash tender offer (\$95 million for the portion of Convertible Notes, including the unamortized discount, and \$156 million for the related Bifurcated Conversion Feature) for \$262 million. Concurrent with the repurchases, the Company settled (i) a portion of the Call Options for proceeds of \$155 million, which resulted in an additional loss of \$1 million, and (ii) a portion of the Warrants with payments of \$112 million. As a result of these transactions, the Company made net payments of \$219 million and incurred total losses of \$12 million during the first nine months of 2011 and reduced the number of shares related to the Warrants to approximately 1 million as of September 30, 2011.

#### ***Early Extinguishment of Debt***

During each of the first two quarters of 2011 and during the third quarter of 2010, the Company repurchased a portion of its Convertible Notes and settled a portion of the related Call Options. In connection with these transactions, the Company incurred a loss of \$12 million during the nine months ended September 30, 2011 and \$11 million during the three and nine months ended September 30, 2010, which is included within interest expense on the Consolidated Statement of Income.

During the first quarter of 2010, in connection with the early extinguishment of the term loan facility, the Company effectively terminated a related interest rate swap agreement. This resulted in a reclassification of a \$14 million unrealized loss from accumulated other comprehensive income ("AOCI") to interest expense on the Consolidated Statement of Income. The Company incurred an additional \$2 million of costs in connection with the early extinguishment of its term loan and revolving foreign credit facilities, which is also included within interest expense on the Consolidated Statement of Income.

#### ***Covenants***

The revolving credit facility is subject to covenants including the maintenance of specific financial ratios. The financial ratio covenants consist of a minimum consolidated interest coverage ratio and a maximum consolidated leverage ratio (both as defined in the credit agreement). In addition, the credit facility includes limitations on indebtedness of material subsidiaries; liens; mergers, consolidations, liquidations and dissolutions; sale of all or substantially all assets; and sale and leaseback transactions.

The unsecured notes contain various covenants including limitations on liens, limitations on potential sale and leaseback transactions and change of control restrictions. In addition, there are limitations on mergers, consolidations and potential sale of all or substantially all of the Company's assets.

As of September 30, 2011, the Company was in compliance with all of the financial covenants described above.

Each of the Company's non-recourse, securitized term notes and the bank conduit facility contain various triggers relating to the performance of the applicable loan pools. If the vacation ownership contract receivables pool that collateralizes one of the Company's securitization notes fails to perform within the parameters established by the contractual triggers (such as higher default or delinquency rates), there are provisions pursuant to which the cash flows for that pool will be maintained in the securitization as extra collateral for the note holders or applied to accelerate the repayment of outstanding principal to the note holders. As of September 30, 2011, all of the Company's securitized loan pools were in compliance with applicable contractual triggers.

**Maturities and Capacity**

The Company's outstanding debt as of September 30, 2011 matures as follows:

	<b>Securitized Vacation Ownership Debt</b>	<b>Other</b>	<b>Total</b>
Within 1 year	\$ 179	\$ 37(*)	\$ 216
Between 1 and 2 years	213	10	223
Between 2 and 3 years	353	254	607
Between 3 and 4 years	184	11	195
Between 4 and 5 years	181	181	362
Thereafter	620	1,606	2,226
	<u>\$ 1,730</u>	<u>\$ 2,099</u>	<u>\$ 3,829</u>

(\*) Includes a liability of \$16 million related to the Bifurcated Conversion Feature associated with the Company's Convertible Notes.

As debt maturities of the securitized vacation ownership debt are based on the contractual payment terms of the underlying vacation ownership contract receivables, actual maturities may differ as a result of prepayments by the vacation ownership contract receivable obligors.

As of September 30, 2011, available capacity under the Company's borrowing arrangements was as follows:

	<b>Securitized Bank Conduit Facility (a)</b>	<b>Revolving Credit Facility</b>
Total Capacity	\$ 600	\$ 1,000
Less: Outstanding Borrowings	218	169
Available Capacity	<u>\$ 382</u>	<u>\$ 831(b)</u>

(a) The capacity of this facility is subject to the Company's ability to provide additional assets to collateralize additional securitized borrowings.

(b) The capacity under the Company's revolving credit facility includes availability for letters of credit. As of September 30, 2011, the available capacity of \$831 million was further reduced to \$820 million due to the issuance of \$11 million of letters of credit.

**Interest Expense**

Interest expense incurred in connection with the Company's non-securitized debt was \$37 million and \$112 million during the three and nine months ended September 30, 2011, respectively, and \$38 million and \$110 million during the three and nine months ended September 30, 2010, respectively. The Company also incurred a loss of \$12 million during the nine months ended September 30, 2011 and a loss of \$11 million during the three and nine months ended September 30, 2010 in connection with the repurchase of a portion of its Convertible Notes and the settlement of the related Call Options, which is included within interest expense. Additionally, the Company recorded \$16 million of costs incurred during the first quarter of 2010 for the early extinguishment of its term loan and revolving foreign credit facilities, which was included within interest expense during the nine months ended September 30, 2010. Cash paid related to such interest expense was \$95 million and \$80 million during the nine months ended September 30, 2011 and 2010, respectively. Such amounts exclude cash payments related to early extinguishment of debt costs.

Interest expense is partially offset on the Consolidated Statements of Income by capitalized interest of \$3 million and \$9 million during the three and nine months ended September 30, 2011, respectively, and \$2 million and \$4 million during the three and nine months ended September 30, 2010, respectively.

Cash paid related to consumer financing interest expense was \$57 million and \$68 million during the nine months ended September 30, 2011 and 2010, respectively.

**8. Transfer and Servicing of Financial Assets**

The Company pools qualifying vacation ownership contract receivables and sells them to bankruptcy-remote entities. Vacation ownership contract receivables qualify for securitization based primarily on the credit strength of the VOI purchaser to whom financing has been extended. Vacation ownership contract receivables are securitized through bankruptcy-remote SPEs that are consolidated within the Consolidated Financial Statements. As a result, the Company does not recognize gains or losses resulting from these securitizations at the time of sale to the SPEs. Interest income is recognized when earned over the contractual life of the vacation ownership contract receivables. The Company services the securitized vacation ownership contract receivables pursuant to servicing agreements negotiated on an arms-length basis based on market conditions. The activities of these SPEs are limited to (i) purchasing vacation ownership contract receivables from the Company's vacation ownership subsidiaries; (ii) issuing debt securities and/or borrowing under a conduit facility to fund such purchases; and (iii) entering into derivatives to hedge interest rate exposure. The bankruptcy-remote SPEs are legally separate from the Company. The receivables held by the bankruptcy-remote SPEs are not available to creditors of the Company and legally are not assets of the Company. Additionally, the creditors of these SPEs have no recourse to the Company for principal and interest.

The assets and liabilities of these vacation ownership SPEs are as follows:

	<b>September 30, 2011</b>	<b>December 31, 2010</b>
Securitized contract receivables, gross (a)	\$ 2,358	\$ 2,703

- (f) Included in current (\$179 million and \$223 million as of September 30, 2011 and December 31, 2010, respectively) and long-term (\$1,551 million and \$1,427 million as of September 30, 2011 and December 31, 2010, respectively) securitized vacation ownership debt on the Consolidated Balance Sheets.
- (g) Primarily includes interest rate derivative contracts and accrued interest on securitized debt; included in accrued expenses and other current liabilities (\$3 million as of both September 30, 2011 and December 31, 2010) and other non-current liabilities (\$14 million and \$19 million as of September 30, 2011 and December 31, 2010, respectively) on the Consolidated Balance Sheets.

In addition, the Company has vacation ownership contract receivables that have not been securitized through bankruptcy-remote SPEs. Such gross receivables were \$889 million and \$641 million as of September 30, 2011 and December 31, 2010, respectively. A summary of total vacation ownership receivables and other securitized assets, net of securitized liabilities and the allowance for loan losses, is as follows:

**9. Fair Value**

The guidance for fair value measurements requires disclosures about assets and liabilities that are measured at fair value. The following table presents information about the Company's financial assets and liabilities that are measured at fair value on a recurring basis and indicates the fair value hierarchy of the valuation techniques utilized by the Company to determine such fair values. Financial assets and liabilities carried at fair value are classified and disclosed in one of the following three categories:

Level 1: Quoted prices for identical instruments in active markets.

Level 2: Quoted prices for similar instruments in active markets; quoted prices for identical or similar instruments in markets that are not active; and model-derived valuations whose inputs are observable or whose significant value driver is observable.

Level 3: Unobservable inputs used when little or no market data is available.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, the level in the fair value hierarchy within which the fair value measurement falls has been determined based on the lowest level input (closest to Level 3) that is significant to the fair value measurement. The Company's assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment, and considers factors specific to the asset or liability.

(c) Included in long-term debt (\$162 million), accrued expenses and other current liabilities (\$12 million) and other non-current liabilities (\$27 million) on the Consolidated Balance Sheet.

The Company's derivative instruments primarily consist of the Call Options and Bifurcated Conversion Feature related to the Convertible Notes, pay-fixed/receive-variable interest rate swaps, pay-variable/receive-fixed interest rate swaps, interest rate caps, foreign exchange forward contracts and foreign exchange average rate forward contracts (see Note 10—Derivative Instruments and Hedging Activities for more detail). For assets and liabilities that are measured using quoted prices in active markets, the fair value is the published market price per unit multiplied by the number of units held without consideration of transaction costs. Assets and liabilities that are measured using other significant observable inputs are valued by reference to similar assets and liabilities. For these items, a significant portion of fair value is derived by reference to quoted prices of similar assets and liabilities in active markets. For assets and liabilities that are measured using significant unobservable inputs, fair value is primarily derived using a fair value model, such as a discounted cash flow model.

The following table presents additional information about financial assets which are measured at fair value on a recurring basis for which the Company has utilized Level 3 inputs to determine fair value as of September 30, 2011:

	Fair Value Measurements Using Significant Unobservable Inputs (Level 3)

(\*) Represents the change in value resulting from the Company's repurchase of a portion of its Convertible Notes and the settlement of a corresponding portion of the Call Options (see Note 7—Long-Term Debt and Borrowing Arrangements).

The fair value of financial instruments is generally determined by reference to market values resulting from trading on a national securities exchange or in an over-the-counter market. In cases where quoted market prices are not available, fair value is based on estimates using present value or other valuation techniques, as appropriate. The carrying

amounts of cash and cash equivalents, restricted cash, trade receivables, accounts payable and accrued expenses and other current liabilities approximate fair value due to the short-term maturities of these assets and liabilities. The carrying amounts and estimated fair values of all other financial instruments are as follows:

	September 30, 2011		December 31, 2010	
	Carrying Amount	Estimated Fair Value	Carrying Amount	Estimated Fair Value

(a) As of September 30, 2011 and December 31, 2010, includes \$16 million and \$162 million, respectively, related to the Bifurcated Conversion Feature liability.

(b) Instruments are in net loss positions as of September 30, 2011 and December 31, 2010.

The Company estimates the fair value of its vacation ownership contract receivables using a discounted cash flow model which it believes is comparable to the model that an independent third party would use in the current market. The model uses default rates, prepayment rates, coupon rates and loan terms for the contract receivables portfolio as key drivers of risk and relative value that, when applied in combination with pricing parameters, determines the fair value of the underlying contract receivables.

The Company estimates the fair value of its securitized vacation ownership debt by obtaining indicative bids from investment banks that actively issue and facilitate the secondary market for timeshare securities. The Company estimates the fair value of its other long-term debt using indicative bids from investment banks and determines the fair value of its senior notes using quoted market prices.

In accordance with the guidance for equity method investments, during the first quarter of 2011, an investment in an international joint venture in the Company's lodging business with a carrying amount of \$13 million was written down due to the impairment of cash flows resulting from the Company's partner having an indirect relationship with the Libyan government. Such write-down resulted in a \$13 million charge, which is included within asset impairment on the Consolidated Statement of Income for the nine months ended September 30, 2011.

## 10. Derivative Instruments and Hedging Activities

### *Foreign Currency Risk*

The Company uses freestanding foreign currency forward contracts and foreign currency forward contracts designated as cash flow hedges to manage its exposure to changes in foreign currency exchange rates associated with its foreign currency denominated receivables, forecasted earnings of foreign subsidiaries and forecasted foreign currency denominated vendor payments. The amount of gains or losses the Company expects to reclassify from other comprehensive income to earnings over the next 12 months is not material.

### *Interest Rate Risk*

A portion of the debt used to finance the Company's operations is exposed to interest rate fluctuations. The Company uses various hedging strategies and derivative financial instruments to create a desired mix of fixed and floating rate assets and liabilities. Derivative instruments currently used in these hedging strategies include swaps and interest rate caps. The derivatives used to manage the risk associated with the Company's floating rate debt include freestanding derivatives and derivatives designated as cash flow hedges. The Company also uses swaps to convert specific fixed-rate debt into variable-rate debt (i.e., fair value hedges) to manage the overall interest cost. For relationships designated as fair value hedges, changes in fair value of the derivatives are recorded in income with offsetting

adjustments to the carrying amount of the hedged debt. The impact of the change in fair value of the fair value hedges and hedged debt was not material during both the three and nine months ended September 30, 2011.

In connection with the early extinguishment of the term loan facility during the first quarter of 2010 (See Note 7—Long-Term Debt and Borrowing Arrangements), the Company effectively terminated a related interest rate swap agreement, which resulted in the reclassification of a \$14 million unrealized loss from AOCI to interest expense on the Consolidated Statement of Income for the three months ended March 31, 2010. The amount of losses that the Company expects to reclassify from AOCI to earnings during the next 12 months is not material.

The following table summarizes information regarding the gain amounts recognized in AOCI:

	Three Months Ended		Nine Months Ended

**11. Income Taxes**

The Company or one of its subsidiaries files income tax returns in the U.S. federal jurisdiction and various states and foreign jurisdictions. The Company is no longer subject to U.S. federal income tax examinations for years prior to 2006. In addition, with few exceptions, the Company is no longer subject to state and local, or non-U.S. income tax examinations for years prior to 2003.

The Company’s effective tax rate was 35.4% and 33.6% for the three months ended September 30, 2011 and 2010, respectively, and 38.1% and 34.4% for the nine months ended September 30, 2011 and 2010, respectively. The effective tax rates increased for both the three and nine month periods compared to the prior year primarily due to the absence of benefits derived from the prior year utilization of cumulative foreign tax credits, which is partially offset by the release of a tax valuation allowance during the third quarter of 2011.

The Company made cash income tax payments, net of refunds, of \$89 million and \$70 million during the nine months ended September 30, 2011 and 2010, respectively. Such payments exclude income tax related payments made to Cendant Corporation (now Avis Budget Group) (“Cendant” or “former Parent”).

**12. Commitments and Contingencies**

The Company is involved in claims, legal proceedings and governmental inquiries related to the Company’s business.

***Wyndham Worldwide Litigation***

The Company is involved in claims and legal actions arising in the ordinary course of its business including but not limited to: for its lodging business—breach of contract, fraud and bad faith claims between franchisors and franchisees in connection with franchise agreements and with owners in connection with management contracts, negligence, breach of contract, fraud, privacy, consumer protection and other statutory claims asserted in connection with alleged acts or occurrences at franchised or managed properties; for its vacation exchange and rentals business—breach of contract, fraud and bad faith claims by affiliates and customers in connection with their respective agreements, negligence, breach of contract, fraud, privacy, consumer protection and other statutory claims asserted by members and guests for alleged injuries sustained at affiliated resorts and vacation rental properties; for its vacation ownership business—breach of contract, bad faith, conflict of interest, fraud, privacy, consumer protection and other statutory claims by property owners’ associations, owners and prospective owners in connection with the sale or use of VOIs or land, or the management of vacation ownership resorts, construction defect claims relating to vacation ownership units or resorts and negligence, breach of contract, fraud, privacy, consumer protection and other statutory claims by guests for alleged injuries sustained at vacation ownership units or resorts; and for each of its businesses, bankruptcy proceedings involving efforts to collect receivables from a debtor in bankruptcy, employment matters involving claims of discrimination, harassment and wage and hour claims, claims of infringement upon third parties’ intellectual property rights, tax claims and environmental claims.

The Company believes that it has adequately accrued for such matters with reserves of \$35 million as of September 30, 2011. Such amount is exclusive of matters relating to the Company’s separation from its former Parent (“Separation”). For matters not requiring accrual, the Company believes that such matters will not have a material effect on its results of operations, financial position or cash flows based on information currently available. However, litigation is inherently

unpredictable and, although the Company believes that its accruals are adequate and/or that it has valid defenses in these matters, unfavorable results could occur. As such, an adverse outcome from such proceedings for which claims are awarded in excess of the amounts accrued, if any, could be material to the Company with respect to earnings or cash flows in any given reporting period. However, the Company does not believe that the impact of such litigation should result in a material liability to the Company in relation to its consolidated financial position or liquidity.

**Cendant Litigation**

Under the Separation Agreement, the Company agreed to be responsible for 37.5% of certain of Cendant’s contingent and other corporate liabilities and associated costs, including certain contingent litigation. Since the Separation, Cendant settled the majority of the lawsuits pending on the date of the Separation.

**13. Accumulated Other Comprehensive Income**

The components of AOCI as of September 30, 2011 are as follows:

	<u>Currency Translation Adjustments</u>	<u>Unrealized Gains/(Losses) on Cash Flow Hedges, Net</u>	<u>Minimum Pension Liability Adjustment</u>	<u>AOCI</u>

The components of AOCI as of September 30, 2010 are as follows:

Balance, September 30, 2010, net of tax benefit of \$39	<u>\$ 167</u>	<u>\$ (17)</u>	<u>\$ (1)</u>	<u>\$ 149</u>

(\*) Primarily represents the reclassification of an after-tax unrealized loss associated with the termination of an interest rate swap agreement in connection with the early extinguishment of the term loan facility (see Note 7—Long-Term Debt and Borrowing Arrangements).

Currency translation adjustments exclude income taxes related to investments in foreign subsidiaries where the Company intends to reinvest the undistributed earnings indefinitely in those foreign operations.

**14. Stock-Based Compensation**

The Company has a stock-based compensation plan available to grant RSUs, SSARs, PSUs and other stock or cash-based awards to key employees, non-employee directors, advisors and consultants. Under the Wyndham Worldwide Corporation 2006 Equity and Incentive Plan, as amended, a maximum of 36.7 million shares of common stock may be awarded. As of September 30, 2011, 14.9 million shares remained available.

**Incentive Equity Awards Granted by the Company**

The activity related to incentive equity awards granted by the Company for the nine months ended September 30, 2011 consisted of the following:

	RSUs		SSARs	
	Number of RSUs	Weighted Average Grant Price	Number of SSARs	Weighted Average Exercise Price
Balance as of December 31, 2010	6.9	\$ 12.35	2.2	\$ 21.28

Canceled	(0.5)	14.74	—	—
Balance as of September 30, 2011 (a)	5.1(c)	17.87	2.3(d)	21.78

- (a) Aggregate unrecognized compensation expense related to RSUs and SSARs was \$73 million as of September 30, 2011 which is expected to be recognized over a weighted average period of 2.8 years.
- (b) Primarily represents awards granted by the Company on February 24, 2011.
- (c) Approximately 5 million RSUs outstanding as of September 30, 2011 are expected to vest over time.
- (d) Approximately 1.7 million of the 2.3 million SSARs are exercisable as of September 30, 2011. The Company assumes that all unvested SSARs are expected to vest over time. SSARs outstanding as of September 30, 2011 had an intrinsic value of \$20 million and have a weighted average remaining contractual life of 3 years.

On February 24, 2011, the Company approved grants of incentive equity awards totaling \$46 million to key employees and senior officers of Wyndham in the form of RSUs and SSARs. These awards will vest ratably over a period of four years. In addition, on February 24, 2011, the Company approved a grant of incentive equity awards totaling \$11 million to key employees and senior officers of Wyndham in the form of PSUs. These awards cliff vest on the third anniversary of the grant date, contingent upon the Company achieving certain performance metrics. As of September 30, 2011, there were approximately 350,000 PSUs outstanding with an aggregate unrecognized compensation expense of \$8.6 million.

The fair value of SSARs granted by the Company on February 24, 2011 was estimated on the date of the grant using the Black-Scholes option-pricing model with the relevant weighted average assumptions outlined in the table below. Expected volatility is based on both historical and implied volatilities of the Company's stock over the estimated expected life of the SSARs. The expected life represents the period of time the SSARs are expected to be outstanding and is based on the "simplified method", as defined in Staff Accounting Bulletin 110. The risk free interest rate is based on yields on U.S. Treasury strips with a maturity similar to the estimated expected life of the SSARs. The projected dividend yield was based on the Company's anticipated annual dividend divided by the price of the Company's stock on the date of the grant.

	SSARs Issued on February 24, 2011
Grant date fair value	\$ 11.22
Grant date strike price	\$ 30.61
Expected volatility	50.83%
Expected life	4.25 yrs.
Risk free interest rate	1.85%
Projected dividend yield	1.96%

**Stock-Based Compensation Expense**

The Company recorded stock-based compensation expense of \$10 million and \$31 million during the three and nine months ended September 30, 2011, respectively, and \$9 million and \$30 million during the three and nine months ended September 30, 2010, respectively, related to the incentive equity awards granted by the Company. The Company recognized a net tax benefit of \$4 million during the three months ended both September 30, 2011 and 2010 and \$12 million during the nine months ended both September 30, 2011 and 2010 for stock-based compensation arrangements on the Consolidated Statements of Income. During the nine months ended September 30, 2011, the Company increased its pool of excess tax benefits available to absorb tax deficiencies ("APIC Pool") by \$17 million due to the vesting of RSUs and exercise of stock options. As of September 30, 2011, the Company's APIC Pool balance was \$29 million.

The Company paid \$30 million and \$23 million of taxes for the net share settlement of incentive equity awards during the nine months ended September 30, 2011 and 2010, respectively. Such amount is included in other, net within financing activities on the Consolidated Statements of Cash Flows.

**Incentive Equity Awards**

As of September 30, 2011, the Company had 1.9 million outstanding stock options, which were converted as a result of the Separation. These converted stock options had a weighted average exercise price of \$38.78, had a weighted average remaining contractual life of 0.5 years and all 1.9 million options were exercisable. There were approximately 100,000 outstanding “in-the-money” stock options, which had an aggregate intrinsic value of \$0.2 million.

**15. Segment Information**

The reportable segments presented below represent the Company’s operating segments for which separate financial information is available and which is utilized on a regular basis by its chief operating decision maker to assess performance and to allocate resources. In identifying its reportable segments, the Company also considers the nature of services provided by its operating segments. Management evaluates the operating results of each of its reportable segments based upon net revenues and “EBITDA”, which is defined as net income before depreciation and amortization, interest expense (excluding consumer financing interest), interest income (excluding consumer financing interest) and income taxes, each of which is presented on the Consolidated Statements of Income. The Company’s presentation of EBITDA may not be comparable to similarly-titled measures used by other companies.

## 16. Restructuring

### *2010 Restructuring Plan*

During 2010, the Company committed to a strategic realignment initiative at its vacation exchange and rentals business targeted at reducing costs, primarily impacting the operations at certain vacation exchange call centers. During the nine months ended September 30, 2011, the Company incurred \$7 million of incremental costs and reduced its liability with \$8 million of cash payments. The remaining liability of \$7 million is expected to be paid in cash; \$6 million of facility-related by the first quarter of 2020 and \$1 million of personnel-related by the third quarter of 2012. As of September 30, 2011, the Company has incurred \$16 million of expenses related to the 2010 restructuring plan.

### *2008 Restructuring Plan*

During 2008, the Company committed to various strategic realignment initiatives targeted principally at reducing costs, enhancing organizational efficiency and consolidating and rationalizing existing processes and facilities. During the nine months ended September 30, 2011, the Company reversed \$1 million of previously recorded facility-related expenses and reduced its liability with \$6 million of cash payments. The remaining liability of \$5 million, all of which is facility-related, is expected to be paid in cash by September 2017. As of September 30, 2011, the Company has incurred \$124 million of expenses related to the 2008 restructuring plan.

The activity related to the restructuring costs is summarized by category as follows:

	Liability as of December 31, 2010	Costs Recognized	Cash Payments	Liability as of September 30, 2011
Personnel-related (a)	\$ 9	\$ —	\$ (8)	\$ 1(c)
Facility-related	11	6(b)	(6)	11(d)
	<u>\$ 20</u>	<u>\$ 6</u>	<u>\$ (14)</u>	<u>\$ 12</u>

(a) As of September 30, 2011, the Company had notified substantially all of the employees related to such costs.

(b) Includes \$7 million of costs incurred at the Company's vacation exchange and rentals business and \$1 million of a reversal of previously recorded expenses at the Company's vacation ownership business.

(c) Balance as of September 30, 2011 is recorded at the Company's vacation exchange and rentals business.

(d) Includes \$6 million and \$5 million at the Company's vacation exchange and rentals business and vacation ownership business, respectively, as of September 30, 2011.

## 17. Separation Adjustments and Transactions with Former Parent and Subsidiaries

### *Transfer of Cendant Corporate Liabilities and Issuance of Guarantees to Cendant and Affiliates*

Pursuant to the Separation and Distribution Agreement, upon the distribution of the Company's common stock to Cendant shareholders, the Company entered into certain guarantee commitments with Cendant (pursuant to the assumption of certain liabilities and the obligation to indemnify Cendant and Realogy and travel distribution services ("Travelport") for such liabilities) and guarantee commitments related to deferred compensation arrangements with each of Cendant and Realogy. These guarantee arrangements primarily relate to certain contingent litigation liabilities, contingent tax liabilities, and Cendant contingent and other corporate liabilities, of which the Company assumed and is responsible for 37.5% while Realogy is responsible for the remaining 62.5%. The remaining amount of liabilities which were assumed by the Company in connection with the Separation was \$49 million and \$78 million as of September 30, 2011 and December 31, 2010, respectively. These amounts were comprised of certain Cendant corporate liabilities which were recorded on the books of Cendant as well as additional liabilities which were established for guarantees issued at the date of Separation, related to certain unresolved contingent matters and certain others that could arise during the guarantee period. Regarding the guarantees, if any of the companies responsible for all or a portion of such liabilities were to default in its payment of costs or expenses related to any such liability, the Company would be responsible for a portion of the defaulting party or parties' obligation(s). The Company also provided a default guarantee related to certain deferred compensation arrangements related to certain current and former senior officers and directors of Cendant, Realogy and Travelport. These arrangements were valued upon the Separation in accordance with the guidance for guarantees and recorded as liabilities on the Consolidated Balance Sheets. To the extent such recorded liabilities are not adequate to cover the ultimate payment amounts, such excess will be reflected as an expense to the results of operations in future periods.

As a result of the sale of Realogy on April 10, 2007, Realogy was required to post a letter of credit in an amount acceptable to the Company and Avis Budget Group to satisfy its obligations for the Cendant legacy contingent liabilities. As of September 30, 2011, the letter of credit was \$100 million.

As of September 30, 2011, the \$49 million of Separation related liabilities is comprised of \$40 million for tax liabilities, \$4 million for liabilities of previously sold businesses of Cendant, \$3 million for other contingent and corporate liabilities and \$2 million of liabilities where the calculated guarantee amount exceeded the contingent liability assumed at the Separation Date. In connection with these liabilities, \$19 million is recorded in current due to former Parent and subsidiaries and \$28 million is recorded in long-term due to former Parent and subsidiaries as of September 30, 2011 on the Consolidated Balance Sheet. The Company will indemnify Cendant for these contingent liabilities and therefore any payments made to the third party would be through the former Parent. The \$2 million relating to guarantees is recorded in other current liabilities as of September 30, 2011 on the Consolidated Balance Sheet. The actual timing of payments relating to these liabilities is dependent on a variety of factors beyond the Company's control. In addition, as of September 30, 2011, the Company had \$2 million of receivables due from former Parent and subsidiaries primarily relating to income taxes, which is recorded in other current assets on the Consolidated Balance Sheet. Such receivables totaled \$4 million as of December 31, 2010.

**RESULTS OF OPERATIONS**

Discussed below are our key operating statistics, consolidated results of operations and the results of operations for each of our reportable segments. The reportable segments presented below represent our operating segments for which separate financial information is available and which is utilized on a regular basis by our chief operating decision maker to assess performance and to allocate resources. In identifying our reportable segments, we also consider the nature of services provided by our operating segments. Management evaluates the operating results of each of our reportable segments based upon net revenues and EBITDA. Our presentation of EBITDA may not be comparable to similarly-titled measures used by other companies.

**OPERATING STATISTICS**

The following table presents our operating statistics for the three months ended September 30, 2011 and 2010. See Results of Operations section for a discussion as to how these operating statistics affected our business for the periods presented.

Tours (j)	197,000	187,000	5.3
Volume Per Guest ("VPG") (k)	\$ 2,197	\$ 2,081	5.6

- (a) Represents the number of rooms at lodging properties at the end of the period which are (i) under franchise and/or management agreements and (ii) for the period ended September 30, 2010, managed under an international joint venture.
- (b) Represents revenue per available room and is calculated by multiplying the percentage of available rooms occupied during the period by the average rate charged for renting a lodging room for one day.
- (c) Represents members in our vacation exchange programs who pay annual membership dues. For additional fees, such participants are entitled to exchange intervals for intervals at other properties affiliated with our vacation exchange business. In addition, certain participants may exchange intervals for other leisure-related services and products.
- (d) Represents total annualized revenues generated from fees associated with memberships, exchange transactions, member-related rentals and other servicing for the period divided by the average number of vacation exchange members during the period.
- (e) Represents the number of transactions that are generated in connection with customers booking their vacation rental stays through us. One rental transaction is recorded for each standard one-week rental.
- (f) Includes the impact from the acquisitions of ResortQuest (September 2010), James Villa Holidays (November 2010) and a tuck-in acquisition (August 2011); therefore, such operating statistics for 2011 are not presented on a comparable basis to the 2010 operating statistics.
- (g) Represents the net rental price generated from renting vacation properties to customers divided by the number of vacation rental transactions.
- (h) Represents total sales of VOIs, including sales under the Wyndham Asset Affiliation Model ("WAAM"), before loan loss provisions. We believe that Gross VOI sales provides an enhanced understanding of the performance of our vacation ownership business because it directly measures the sales volume of this business during a given reporting period.
- (i) The following table provides a reconciliation of Gross VOI sales to Vacation ownership interest sales for the three months ended September 30 (in millions):

	<b>2011</b>	<b>2010</b>
Gross VOI sales	\$ 455	\$ 412
Less: WAAM sales (1)	(38)	(20)
Gross VOI sales, net of WAAM sales	417	392
Less: Loan loss provision	(96)	(85)
Vacation ownership interest sales (2)	<u>\$ 320</u>	<u>\$ 308</u>

- (1) Represents total sales of VOIs through our fee-for-service vacation ownership sales model designed to offer turn-key solutions for developers or banks in possession of newly developed inventory, which we will sell for a commission fee through our extensive sales and marketing channels.
- (2) Amounts may not foot due to rounding.
- (j) Represents the number of tours taken by guests in our efforts to sell VOIs.
- (k) VPG is calculated by dividing Gross VOI sales (excluding tele-sales upgrades, which are non-tour upgrade sales) by the number of tours. Tele-sales upgrades were \$21 million and \$23 million during the three months ended September 30, 2011 and 2010, respectively. We have excluded non-tour upgrade sales in the calculation of VPG because non-tour upgrade sales are generated by a different marketing channel. We believe that VPG provides an enhanced understanding of the performance of our vacation ownership business because it directly measures the efficiency of this business' tour selling efforts during a given reporting period.

**THREE MONTHS ENDED SEPTEMBER 30, 2011 VS. THREE MONTHS ENDED SEPTEMBER 30, 2010**

Our consolidated results are as follows:

	<b>Three Months Ended September 30,</b>		
	<b>2011</b>	<b>2010</b>	<b>Change</b>
Net revenues	\$ 1,212	\$ 1,065	\$ 147
Expenses	<u>928</u>	<u>786</u>	<u>142</u>
Operating income	284	279	5
Other income, net	(2)	(1)	(1)
Interest expense	34	47	(13)
Interest income	<u>(19)</u>	<u>(2)</u>	<u>(17)</u>
Income before income taxes	271	235	36
Provision for income taxes	<u>96</u>	<u>79</u>	<u>17</u>
Net income	<u>\$ 175</u>	<u>\$ 156</u>	<u>\$ 19</u>

Net revenues increased \$147 million (13.8%) for the three months ended September 30, 2011 compared with the same period last year principally resulting from:

- \$92 million of incremental revenues contributed by acquisitions;
- \$25 million of higher revenues from our vacation ownership business primarily due to increased VOI sales and WAAM commission revenues;
- \$23 million of higher royalty, marketing and reservation revenues due to higher RevPAR and the impact of a change in the classification of third-party reservation fees from operating expenses; and
- \$16 million of a favorable impact from foreign exchange.

Total expenses increased by \$142 million (18.1%) for the three months ended September 30, 2011 compared with the same period last year principally reflecting:

- \$71 million of incremental expenses related to acquisitions;
- a \$44 million impact from the resolution of and adjustment to certain contingent liabilities and assets;
- \$12 million due to the impact of a change in the classification of third-party reservation fees from operating expenses;
- \$9 million of an unfavorable impact from foreign exchange; and
- \$6 million of higher operating expenses resulting principally from the revenue increase (excluding acquisitions).

Interest expense decreased \$13 million during the three months ended September 30, 2011 compared with the same period last year primarily as a result of the absence of \$11 million of costs incurred during the third quarter of 2010 for the repurchase of a portion of our 3.50% convertible notes.

Interest income increased \$17 million during the three months ended September 30, 2011 primarily due to \$16 million of interest received during the third quarter of 2011 related to a refund of value added taxes.

Our effective tax rate increased from 33.6% during the third quarter of 2010 to 35.4% during the third quarter of 2011 primarily due to the absence of benefits derived from the prior year utilization of cumulative foreign tax credits, which is partially offset by \$13 million related to the release of a tax valuation allowance during the third quarter of 2011.

As a result of these items, net income increased \$19 million (12.2%) compared to the third quarter of 2010.

During 2011, we expect:

- net revenues of approximately \$4.2 billion to \$4.3 billion;
- depreciation and amortization of approximately \$180 million; and
- interest expense, net (excluding early extinguishment of debt costs) of approximately \$130 million to \$135 million.

In addition, during 2012, we expect net revenues of approximately \$4.4 billion to \$4.6 billion.

### Lodging

Net revenues increased by \$19 million (9.4%) and EBITDA was flat during the third quarter of 2011 compared to the same period last year.

Net revenues reflect a \$23 million increase in royalty, marketing and reservation revenues primarily due to (i) a 6.3% increase in RevPAR resulting from stronger occupancy and average daily rates, (ii) a 6.0% increase in our international system size and (iii) the impact of a \$12 million increase related to a change in the classification of third-party reservation fees to revenues from operating expenses, which were misclassified as contra expenses in prior periods. This change in classification had no impact on EBITDA. Net revenue was also favorably impacted by a \$2 million increase in reimbursable revenues in our hotel management business, which has no impact on EBITDA. Such increases were partially offset by a \$4 million decrease in other ancillary services revenues and a \$2 million decrease in other franchise fees.

In addition, EBITDA was also unfavorably impacted by (i) \$13 million of higher marketing and reservation expenses resulting from higher revenues and timing of spend and (ii) \$3 million of pre-opening costs for the Wyndham Grand Orlando Resort Bonnet Creek owned hotel ("Bonnet Creek Hotel"). Such reductions to EBITDA were offset partially by (i) \$7 million of lower costs principally for ancillary services and (ii) \$4 million of lower bad debt expense.

As of September 30, 2011, we had approximately 7,190 properties and 611,200 rooms in our system.

Additionally, our hotel development pipeline included approximately 870 hotels and 114,600 rooms, of which 62% were international and 58% were new construction as of September 30, 2011.

We expect net revenues of approximately \$710 million to \$730 million during 2011. In addition, as compared to 2010, we expect our operating statistics during 2011 to perform as follows:

- RevPAR to be up 6% to 8%; and
- number of rooms (including Tryp) to increase 1% to 3%.

### Vacation Exchange and Rentals

Net revenues and EBITDA increased \$106 million (32.1%) and \$28 million (27.2%), respectively, during the third quarter of 2011 compared with the third quarter of 2010. EBITDA was unfavorably impacted by a loss of \$4 million related to the write-off of foreign exchange translation adjustments resulting from the liquidation of a foreign entity. A weaker U.S. dollar compared to other foreign currencies contributed \$16 million and \$7 million in net revenues and EBITDA, respectively.

During the third quarter of 2011, we completed the acquisitions of substantially all of the assets of two vacation rental businesses in Colorado and Florida. This resulted in the addition of over 1,500 units to our portfolio. Our vacation exchange and rentals business now offers its leisure travelers access to approximately 99,000 vacation properties worldwide.

Acquisitions contributed \$92 million of incremental net revenues (inclusive of \$9 million of ancillary revenues) and \$20 million of incremental EBITDA. EBITDA was also favorably impacted by the absence of \$1 million of costs incurred

in connection with the acquisition of ResortQuest during the third quarter of 2010. Due to the seasonality of revenue generation at these businesses, the earnings contributed from these acquisitions are highest in the third quarter.

Excluding the impact of \$83 million of incremental vacation rental revenues from acquisitions and the favorable impact of foreign exchange movements of \$13 million, net revenues generated from rental transactions and related services increased \$3 million primarily due to a 1.4% increase in average net price per vacation rental. The increase in average net price per rental resulted from higher yield, primarily at our Landal GreenParks business, while rental transaction volume remained relatively flat.

Exchange and related service revenues, which primarily consist of fees generated from memberships, exchange transactions, member-related rentals and other member servicing, declined \$2 million. Excluding \$3 million of a favorable impact from foreign exchange movements, exchange and related service revenues decreased \$5 million due to a 2.2% decrease in exchange revenue per member and a 0.6% decline in the average number of members. The decrease in exchange revenue per member is primarily due to lower exchange and member-rental transactions which we believe are the result of the impact of both Hurricane Irene and club memberships where there is a lower propensity to transact. Such declines were partially offset by an increase in other transaction fee revenue from combining deposited timeshare intervals, which allows members the ability to transact into higher-valued vacations.

In addition, EBITDA further reflects \$5 million of favorable impacts from foreign exchange transactions and foreign exchange hedging contracts.

We expect net revenues of approximately \$1.46 billion to \$1.50 billion during 2011. In addition, as compared to 2010, we expect our operating statistics during 2011 to perform as follows:

- vacation rental transactions to increase 16% to 18%;
- average net price per vacation rental to increase 25% to 27%;
- average number of members to be flat; and
- exchange revenue per member to increase 1% to 3%.

#### ***Vacation Ownership***

Net revenues and EBITDA increased \$26 million (4.9%) and \$26 million (21.1%), respectively, during the third quarter of 2011 compared with the third quarter of 2010.

Gross sales of VOIs, net of WAAM sales increased \$25 million (6.4%) driven principally by a 5.6% increase in VPG and a 5.3% increase in tour flow. The increase in VPG is attributable to improved close rates, while the change in tour flow reflects our focus on marketing programs directed towards new owner generation. Our provision for loan losses increased \$11 million primarily as a result of higher gross VOI sales and an unfavorable impact from the slow pace of the economic recovery. In addition, net revenues were favorably impacted by a \$3 million increase in ancillary revenues, as a result of higher fees generated by other non-core operations.

Net revenues and EBITDA generated by WAAM increased by \$11 million and \$4 million, respectively, due to increased commissions earned on \$18 million of higher VOI sales under WAAM.

Net revenues were unfavorably impacted by \$2 million and EBITDA was favorably impacted by \$4 million due to lower consumer financing revenues attributable to a decline in our contract receivables portfolio which was more than offset in EBITDA by a \$6 million decrease in interest expense on our securitized debt. Compared to last year, our net interest income margin increased to 80% from 75% due to (i) a reduction in our weighted average interest rate to 4.8% from 6.5% and (ii) higher weighted average interest rates earned on our contract receivable portfolio, partially offset by \$73 million of increased average borrowings on our securitized debt facilities.

In addition to the items discussed above, EBITDA was unfavorably impacted by increased expenses primarily resulting from:

- \$8 million of increased marketing expenses due to increased tours for new owner generation;
- \$5 million of increased costs associated with maintenance fees on unsold inventory; and
- \$4 million of increased employee related expenses.

Such increases were offset by:

- \$17 million of lower cost of VOI sales due to product mix and relative sales value adjustments; and
- the absence of a \$4 million non-cash impairment charge recorded during the third quarter of 2010.

## [Table of Contents](#)

We expect net revenues of approximately \$2.0 billion to \$2.1 billion during 2011. In addition, as compared to 2010, we expect our operating statistics during 2011 to perform as follows:

- gross VOI sales to be \$1.5 billion to \$1.6 billion (including approximately \$100 million to \$125 million related to WAAM);
- tours to increase 5% to 8%; and
- VPG to increase 2% to 4%.

### ***Corporate and Other***

Corporate and Other EBITDA decreased \$48 million during the third quarter of 2011 compared to the same period during 2010 resulting primarily from (i) the absence of a \$52 million net benefit recorded in the third quarter of 2010 related to the resolution of and adjustment to certain contingent liabilities and assets primarily due to the settlement of the IRS examination of Cendant's taxable years 2003 through 2006 and (ii) \$3 million of increased costs primarily related to data security enhancements. Such increases were offset partially by an \$8 million net benefit recorded in the third quarter of 2011 related to the resolution of and adjustment to certain contingent liabilities and assets.

**NINE MONTHS ENDED SEPTEMBER 30, 2011 VS. NINE MONTHS ENDED SEPTEMBER 30, 2010**

Provision for income taxes	<u>222</u>	<u>157</u>	<u>65</u>
Net income	<u>\$ 361</u>	<u>\$ 300</u>	<u>\$ 61</u>

Net revenues increased \$339 million (11.6%) for the nine months ended September 30, 2011 compared with the same period last year primarily resulting from:

- \$181 million of incremental revenues related to acquisitions;
- \$67 million of higher revenues from our vacation ownership business primarily due to increased VOI sales, WAAM commission revenues and property management fees, partially offset by the impact of a change in the reporting of fees related to incidental VOI operations;
- \$38 million of a favorable impact from foreign exchange;
- \$31 million of higher revenues in our lodging business due primarily from higher royalty, marketing and reservation fees resulting from stronger RevPAR and the impact of a change in the classification of third-party reservation fees from operating expenses; and
- \$26 million of increased revenue from our exchange and rentals business primarily due to improved yield at our vacation rentals business, higher rental transactions and the impact of a change in the classification of third-party sales commission fees to operating expenses.

Total expenses increased by \$253 million (10.8%) for the nine months ended September 30, 2011 compared with the same period last year principally reflecting:

- \$149 million of incremental expenses related to acquisitions;
- \$66 million of higher operating expenses resulting from the revenue increases (excluding acquisitions);
- a \$35 million impact from the resolution of and adjustment to certain contingent liabilities and assets;
- a \$32 million unfavorable impact from foreign exchange;
- \$13 million for a non-cash impairment charge related to a write-down of an international joint venture in the lodging business due to our partner's indirect relationship with the Libyan government; and
- \$11 million of increased costs primarily for data security enhancements.

Such expense increases were partially offset by (i) a \$31 million net benefit resulting from a refund of value added taxes and (ii) \$20 million of decreased litigation costs at our vacation ownership business.

Other income, net increased by \$3 million primarily due to a gain on the redemption of a preferred stock investment allocated to us in connection with the Separation.

Interest expense decreased \$18 million during the nine months ended September 30, 2011 compared with the same period last year primarily as a result of (i) the absence of \$16 million of costs incurred during 2010 resulting from the early termination of our term loan and revolving foreign credit facilities, (ii) the absence of \$11 million of costs incurred during the third quarter of 2010 for the repurchase of a portion of our 3.50% convertible notes and (iii) \$5 million of higher capitalized interest in 2011 primarily as a result of construction of the Bonnet Creek Hotel. Such decreases were partially offset by (i) \$12 million of costs incurred in 2011 for the repurchase of a portion of our 3.50% convertible notes and (ii) \$3 million of interest related to non-US value-added taxes.

## Table of Contents

Interest income increased \$19 million during the nine months ended September 30, 2011 primarily due to \$16 million of interest received in the third quarter of 2011 related to a refund of value added taxes.

Our effective tax rate increased from 34.4% during the nine months ended September 30, 2010 to 38.1% during the nine months ended September 30, 2011 primarily due to the absence of benefits derived from the prior year utilization of cumulative foreign tax credits, which is partially offset by \$13 million related to the release of a tax valuation allowance during the third quarter of 2011.

As a result of these items, our net income increased \$61 million (20.3%) compared to the first nine months of 2010.

Following is a discussion of the results of each of our segments and Corporate and Other for the nine months ended September 30, 2011 compared to September 30, 2010:

### Lodging

Net revenues and EBITDA increased by \$36 million (6.9%) and \$12 million (8.1%), respectively, during the nine months ended September 30, 2011 compared to the same period last year. Excluding the impact of a \$13 million non-cash impairment charge related to the write-down of an international joint venture, EBITDA increased \$25 million (16.9%).

Net revenues and EBITDA were favorably impacted by \$5 million and \$3 million, respectively, as a result of the Tryp hotel brand acquisition in the second quarter of 2010.

Excluding the impact of the Tryp acquisition, net revenues reflects a \$42 million increase in royalty, marketing and reservation revenues primarily due to (i) a 7.0% increase in domestic RevPAR resulting from stronger occupancy, (ii) a 6.4% increase in our international system size and (iii) the impact of a \$15 million increase related to a change in the classification of third-party reservation fees to revenues from operating expenses, which were misclassified as contra expenses in prior periods. This change in classification had no impact on EBITDA. Such increases were partially offset by an \$11 million decrease in ancillary services revenues and other franchise fees.

In addition, EBITDA was also favorably impacted by (i) \$17 million of lower costs principally associated with ancillary services and (ii) \$7 million of lower bad debt expenses. Such decreases were partially offset by (i) \$15 million of higher marketing and reservation expenses resulting primarily from higher revenues and (ii) \$3 million of pre-opening costs for the Bonnet Creek Hotel.

### Vacation Exchange and Rentals

Net revenues and EBITDA increased \$240 million (26.3%) and \$69 million (26.4%), respectively, during the nine months ended September 30, 2011 compared with the same period during 2010. EBITDA was favorably impacted by a \$31 million net benefit resulting from a refund of value added taxes, which was partially offset by \$7 million of higher costs related to organizational realignment initiatives and a loss of \$4 million related to the write-off of foreign exchange translation adjustments resulting from the liquidation of a foreign entity. A weaker U.S. dollar compared to other foreign currencies contributed \$38 million and \$10 million in net revenues and EBITDA, respectively.

During the third quarter of 2011, we completed the acquisitions of substantially all of the assets of two vacation rental businesses in Colorado and Florida. This resulted in the addition of over 1,500 units to our portfolio. Our vacation exchange and rentals business now offers its leisure travelers access to approximately 99,000 vacation properties worldwide.

Acquisitions contributed \$176 million of incremental net revenues (inclusive of \$22 million of ancillary revenues) and \$24 million of incremental EBITDA. EBITDA was also favorably impacted by the absence of \$5 million of costs incurred in connection with the acquisitions of Hoseasons and ResortQuest during the nine months ended September 30, 2010. Due to the seasonality of revenue generation at these businesses, the earnings contributed from these acquisitions are highest in the third quarter.

Excluding the impact of \$154 million of incremental vacation rental revenues from acquisitions and the favorable impact of foreign exchange movements of \$28 million, net revenues generated from rental transactions and related services increased \$27 million due to a 4.7% increase in average net price per vacation rental and a 2.2% increase in rental transaction volume. The increase in average net price per vacation rental resulted from (i) higher yield at our Novasol and Landal GreenParks businesses and (ii) an \$11 million impact primarily related to a change in the classification of third-party sales commission fees to operating expenses which were misclassified as contra revenue in the same period last year. This change in classification had no impact on EBITDA. Rental transaction volume increased primarily due to favorability at our Novasol and Landal GreenParks businesses.

Exchange and related service revenues, which primarily consist of fees generated from memberships, exchange transactions, member-related rentals and other member servicing, increased \$10 million. Excluding \$10 million of a favorable impact from foreign exchange movements, exchange and related service revenues remained flat primarily due to an increase in other transaction fee revenue from combining deposited timeshare intervals, which allows members the ability to transact into higher-valued vacations, and the impact of a \$4 million increase related to a change in the classification of third-party credit card processing fees to operating expenses, which were misclassified as contra revenue in prior periods. This change in reporting had no impact on EBITDA. These increases were offset by lower exchange and member-rental transactions, which we believe are the result of the impact of club memberships where there is a lower propensity to transact.

In addition, EBITDA further reflects \$7 million of higher volume-related costs.

#### ***Vacation Ownership***

Net revenues and EBITDA increased \$67 million (4.5%) and \$66 million (21.3%), respectively, during the nine months ended September 30, 2011 compared with the nine months ended September 30, 2010.

Gross sales of VOIs, net of WAAM sales increased \$57 million (5.4%) driven principally by an 8.1% increase in tour flow and a 1.5% increase in VPG. The increase in VPG is attributable to an increase in the average price per transaction, while the change in tour flow reflects our focus on marketing programs directed towards new owner generation. Our provision for loan losses declined \$3 million primarily as a result of improved portfolio performance, partially offset by higher gross VOI sales. In addition, net revenues were unfavorably impacted by a \$26 million decrease in ancillary revenues, primarily associated with a misclassification of fees related to incidental VOI operations. This change in classification from gross basis reporting in revenues to net basis reporting in operating expenses had no impact on EBITDA.

Net revenues and EBITDA generated by our WAAM increased by \$23 million and \$6 million, respectively, due to increased commissions earned on \$38 million of higher VOI sales under our WAAM.

Property management net revenues and EBITDA increased \$18 million and \$7 million, respectively, resulting primarily from higher reimbursement revenues and higher fees for additional services. The reimbursement revenues have no impact on EBITDA.

Net revenues were unfavorably impacted by \$8 million and EBITDA was favorably impacted by \$5 million due to lower consumer financing revenues attributable to a decline in our contract receivables portfolio which was more than offset in EBITDA by a \$13 million decrease in interest expense on our securitized debt. Compared to last year, our net interest income margin increased to 79% from 75% due to (i) a reduction in our weighted average interest rate to 5.2% from 7.2% and (ii) higher weighted average interest rates earned on our contract receivable portfolio, partially offset by \$168 million of increased average borrowings on our securitized debt facilities.

In addition to the items discussed above, EBITDA was unfavorably impacted by increased expenses primarily resulting from:

- \$24 million of increased marketing expenses due to increased tours for new owner generation;
- \$23 million of increased costs associated with maintenance fees on unsold inventory; and
- \$9 million of increased sales costs.

Such decreases were partially offset by:

- \$23 million of lower cost of VOI sales due to product mix and relative sales value adjustments; and
- \$20 million of decreased litigation related costs.

**Corporate and Other**

Corporate and Other EBITDA decreased \$53 million during the nine months ended September 30, 2011 compared to the same period during 2010 resulting from:

- the absence of a \$51 million net benefit recorded in the third quarter of 2010 related to the resolution of and adjustment to certain contingent liabilities and assets primarily due to the settlement of the IRS examination of Cendant’s taxable years 2003 through 2006;
- \$11 million of increased costs primarily for data security enhancements;
- \$5 million of lower net gains from hedging activities; and
- \$5 million of higher employee-related costs.

Such increases in expenses were partially offset by:

- a \$16 million benefit from the resolution of and adjustment to certain contingent liabilities and assets during the nine months ended September 30, 2011; and
- a \$4 million gain related to the redemption of a preferred stock investment allocated to us in connection with the Separation.

**RESTRUCTURING PLANS**

**2010 Restructuring Plan**

In connection with the recent implementation of significant technology enhancements at our vacation exchange and rentals business during 2010, we committed to a strategic realignment initiative targeted at reducing costs, primarily impacting the operations at certain vacation exchange call centers. During the nine months ended September 30, 2011, we incurred \$7 million of incremental costs and reduced our liability with \$8 million of cash payments. As of September 30, 2011, the remaining liability of \$7 million is expected to be paid in cash; \$6 million of facility-related by the first quarter of 2020 and \$1 million of personnel-related by the third quarter of 2012. We anticipate annual net savings of approximately \$8 million from such initiative.

**2008 Restructuring Plan**

In response to a deteriorating global economy, during 2008, we committed to various strategic realignment initiatives targeted principally at reducing costs, enhancing organizational efficiency, reducing our need to access the asset-backed securities market and consolidating and rationalizing existing processes and facilities. During the nine months ended September 30, 2011, we reversed \$1 million of previously recorded facility-related expenses and reduced our liability with \$6 million of cash payments. As of September 30, 2011, the remaining liability was \$5 million, all of which is facility-related, and is expected to be paid in cash by September 2017.

**FINANCIAL CONDITION, LIQUIDITY AND CAPITAL RESOURCES**

	<b>September 30, 2011</b>	<b>December 31, 2010</b>	<b>Change</b>
Total assets	\$ 9,022	\$ 9,416	\$ (394)
Total liabilities	6,603	6,499	104
Total stockholders’ equity	2,419	2,917	(498)

Total assets decreased \$394 million from December 31, 2010 to September 30, 2011 primarily due to:

- a \$178 million decrease in other non-current assets primarily due to the settlement of a portion of our call options in connection with the repurchase of a portion of our 3.50% convertible notes;
- a \$120 million decrease in vacation ownership contract receivables, net primarily due to principal collections exceeding net loan originations;
- a \$73 million decrease in inventory primarily due to VOI sales and lower development spending during 2011;
- a \$59 million decrease in trade receivables, net, primarily due to seasonality at our European vacation rentals businesses, partially offset by increased receivables due to higher revenue at our lodging business; and

## Table of Contents

- a \$15 million decrease in other current assets primarily due to decreased current securitized restricted cash resulting from the timing of cash that we are required to set aside in connection with vacation ownership contract receivables securitizations and the receipt of a value added tax refund.

Such decreases were partially offset by:

- a \$47 million increase in property and equipment primarily related to capital expenditures for information technology enhancements, construction of new bungalows at our Landal GreenParks business and construction of our Bonnet Creek Hotel, partially offset by current year depreciation of property and equipment; and
- an increase of \$19 million in cash and cash equivalents.

Total liabilities increased \$104 million from December 31, 2010 to September 30, 2011 primarily due to:

- an \$80 million net increase in our securitized vacation ownership debt;
- a \$71 million increase in accrued expenses and other current liabilities primarily as a result of the timing of income tax payments and increased value added tax accruals; and
- a \$55 million increase in deferred income taxes primarily attributable to a change in the utilization of alternative minimum tax credits.

Such increases were partially offset by:

- a \$53 million decrease in accounts payable primarily due to seasonality at our vacation rentals businesses;
- a \$30 million decrease in deferred income primarily resulting from shorter membership terms at our vacation exchange and rentals business; and
- a \$30 million decrease in due to former Parent and subsidiaries as a result of the payment and settlement of certain legacy liabilities.

Total stockholders' equity decreased \$498 million from December 31, 2010 to September 30, 2011 primarily due to:

- \$677 million of share repurchases;
- \$112 million for the repurchase of warrants;
- \$76 million of dividends; and
- \$25 million of currency translation adjustments, net of tax.

Such decreases were partially offset by:

- \$361 million of net income; and
- a \$17 million increase to our pool of excess tax benefits available to absorb tax deficiencies due to the vesting of equity awards.

### **LIQUIDITY AND CAPITAL RESOURCES**

Currently, our financing needs are supported by cash generated from operations and borrowings under our revolving credit facility. In addition, certain funding requirements of our vacation ownership business are met through the utilization of our bank conduit facility and the issuance of securitized debt to finance vacation ownership contract receivables. We believe that our net cash from operations, cash and cash equivalents, access to our revolving credit facility and continued access to the securitization and debt markets provide us with sufficient liquidity to meet our ongoing needs.

During July 2011, we replaced our \$980 million revolving credit facility with a five-year \$1.0 billion revolving credit facility that expires in July 2016. During June 2011, we renewed our securitized vacation ownership bank conduit facility to a two-year conduit facility that expires in June 2013 and has a total capacity of \$600 million.

We may, from time to time, depending on market conditions and other factors, repurchase our outstanding indebtedness, including our convertible notes, whether or not such indebtedness trades above or below its face amount, for cash and/or in exchange for other securities or other consideration, in each case in open market purchases and/or privately negotiated transactions.

**CASH FLOWS**

During the nine months ended September 30, 2011 and 2010, we had a net change in cash and cash equivalents of \$19 million and \$15 million, respectively. The following table summarizes such changes:

	<b>Nine Months Ended September 30,</b>		
	<b>2011</b>	<b>2010</b>	<b>Change</b>
Cash provided by/(used in):			
Operating activities	\$ 860	\$ 528	\$ 332
Investing activities	(159)	(260)	101
Financing activities	(674)	(255)	(419)
Effects of changes in exchange rate on cash and cash equivalents	(8)	2	(10)
Net change in cash and cash equivalents	<u>\$ 19</u>	<u>\$ 15</u>	<u>\$ 4</u>

**Operating Activities**

During the nine months ended September 30, 2011, net cash provided by operating activities increased \$332 million as compared to the nine months ended September 30, 2010 primarily reflecting \$67 million of cash received for value added taxes comprised of a \$51 million refund and \$16 million of related interest income, of which \$29 million is included in net income and \$38 million is in working capital. Working capital further contributed to cash provided by operating activities due to:

- the absence of a net payment of \$145 million in 2010 relating to the IRS settlement, which was reflected within due to former Parent and subsidiaries;
- \$66 million of lower cash utilization resulting from the recognition of deferred ancillary revenues during 2010 at our vacation ownership business; and
- the absence of a \$51 million reduction in accrued liabilities recorded during the third quarter of 2010 related to the resolution of and adjustment to certain contingent liabilities and assets.

**Investing Activities**

During the nine months ended September 30, 2011, net cash used in investing activities decreased \$101 million as compared to the nine months ended September 30, 2010, primarily reflecting \$132 million of lower payments for acquisitions, partially offset by an increase of \$53 million in capital spending primarily for construction on our Bonnet Creek Hotel and information technology related initiatives.

**Financing Activities**

During the nine months ended September 30, 2011, net cash used in financing activities increased \$419 million as compared to the nine months ended September 30, 2010, which principally reflects:

- \$485 million of higher share repurchases,
- \$249 million of lower proceeds from the issuance of notes; and
- \$65 million of higher repurchases of our convertible notes.

Such increases in cash outflows were partially offset by \$428 million of higher net proceeds related to non-securitized borrowings.

**Convertible Debt.** We utilized some of our cash flow to retire a portion of our convertible debt and settle a related portion of call options ("Call Options") and warrants ("Warrants"). During the first nine months of 2011, we repurchased approximately 90%, or \$104 million face value, of our remaining 3.50% convertible notes that had a carrying value of \$251 million, primarily through the completion of a cash tender offer (\$95 million for the portion of convertible notes, including the unamortized discount, and \$156 million for the related bifurcated conversion feature) for \$262 million. Concurrent with the repurchases, we settled (i) a portion of the Call Options for proceeds of \$155 million, which resulted in an additional loss of \$1 million, and (ii) a portion of the Warrants with payments of \$112 million. As a result of these transactions, we made net payments of \$219 million and incurred total losses of \$12 million during the first nine months of 2011. This transaction reduced the number of shares related to the Warrants to approximately 1 million as of September 30, 2011. As the Warrants had a dilutive effect when our common stock price exceeds the Warrant strike price of \$19.76 per share, this transaction will result in reduced future share dilution if our common stock price continues to exceed the

Warrant strike price. In addition, this transaction is expected to create economic value as we believe our common stock price will increase, resulting in a benefit that exceeds the cost of purchasing these Warrants.

*Senior Unsecured Notes.* During the first quarter of 2011, we issued senior unsecured debt for net proceeds of \$245 million. We utilized the proceeds from this debt issuance to reduce our outstanding indebtedness, including the repurchase of a portion of our outstanding 3.50% convertible notes and repayment of borrowings under the revolving credit facility, and for general corporate purposes. For further detailed information about such borrowings, see Note 7—Long-Term Debt and Borrowing Arrangements.

#### ***Capital Deployment***

We are focusing on optimizing cash flow and seeking to deploy capital for the highest possible returns. Ultimately, our business objective is to transform our cash and earnings profile, primarily by rebalancing our cash streams to achieve a greater proportion of EBITDA from our fee-for-service businesses. We intend to continue to invest in select capital and technological improvements across our business. In addition, we may seek to acquire additional franchise agreements, hotel/property management contracts and exclusive agreements for vacation rental properties on a strategic and selective basis, either directly or through investments in joint ventures.

During the nine months ended September 30, 2011, we spent \$161 million on capital expenditures, equity investments and development advances primarily on (i) information technology enhancement projects, (ii) \$36 million for construction of our Bonnet Creek Hotel, (iii) construction of new bungalows at our Landal GreenParks business and (iv) equity investments and development advances. During 2011, we anticipate spending approximately \$225 million to \$240 million on capital expenditures (which includes costs related to the completion of our Bonnet Creek Hotel), equity investments and development advances. Additionally, in an effort to support growth in the Wyndham Hotels and Resorts brand, we plan on investing approximately \$200 million in mezzanine and other financing over the next several years.

In addition, we spent \$46 million relating to vacation ownership development projects (inventory) during the nine months ended September 30, 2011. We anticipate spending on average approximately \$130 million annually from 2011 through 2014 on vacation ownership development projects (approximately \$80 million to \$90 million during 2011), including projects currently under development. We believe that our vacation ownership business currently has adequate finished inventory on our balance sheet to support vacation ownership sales. After factoring in the anticipated additional average spending of approximately \$130 million annually from 2011 through 2014, we expect to have adequate inventory through at least 2015.

We expect that the majority of the expenditures that will be required to pursue our capital spending programs, strategic investments and vacation ownership development projects will be financed with cash flow generated through operations. Additional expenditures are financed with general unsecured corporate borrowings, including through the use of available capacity under our revolving credit facility.

#### ***Share Repurchase Program***

We expect to generate annual net cash provided by operating activities less capital expenditures, equity investments and development advances in the range of approximately \$600 million to \$700 million annually over the next several years. A portion of this cash flow is expected to be returned to our shareholders in the form of share repurchases. On August 20, 2007, our Board of Directors (the “Board”) authorized a stock repurchase program that enabled us to purchase up to \$200 million of our common stock. On July 22, 2010, the Board increased the authorization by \$300 million and, further increased the authorization by \$500 million on both April 25, 2011 and August 11, 2011, bringing the total share authorization to \$1.5 billion. Under such program, we repurchased 11,426,202 shares at an average price of \$25.78 for a cost of \$295 million and repurchase capacity increased \$53 million from proceeds received from stock option exercises as of December 31, 2010. During the first nine months of 2011, we repurchased 22,007,292 shares at an average price of \$30.74 for a cost of \$677 million and repurchase capacity increased \$10 million from proceeds received from stock option exercises. Such repurchase capacity will continue to be increased by proceeds received from future stock option exercises.

During the period October 1, 2011 through October 25, 2011, we repurchased an additional 1.4 million shares at an average price of \$29.19 for a cost of \$40 million. We currently have \$553 million remaining availability in our program. The amount and timing of specific repurchases are subject to market conditions, applicable legal requirements and other factors. Repurchases may be conducted in the open market or in privately negotiated transactions.

#### ***Dividend Policy***

During the first quarter of 2011, we increased our dividend by 25%, from \$0.12 to \$0.15 per share of common stock outstanding, and as a result, we projected our dividend payout ratio to be approximately 28% of the midpoint of our then

estimated 2011 net income after certain adjustments. During the quarterly periods ended March 31, June 30 and September 30, 2011, we paid a cash dividend of \$0.15 per share of common stock issued and outstanding on the record date for the applicable dividend. We expect our dividend policy for the future is to increase dividends, at a minimum, at the rate of the growth of our business.

**2011 Debt Issuances**

During the nine months ended September 30, 2011, we issued senior unsecured notes, closed two term securitizations, renewed our securitized bank conduit facility, repurchased a portion of our 3.50% convertible notes and replaced our revolving credit facility. For further detailed information about such debt, see Note 7—Long-term Debt and Borrowing Arrangements.

Available Capacity	<u>\$ 382</u>	<u>\$ 831(b)</u>

(a) The capacity of this facility is subject to our ability to provide additional assets to collateralize additional securitized borrowings.

(b) The capacity under our revolving credit facility includes availability for letters of credit. As of September 30, 2011, the available capacity of \$831 million was further reduced to \$820 million due to the issuance of \$11 million of letters of credit.

**Transfer and Servicing of Financial Assets**

We pool qualifying vacation ownership contract receivables and sell them to bankruptcy-remote entities. Vacation ownership contract receivables qualify for securitization based primarily on the credit strength of the VOI purchaser to whom financing has been extended. Vacation ownership contract receivables are currently securitized through 12 bankruptcy-remote SPEs that are consolidated within our Consolidated Financial Statements. As a result, we do not recognize gains or losses resulting from these securitizations at the time of sale to the SPEs. Interest income is recognized when earned over the contractual life of the vacation ownership contract receivables. We service the securitized vacation ownership contract receivables pursuant to servicing agreements negotiated on an arms-length basis based on market conditions. The activities of these SPEs are limited to (i) purchasing vacation ownership contract receivables from our vacation ownership subsidiaries; (ii) issuing debt securities and/or borrowing under a conduit facility to fund such purchases; and (iii) entering into derivatives to hedge interest rate exposure. The bankruptcy-remote SPEs are legally separate from us. The receivables held by the bankruptcy-remote SPEs are not available to our creditors and legally are not our assets. Additionally, the creditors of these SPEs have no recourse to us for principal and interest.

The assets and liabilities of these vacation ownership SPEs are as follows:

	<b>September 30, 2011</b>	<b>December 31, 2010</b>

### Covenants

The revolving credit facility is subject to covenants including the maintenance of specific financial ratios. The financial ratio covenants consist of a minimum consolidated interest coverage ratio of at least 3.0 to 1.0 as of the measurement date and a maximum consolidated leverage ratio not to exceed 3.75 to 1.0 as of the measurement date. The consolidated interest coverage ratio is calculated by dividing consolidated EBITDA (as defined in the credit agreement) by consolidated interest expense (as defined in the credit agreement), both as measured on a trailing 12 month basis preceding the measurement date. As of September 30, 2011, our consolidated interest coverage ratio was 10.4 times. Consolidated interest expense excludes, among other things, interest expense on any securitization indebtedness (as defined in the credit agreement). The consolidated leverage ratio is calculated by dividing consolidated total indebtedness (as defined in the credit agreement and which excludes, among other things, securitization indebtedness) as of the measurement date by consolidated EBITDA as measured on a trailing 12 month basis preceding the measurement date. As of September 30, 2011, our consolidated leverage ratio was 2.0 times. Covenants in this credit facility also include limitations on indebtedness of material subsidiaries; liens; mergers, consolidations, liquidations and dissolutions; sale of all or substantially all assets; and sale and leaseback transactions. Events of default in this credit facility include failure to pay interest, principal and fees when due; breach of a covenant or warranty; acceleration of or failure to pay other debt in excess of \$50 million (excluding securitization indebtedness); insolvency matters; and a change of control.

The 6.00% senior unsecured notes, 9.875% senior unsecured notes, 7.375% senior unsecured notes, 5.75% senior unsecured notes and 5.625% senior unsecured notes contain various covenants including limitations on liens, limitations on potential sale and leaseback transactions and change of control restrictions. In addition, there are limitations on mergers, consolidations and potential sale of all or substantially all of our assets. Events of default in the notes include failure to pay interest and principal when due, breach of a covenant or warranty, acceleration of other debt in excess of \$50 million and insolvency matters. The convertible notes do not contain affirmative or negative covenants, however, the limitations on mergers, consolidations and potential sale of all or substantially all of our assets and the events of default for our senior unsecured notes are applicable to such notes. Holders of the convertible notes have the right to require us to repurchase the convertible notes at 100% of principal plus accrued and unpaid interest in the event of a fundamental change, defined to include, among other things, a change of control, certain recapitalizations and if our common stock is no longer listed on a national securities exchange.

As of September 30, 2011, we were in compliance with all of the financial covenants described above.

Each of our non-recourse, securitized term notes and the bank conduit facility contain various triggers relating to the performance of the applicable loan pools. If the vacation ownership contract receivables pool that collateralizes one of our securitization notes fails to perform within the parameters established by the contractual triggers (such as higher default or delinquency rates), there are provisions pursuant to which the cash flows for that pool will be maintained in the securitization as extra collateral for the note holders or applied to accelerate the repayment of outstanding principal to the note holders. As of September 30, 2011, all of our securitized loan pools were in compliance with applicable contractual triggers.

### LIQUIDITY RISK

Our vacation ownership business finances certain of its receivables through (i) an asset-backed bank conduit facility and (ii) periodically accessing the capital markets by issuing asset-backed securities. None of the currently outstanding asset-backed securities contains any recourse provisions to us other than interest rate risk related to swap counterparties (solely to the extent that the amount outstanding on our notes differs from the forecasted amortization schedule at the time of issuance).

We believe that our bank conduit facility, with a term through June 2013 and capacity of \$600 million, combined with our ability to issue term asset-backed securities, should provide sufficient liquidity for our expected sales pace and we expect to have available liquidity to finance the sale of VOIs.

Our \$1.0 billion five-year revolving credit agreement, which expires in July 2016, contains a provision that is a condition of an extension of credit. The provision, which was standard market practice for issuers of our rating and industry at the time of our revolver renewal, allows the lenders to withhold an extension of credit if the representations and warranties we made at the time we executed the revolving credit facility agreement are not true and correct in all material respects at the time of request of the extension for credit including if a development or event has or would reasonably be expected to have a material adverse effect on our business, assets, operations or condition, financial or otherwise. The application of the material adverse effect provision contains exclusions for the impact resulting from disruptions in, or the inability of companies engaged in businesses similar to those engaged in by us and our subsidiaries to consummate financings in, the asset backed securities or conduit market.

We primarily utilize surety bonds at our vacation ownership business for sales and development transactions in order to meet regulatory requirements of certain states. In the ordinary course of our business, we have assembled commitments from twelve surety providers in the amount of \$1.2 billion, of which we had \$300 million outstanding as of September 30, 2011. The availability, terms and conditions, and pricing of such bonding capacity is dependent on, among other things, continued financial strength and stability of the insurance company affiliates providing such bonding capacity, the general availability of such capacity and our corporate credit rating. If such bonding capacity is unavailable, or alternatively, if the terms and conditions and pricing of such bonding capacity are unacceptable to us, our vacation ownership business could be negatively impacted.

Our liquidity position may also be negatively affected by unfavorable conditions in the capital markets in which we operate or if our vacation ownership contract receivables portfolios do not meet specified portfolio credit parameters. Our liquidity as it relates to our vacation ownership contract receivables securitization program could be adversely affected if we were to fail to renew or replace our conduit facility on its expiration date, or if a particular receivables pool were to fail to meet certain ratios, which could occur in certain instances if the default rates or other credit metrics of the underlying vacation ownership contract receivables deteriorate. Our ability to sell securities backed by our vacation ownership contract receivables depends on the continued ability and willingness of capital market participants to invest in such securities.

As of September 30, 2011, we had \$382 million of availability under our asset-backed bank conduit facility. Any disruption to the asset-backed or commercial paper markets could adversely impact our ability to obtain such financings.

Our senior unsecured debt is rated BBB- by Standard and Poor's ("S&P"). During February 2010, S&P assigned a "stable outlook" to our senior unsecured debt. During February 2010, Moody's Investors Service upgraded our senior unsecured debt rating to Ba1 and during September 2010, assigned a "positive outlook". A security rating is not a recommendation to buy, sell or hold securities and is subject to revision or withdrawal by the assigning rating organization. Reference in this report to any such credit rating is intended for the limited purpose of discussing or referring to aspects of our liquidity and of our costs of funds. Any reference to a credit rating is not intended to be any guarantee or assurance of, nor should there be any undue reliance upon, any credit rating or change in credit rating, nor is any such reference intended as any inference concerning future performance, future liquidity or any future credit rating.

## **SEASONALITY**

We experience seasonal fluctuations in our net revenues and net income from our franchise and management fees, commission income earned from renting vacation properties, annual subscription fees or annual membership dues, as applicable, and exchange and member-related transaction fees and sales of VOIs. Revenues from franchise and management fees are generally higher in the second and third quarters than in the first or fourth quarters, because of increased leisure travel during the summer months. Revenues from vacation rentals are generally highest in the third quarter, when vacation rentals are highest. Revenues from vacation exchange and member-related transaction fees are generally highest in the first quarter, which is generally when members of our vacation exchange business plan and book their vacations for the year. Revenues from sales of VOIs are generally higher in the second and third quarters than in other quarters. The seasonality of our business may cause fluctuations in our quarterly operating results. As we expand into new markets and geographical locations, we may experience increased or different seasonality dynamics that create fluctuations in operating results different from the fluctuations we have experienced in the past.

## **SEPARATION ADJUSTMENTS AND TRANSACTIONS WITH FORMER PARENT AND SUBSIDIARIES**

### ***Transfer of Cendant Corporate Liabilities and Issuance of Guarantees to Cendant and Affiliates***

Pursuant to the Separation and Distribution Agreement, upon the distribution of our common stock to Cendant shareholders, we entered into certain guarantee commitments with Cendant (pursuant to the assumption of certain liabilities and the obligation to indemnify Cendant, Realogy and Travelport for such liabilities) and guarantee commitments related to deferred compensation arrangements with each of Cendant and Realogy. These guarantee arrangements primarily relate to certain contingent litigation liabilities, contingent tax liabilities, and Cendant contingent and other corporate liabilities, of

which we assumed and are responsible for 37.5%, while Realogy is responsible for the remaining 62.5%. The remaining amount of liabilities which we assumed in connection with the Separation was \$49 million and \$78 million as of September 30, 2011 and December 31, 2010, respectively. These amounts were comprised of certain Cendant corporate liabilities which were recorded on the books of Cendant as well as additional liabilities which were established for guarantees issued at the date of Separation related to certain unresolved contingent matters and certain others that could arise during the guarantee period. Regarding the guarantees, if any of the companies responsible for all or a portion of such liabilities were to default in its payment of costs or expenses related to any such liability, we would be responsible for a portion of the defaulting party or parties' obligation(s). We also provided a default guarantee related to certain deferred compensation arrangements related to certain current and former senior officers and directors of Cendant, Realogy and Travelport. These arrangements have been valued upon the Separation in accordance with the guidance for guarantees and recorded as liabilities on the Consolidated Balance Sheets. To the extent such recorded liabilities are not adequate to cover the ultimate payment amounts, such excess will be reflected as an expense to the results of operations in future periods.

As a result of the sale of Realogy on April 10, 2007, Realogy was required to post a letter of credit in an amount acceptable to us and Avis Budget Group to satisfy its obligations for the Cendant legacy contingent liabilities. As of September 30, 2011, the letter of credit was \$100 million.

As of September 30, 2011, the \$49 million of Separation related liabilities is comprised of \$40 million for tax liabilities, \$4 million for liabilities of previously sold businesses of Cendant, \$3 million for other contingent and corporate liabilities and \$2 million of liabilities where the calculated guarantee amount exceeded the contingent liability assumed at the Separation Date. In connection with these liabilities, \$19 million is recorded in current due to former Parent and subsidiaries and \$28 million is recorded in long-term due to former Parent and subsidiaries as of September 30, 2011 on the Consolidated Balance Sheet. We will indemnify Cendant for these contingent liabilities and therefore any payments made to the third party would be through the former Parent. The \$2 million relating to guarantees is recorded in other current liabilities as of September 30, 2011 on the Consolidated Balance Sheet. The actual timing of payments relating to these liabilities is dependent on a variety of factors beyond our control. See Contractual Obligations for the estimated timing of such payments. In addition, as of September 30, 2011, we had \$2 million of receivables due from former Parent and subsidiaries primarily relating to income taxes, which is recorded in other current assets on the Consolidated Balance Sheet. Such receivables totaled \$4 million as of December 31, 2010.

See Item 1A. Risk Factors for further information related to contingent liabilities.

## CONTRACTUAL OBLIGATIONS

The following table summarizes our future contractual obligations for the twelve month periods set forth below:

	10/1/11- 9/30/12	10/1/12- 9/30/13	10/1/13- 9/30/14	10/1/14- 9/30/15	10/1/15- 9/30/16	Thereafter	Total
Securitized debt (a)	\$ 179	\$ 213	\$ 353	\$ 184	\$ 181	\$ 620	\$ 1,730

Interest on securitized and long-term debt (b)	213	207	196	179	171	177	1,143
Operating leases	80	59	41	41	38	253	512
Other purchase commitments (c)	217	24	9	4	3	133	390
Contingent liabilities (d)	21	28	—	—	—	—	49

(a) Represents debt that is securitized through bankruptcy-remote SPEs, the creditors to which have no recourse to us for principal and interest.

(b) Estimated using the stated interest rates on our long-term debt and the swapped interest rates on our securitized debt.

(c) Primarily represents commitments for the development of vacation ownership properties. Total includes approximately \$100 million of vacation ownership development commitments, which we may terminate at minimal cost.

(d) Primarily represents certain contingent litigation liabilities, contingent tax liabilities and 37.5% of Cendant contingent and other corporate liabilities, which we assumed and are responsible for pursuant to our separation from Cendant.

(e) Excludes \$24 million of our liability for unrecognized tax benefits associated with the guidance for uncertainty in income taxes since it is not reasonably estimable to determine the periods in which such liability would be settled with the respective tax authorities.

## CRITICAL ACCOUNTING POLICIES

In presenting our financial statements in conformity with generally accepted accounting principles, we are required to make estimates and assumptions that affect the amounts reported therein. Several of the estimates and assumptions we are required to make relate to matters that are inherently uncertain as they pertain to future events. However, events that are outside of our control cannot be predicted and, as such, they cannot be contemplated in evaluating such estimates and assumptions. If there is a significant unfavorable change to current conditions, it could result in a material adverse impact

to our consolidated results of operations, financial position and liquidity. We believe that the estimates and assumptions we used when preparing our financial statements were the most appropriate at that time. These Consolidated Financial Statements should be read in conjunction with the audited Consolidated Financial Statements included in the Annual Report filed on Form 10-K with the SEC on February 22, 2011, which includes a description of our critical accounting policies that involve subjective and complex judgments that could potentially affect reported results. While there have been no material changes to our critical accounting policies as to the methodologies or assumptions we apply under them, we continue to monitor such methodologies and assumptions.

**Item 3. Quantitative and Qualitative Disclosures About Market Risks.**

We assess our market risk based on changes in interest and foreign currency exchange rates utilizing a sensitivity analysis that measures the potential impact in earnings, fair values and cash flows based on a hypothetical 10% change (increase and decrease) in interest and foreign currency rates. We used September 30, 2011 market rates to perform a sensitivity analysis separately for each of our market risk exposures. The estimates assume instantaneous, parallel shifts in interest rate yield curves and exchange rates. We have determined, through such analyses, that the impact of a 10% change in interest and foreign currency exchange rates and prices on our earnings, fair values and cash flows would not be material.

**Item 4. Controls and Procedures.**

- (a) *Disclosure Controls and Procedures.* Our management, with the participation of our Chairman and Chief Executive Officer and Chief Financial Officer, has evaluated the effectiveness of our disclosure controls and procedures (as such term is defined in Rule 13a-15(e) under the Securities Exchange Act of 1934, as amended (the "Exchange Act")) as of the end of the period covered by this report. Based on such evaluation, our Chairman and Chief Executive Officer and Chief Financial Officer have concluded that, as of the end of such period, our disclosure controls and procedures are effective.
- (b) *Internal Control Over Financial Reporting.* There have been no changes in our internal control over financial reporting (as such term is defined in Rule 13a-15(f) under the Exchange Act) during the period to which this report relates that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

**PART II—OTHER INFORMATION**

**Item 1. Legal Proceedings.**

We are involved in various claims and lawsuits arising in the ordinary course of business, none of which, in the opinion of management, is expected to have a material adverse effect on our results of operations or financial condition. See Note 12 to the Consolidated Financial Statements for a description of claims and legal actions arising in the ordinary course of our business.

**Item 1A. RISK FACTORS.**

Before you invest in our securities you should carefully consider each of the following risk factors and all of the other information provided in this report. We believe that the following information identifies the most significant risks that may impact us. However, the risks and uncertainties we face are not limited to those set forth in the risk factors described below. Additional risks and uncertainties not presently known to us or that we currently believe to be immaterial may also adversely affect our business. In addition, past financial performance may not be a reliable indicator of future performance and historical trends should not be used to anticipate results or trends in future periods. If any of the following risks and uncertainties develops into an actual event, the event could have a material adverse effect on our business, financial condition or results of operations. In such case, the market price of our common stock could decline.

**The hospitality industry is highly competitive and we are subject to risks relating to competition that may adversely affect our performance.**

We will be adversely impacted if we cannot compete effectively in the highly competitive hospitality industry. Our continued success depends upon our ability to compete effectively in markets that contain numerous competitors, some of which may have significantly greater financial, marketing and other resources than we have. Competition may reduce fee structures, potentially causing us to lower our fees or prices, which may adversely impact our profits. New competition or existing competition that uses a business model that is different from our business model may put pressure on us to change our model so that we can remain competitive.

**Our revenues are highly dependent on the travel industry and declines in or disruptions to the travel industry, such as those caused by economic slowdown, terrorism, political strife, acts of God and war may adversely affect us.**

Declines in or disruptions to the travel industry may adversely impact us. Risks affecting the travel industry include: economic slowdown and recession; economic factors, such as increased costs of living and reduced discretionary income, adversely impacting consumers' and businesses' decisions to use and consume travel services and products; terrorist incidents and threats (and associated heightened travel security measures); political strife; acts of God (such as earthquakes, hurricanes, fires, floods, volcanoes and other natural disasters); war; pandemics or threat of pandemics (such as the H1N1 flu); environmental disasters (such as the Gulf of Mexico oil spill); increased pricing, financial instability and capacity constraints of air carriers; airline job actions and strikes; and increases in gasoline and other fuel prices.

**We are subject to operating or other risks common to the hospitality industry.**

Our business is subject to numerous operating or other risks common to the hospitality industry including:

- changes in operating costs, including inflation, energy, labor costs (including minimum wage increases and unionization), workers' compensation and health-care related costs and insurance;
- changes in desirability of geographic regions of the hotels or resorts in our business;
- changes in the supply and demand for hotel rooms, vacation exchange and rental services and vacation ownership services and products;
- seasonality in our businesses, which may cause fluctuations in our operating results;
- geographic concentrations of our operations and customers;
- increases in costs due to inflation that may not be fully offset by price and fee increases in our business;
- availability of acceptable financing and cost of capital as they apply to us, our customers, current and potential hotel franchisees and developers, owners of hotels with which we have hotel management contracts, our RCI affiliates and other developers of vacation ownership resorts;
- our ability to securitize the receivables that we originate in connection with sales of vacation ownership interests;
- the risk that purchasers of vacation ownership interests who finance a portion of the purchase price default on their loans due to adverse macro or personal economic conditions or otherwise, which would increase loan loss reserves and adversely affect loan portfolio performance; that if such defaults occur during the early part of the loan amortization period we will not have recovered the marketing, selling, administrative and other costs associated with such vacation ownership interests; such costs will be incurred again in connection with the resale of the repossessed vacation ownership interest; and the value we recover in a default is not, in all instances, sufficient to cover the outstanding debt;
- the quality of the services provided by franchisees, our vacation exchange and rentals business, resorts with units that are exchanged through our vacation exchange business and/or resorts in which we sell vacation ownership interests may adversely affect our image and reputation;
- our ability to generate sufficient cash to buy from third-party suppliers the products that we need to provide to the participants in our points programs who want to redeem points for such products;
- overbuilding in one or more segments of the hospitality industry and/or in one or more geographic regions;
- changes in the number and occupancy and room rates of hotels operating under franchise and management agreements;
- changes in the relative mix of franchised hotels in the various lodging industry price categories;
- our ability to develop and maintain positive relations and contractual arrangements with current and potential franchisees, hotel owners, vacation exchange members, vacation ownership interest owners, resorts with units that are exchanged through our vacation exchange business and/or owners of vacation properties that our vacation rentals business markets for rental;
- the availability of and competition for desirable sites for the development of vacation ownership properties; difficulties associated with obtaining entitlements to develop vacation ownership properties; liability under state and local laws with respect to any construction defects in the vacation ownership properties we develop;

and our ability to adjust our pace of completion of resort development relative to the pace of our sales of the underlying vacation ownership interests;

- our ability to adjust our business model to generate greater cash flow and require less capital expenditures;
- private resale of vacation ownership interests, which could adversely affect our vacation ownership resorts and vacation exchange businesses;
- revenues from our lodging business are indirectly affected by our franchisees' pricing decisions;
- organized labor activities and associated litigation;
- maintenance and infringement of our intellectual property;
- the bankruptcy or insolvency of any one of our customers, which could impair our ability to collect outstanding fees or other amounts due or otherwise exercise our contractual rights;
- increases in the use of third-party Internet services to book online hotel reservations; and
- disruptions in relationships with third parties, including marketing alliances and affiliations with e-commerce channels.

**We may not be able to achieve our growth objectives.**

We may not be able to achieve our growth objectives for increasing our cash flows, the number of franchised and/or managed properties in our lodging business, the number of vacation exchange members in our vacation exchange business, the number of rental weeks sold by our vacation rentals business and the number of tours generated and vacation ownership interests sold by our vacation ownership business.

We may be unable to identify acquisition targets that complement our businesses, and if we are able to identify suitable acquisition targets, we may not be able to complete acquisitions on commercially reasonable terms. Our ability to complete acquisitions depends on a variety of factors, including our ability to obtain financing on acceptable terms and requisite government approvals. If we are able to complete acquisitions, there is no assurance that we will be able to achieve the revenue and cost benefits that we expected in connection with such acquisitions or to successfully integrate the acquired businesses into our existing operations.

**Our international operations are subject to risks not generally applicable to our domestic operations.**

Our international operations are subject to numerous risks including exposure to local economic conditions; potential adverse changes in the diplomatic relations of foreign countries with the U.S.; hostility from local populations; restrictions and taxes on the withdrawal of foreign investment and earnings; government policies against businesses owned by foreigners; investment restrictions or requirements; diminished ability to legally enforce our contractual rights in foreign countries; foreign exchange restrictions; fluctuations in foreign currency exchange rates; local laws might conflict with U.S. laws; withholding and other taxes on remittances and other payments by subsidiaries; and changes in and application of foreign taxation structures including value added taxes.

**We are subject to risks related to litigation filed by or against us.**

We are subject to a number of legal actions and the risk of future litigation as described under "Legal Proceedings". We cannot predict with certainty the ultimate outcome and related damages and costs of litigation and other proceedings filed by or against us. Adverse results in litigation and other proceedings may harm our business.

**We are subject to certain risks related to our indebtedness, hedging transactions, our securitization of certain of our assets, our surety bond requirements, the cost and availability of capital and the extension of credit by us.**

We are a borrower of funds under our credit facilities, credit lines, senior notes and securitization financings. We extend credit when we finance purchases of vacation ownership interests. We use financial instruments to reduce or hedge our financial exposure to the effects of currency and interest rate fluctuations. We are required to post surety bonds in connection with our development activities. In connection with our debt obligations, hedging transactions, the securitization of certain of our assets, our surety bond requirements, the cost and availability of capital and the extension of credit by us, we are subject to numerous risks including:

- our cash flows from operations or available lines of credit may be insufficient to meet required payments of principal and interest, which could result in a default and acceleration of the underlying debt;

- if we are unable to comply with the terms of the financial covenants under our revolving credit facility, including a breach of the financial ratios or tests, such non-compliance could result in a default and acceleration of the underlying revolver debt and under other debt instruments that contain cross-default provisions;
- our leverage may adversely affect our ability to obtain additional financing;
- our leverage may require the dedication of a significant portion of our cash flows to the payment of principal and interest thus reducing the availability of cash flows to fund working capital, capital expenditures or other operating needs;
- increases in interest rates;
- rating agency downgrades for our debt that could increase our borrowing costs;
- failure or non-performance of counterparties to foreign exchange and interest rate hedging transactions;
- we may not be able to securitize our vacation ownership contract receivables on terms acceptable to us because of, among other factors, the performance of the vacation ownership contract receivables, adverse conditions in the market for vacation ownership loan-backed notes and asset-backed notes in general and the risk that the actual amount of uncollectible accounts on our securitized vacation ownership contract receivables and other credit we extend is greater than expected;
- our securitizations contain portfolio performance triggers which, if violated, may result in a disruption or loss of cash flow from such transactions;
- a reduction in commitments from surety bond providers which may impair our vacation ownership business by requiring us to escrow cash in order to meet regulatory requirements of certain states;
- prohibitive cost and inadequate availability of capital could restrict the development or acquisition of vacation ownership resorts by us and the financing of purchases of vacation ownership interests; and
- if interest rates increase significantly, we may not be able to increase the interest rate offered to finance purchases of vacation ownership interests by the same amount of the increase.

**Economic conditions affecting the hospitality industry, the global economy and credit markets generally may adversely affect our business and results of operations, our ability to obtain financing and/or securitize our receivables on reasonable and acceptable terms, the performance of our loan portfolio and the market price of our common stock.**

The future economic environment for the hospitality industry and the global economy may continue to be challenged. The hospitality industry has experienced and may continue to experience significant downturns in connection with, or in anticipation of, declines in general economic conditions. The current economy has been characterized by higher unemployment, lower family income, lower business investment and lower consumer spending, leading to lower demand for hospitality services and products. Declines in consumer and commercial spending may adversely affect our revenues and profits.

Uncertainty in the equity and credit markets may negatively affect our ability to access short-term and long-term financing on reasonable terms or at all, which would negatively impact our liquidity and financial condition. In addition, if one or more of the financial institutions that support our existing credit facilities fails, we may not be able to find a replacement, which would negatively impact our ability to borrow under the credit facilities. Disruptions in the financial markets may adversely affect our credit rating and the market value of our common stock. If we are unable to refinance, if necessary, our outstanding debt when due, our results of operations and financial condition will be materially and adversely affected.

While we believe we have adequate sources of liquidity to meet our anticipated requirements for working capital, debt service and capital expenditures for the foreseeable future, if our cash flow or capital resources prove inadequate we could face liquidity problems that could materially and adversely affect our results of operations and financial condition.

Our liquidity as it relates to our vacation ownership contract receivables securitization program could be adversely affected if we were to fail to renew or replace our securitization warehouse conduit facility on its renewal date or if a particular receivables pool were to fail to meet certain ratios, which could occur in certain instances if the default rates or other credit metrics of the underlying vacation ownership contract receivables deteriorate. Our ability to sell securities backed by our vacation ownership contract receivables depends on the continued ability and willingness of capital market participants to invest in such securities. It is possible that asset-backed securities issued pursuant to our securitization programs could in the future be downgraded by credit agencies. If a downgrade occurs, our ability to complete other securitization transactions

on acceptable terms or at all could be jeopardized, and we could be forced to rely on other potentially more expensive and less attractive funding sources, to the extent available, which would decrease our profitability and may require us to adjust our business operations accordingly, including reducing or suspending our financing to purchasers of vacation ownership interests.

**Our businesses are subject to extensive regulation and the cost of compliance or failure to comply with such regulations may adversely affect us.**

Our businesses are heavily regulated by federal, state and local governments in the countries in which our operations are conducted. In addition, domestic and foreign federal, state and local regulators may enact new laws and regulations that may reduce our revenues, cause our expenses to increase and/or require us to modify substantially our business practices. If we are not in compliance with applicable laws and regulations, including, among others, those governing franchising, timeshare, lending, privacy, marketing and sales, unfair and deceptive trade practices, telemarketing, licensing, labor, employment, health care, health and safety, accessibility, immigration, gaming, environmental (including climate change), and regulations applicable under the Office of Foreign Asset Control and the Foreign Corrupt Practices Act (and local equivalents in international jurisdictions), we may be subject to regulatory investigations or actions, fines, penalties and potential criminal prosecution.

**We are subject to risks related to corporate responsibility.**

Many factors influence our reputation and the value of our brands including perceptions of us held by our key stakeholders and the communities in which we do business. Businesses face increasing scrutiny of the social and environmental impact of their actions and there is a risk of damage to our reputation and the value of our brands if we fail to act responsibly or comply with regulatory requirements in a number of areas such as safety and security, sustainability, responsible tourism, environmental management, human rights and support for local communities.

**We are dependent on our senior management.**

We believe that our future growth depends, in part, on the continued services of our senior management team. Losing the services of any members of our senior management team could adversely affect our strategic and customer relationships and impede our ability to execute our business strategies.

**Our inability to adequately protect and maintain our intellectual property could adversely affect our business.**

Our inability to adequately protect and maintain our trademarks, trade dress and other intellectual property rights could adversely affect our business. We generate, maintain, utilize and enforce a substantial portfolio of trademarks, trade dress and other intellectual property that are fundamental to the brands that we use in all of our businesses. There can be no assurance that the steps we take to protect our intellectual property will be adequate. Any event that materially damages the reputation of one or more of our brands could have an adverse impact on the value of that brand and subsequent revenues from that brand. The value of any brand is influenced by a number of factors, including consumer preference and perception and our failure to ensure compliance with brand standards.

**Disasters, disruptions and other impairment of our information technologies and systems could adversely affect our business.**

Any disaster, disruption or other impairment in our technology capabilities could harm our business. Our businesses depend upon the use of sophisticated information technologies and systems, including technology and systems utilized for reservation systems, vacation exchange systems, hotel/property management, communications, procurement, member record databases, call centers, operation of our loyalty programs and administrative systems. The operation, maintenance and updating of these technologies and systems are dependent upon internal and third-party technologies, systems and services for which there are no assurances of uninterrupted availability or adequate protection.

**Failure to maintain the security of personally identifiable and other information, non-compliance with our contractual or other legal obligations regarding such information, or a violation of the Company's privacy and security policies with respect to such information, could adversely affect us.**

In connection with our business, we and our service providers collect and retain significant volumes of certain types of personally identifiable and other information pertaining to our customers, stockholders and employees. The legal, regulatory and contractual environment surrounding information security and privacy is constantly evolving and the hospitality industry is under increasing attack by cyber-criminals in the U.S. and other jurisdictions in which we operate. A significant actual or potential theft, loss, fraudulent use or misuse of customer, stockholder, employee or our data by cybercrime or

otherwise, non-compliance with our contractual or other legal obligations regarding such data or a violation of our privacy and security policies with respect to such data could adversely impact our reputation and could result in significant costs, fines, litigation or regulatory action against us.

**The market price of our shares may fluctuate.**

The market price of our common stock may fluctuate depending upon many factors, some of which may be beyond our control, including our quarterly or annual earnings or those of other companies in our industry; actual or anticipated fluctuations in our operating results due to seasonality and other factors related to our business; changes in accounting principles or rules; announcements by us or our competitors of significant acquisitions or dispositions; the failure of securities analysts to cover our common stock; changes in earnings estimates by securities analysts or our ability to meet those estimates; the operating and stock price performance of comparable companies; overall market fluctuations; and general economic conditions. Stock markets in general have experienced volatility that has often been unrelated to the operating performance of a particular company. These broad market fluctuations may adversely affect the trading price of our common stock.

**Your percentage ownership in Wyndham Worldwide may be diluted in the future.**

Your percentage ownership in Wyndham Worldwide may be diluted in the future because of equity awards that we expect will be granted over time to our directors, officers and employees as well as due to the exercise of options. In addition, our Board may issue shares of our common and preferred stock, and debt securities convertible into shares of our common and preferred stock, up to certain regulatory thresholds without shareholder approval.

**Provisions in our certificate of incorporation and by-laws and under Delaware law may prevent or delay an acquisition of our Company, which could impact the trading price of our common stock.**

Our certificate of incorporation and by-laws and Delaware law contain provisions that are intended to deter coercive takeover practices and inadequate takeover bids by making such practices or bids unacceptably expensive and to encourage prospective acquirers to negotiate with our Board rather than to attempt a hostile takeover. These provisions include a Board of Directors that is divided into three classes with staggered terms; elimination of the right of our stockholders to act by written consent; rules regarding how stockholders may present proposals or nominate directors for election at stockholder meetings; the right of our Board to issue preferred stock without stockholder approval; and limitations on the right of stockholders to remove directors. Delaware law also imposes restrictions on mergers and other business combinations between us and any holder of 15% or more of our outstanding shares of common stock.

**We cannot provide assurance that we will continue to pay dividends.**

There can be no assurance that we will have sufficient surplus under Delaware law to be able to continue to pay dividends. This may result from extraordinary cash expenses, actual expenses exceeding contemplated costs, funding of capital expenditures, increases in reserves or lack of available capital. Our Board of Directors may also suspend the payment of dividends if the Board deems such action to be in the best interests of the Company or stockholders. If we do not pay dividends, the price of our common stock must appreciate for you to realize a gain on your investment in Wyndham Worldwide. This appreciation may not occur and our stock may in fact depreciate in value.

**We are responsible for certain of Cendant's contingent and other corporate liabilities.**

Under the separation agreement and the tax sharing agreement that we executed with Cendant (now Avis Budget Group) and former Cendant units, Realogy and Travelport, we and Realogy generally are responsible for 37.5% and 62.5%, respectively, of certain of Cendant's contingent and other corporate liabilities and associated costs, including certain contingent and other corporate liabilities of Cendant and/or its subsidiaries to the extent incurred on or prior to August 23, 2006, including liabilities relating to certain of Cendant's terminated or divested businesses, the Travelport sale, the Cendant litigation described in this report, actions with respect to the separation plan and payments under certain contracts that were not allocated to any specific party in connection with the separation.

If any party responsible for the liabilities described above were to default on its obligations, each non-defaulting party (including Avis Budget) would be required to pay an equal portion of the amounts in default. Accordingly, we could, under certain circumstances, be obligated to pay amounts in excess of our share of the assumed obligations related to such liabilities including associated costs. On or about April 10, 2007, Realogy Corporation was acquired by affiliates of Apollo Management VI, L.P. and its stock is no longer publicly traded. The acquisition does not negate Realogy's obligation to satisfy 62.5% of such contingent and other corporate liabilities of Cendant or its subsidiaries pursuant to the terms of the separation agreement. As a result of the acquisition, however, Realogy has greater debt obligations and its ability to satisfy

its portion of these liabilities may be adversely impacted. In accordance with the terms of the separation agreement, Realogy posted a letter of credit in April 2007 for our and Cendant's benefit to cover its estimated share of the assumed liabilities discussed above, although there can be no assurance that such letter of credit will be sufficient to cover Realogy's actual obligations if and when they arise.

**We may be required to write-off all or a portion of the remaining value of our goodwill or other intangibles of companies we have acquired.**

Under generally accepted accounting principles, we review our intangible assets, including goodwill, for impairment at least annually or when events or changes in circumstances indicate the carrying value may not be recoverable. Factors that may be considered a change in circumstances, indicating that the carrying value of our goodwill or other intangible assets may not be recoverable, include a sustained decline in our stock price and market capitalization, reduced future cash flow estimates and slower growth rates in our industry. We may be required to record a significant non-cash impairment charge in our financial statements during the period in which any impairment of our goodwill or other intangible assets is determined, negatively impacting our results of operations and stockholders' equity.

**Item 2. Unregistered Sales of Equity Securities and Use of Proceeds.**

(\*) Includes 223,329 shares purchased for which the trade date occurred during September 2011 while settlement occurred during October 2011.

We expect to generate annual net cash provided by operating activities less capital expenditures, equity investments and development advances of approximately \$600 million to \$700 million, annually, beginning in 2011. A portion of this cash flow is expected to be returned to our shareholders in the form of share repurchases and dividends. On August 20, 2007, our Board of Directors authorized a stock repurchase program that enabled us to purchase up to \$200 million of our common stock. On July 22, 2010, the Board increased the authorization for the stock repurchase program by \$300 million and, on April 25, 2011 and August 11, 2011, further increased the authorization by \$500 million. As a result of such increases, total authorization under the program was \$1.5 billion as of September 30, 2011. During the third quarter of 2011, repurchase capacity increased \$1 million from proceeds received from stock option exercises. Such repurchase capacity will continue to be increased by proceeds received from future stock option exercises.

During the period October 1, 2011 through October 25, 2011, we repurchased an additional 1.4 million shares at an average price of \$29.19. We currently have \$553 million remaining availability in our program. The amount and timing of specific repurchases are subject to market conditions, applicable legal requirements and other factors. Repurchases may be conducted in the open market or in privately negotiated transactions.

(a) Each Revolving Credit Loan shall be made as part of a Borrowing consisting of Loans made by the Lenders ratably in accordance with their Revolving Commitments; provided, however, that the failure of any Lender to make any Revolving Credit Loan shall not in itself relieve any other Lender of its obligation to lend hereunder (it being understood, however, that no Lender shall be responsible for the failure of any other Lender to make any Loan required to be made by such other Lender). Each Competitive Loan shall be made in accordance with the procedures set forth in Section 2.7. The Loans comprising any Borrowing shall be (i) in the case of Competitive Loans and LIBOR Loans, in an aggregate principal amount that is an integral multiple of \$1,000,000 and not less than \$5,000,000 and (ii) in the case of ABR Loans, in an aggregate principal amount that is an integral multiple of \$500,000 and not less than \$5,000,000 (or, in the case of clause (i) and clause (ii) above with respect to Revolving Credit Loans, if less, an aggregate principal amount equal to the remaining balance of the available Total Revolving Commitment). (c) Subject to Section 2.3, each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by making funds available at the Funding Office no later than 1:00 P.M. If no Interest Period with respect to any LIBOR Borrowing is specified in any such notice, then the Borrower or the relevant Domestic Subsidiary Borrower shall be deemed to have selected an Interest Period of one month's duration. Each Revolving Lender shall make the amount of such Revolving Credit Loan available to the Administrative Agent at the Funding Office in immediately available funds, not later than 10:00 A.M., New York City time, one Business Day after the date of such notice. The proceeds of such Revolving Credit Loans shall be immediately made available by the Administrative Agent to the Swingline Lender for application by the Swingline Lender to the repayment of the Refunded Swingline Loans. The Borrower irrevocably authorizes the Swingline Lender to charge the Borrower's accounts with the Administrative Agent (up to the amount available in each such account) in order to immediately pay the amount of such Refunded Swingline Loans to the extent amounts received from the Revolving Lenders are not sufficient to repay in full such Refunded Swingline Loans.

(c) If prior to the time a Revolving Credit Loan would have otherwise been made pursuant to Section 2.6(b), one of the events described in Section 7(f) or (g) shall have occurred and be continuing with respect to the Borrower or if for any other reason, as determined by the Swingline Lender in its sole discretion, Revolving Credit Loans may not be made as contemplated by Section 2.6(b), each Revolving Lender shall, on the date such Revolving Credit Loan was to have been made pursuant to the notice referred to in Section 2.6(b), purchase for cash an undivided participating interest in the then outstanding Swingline Loans by paying to the Swingline Lender an amount (the "Swingline Participation Amount") equal to (i) such Revolving Lender's Revolving Percentagetimes (ii) the sum of the aggregate principal amount of Swingline Loans then outstanding that were to have been repaid with such Revolving Credit Loans.

(d) Whenever, at any time after the Swingline Lender has received from any Revolving Lender such Lender's Swingline Participation Amount, the Swingline Lender receives any payment on account of the Swingline Loans, the Swingline Lender will distribute to such Lender its Swingline Participation Amount (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's participating interest was outstanding and funded and, in the case of principal and interest payments, to reflect such Lender's pro rata portion of such payment if such payment is not sufficient to pay the principal of and interest on all Swingline Loans then due); provided, however, that in the event that such payment received by the Swingline Lender is required to be returned, such Revolving Lender will return to the Swingline Lender any portion thereof previously distributed to it by the Swingline Lender.

(e) Each Revolving Lender's obligation to make the Loans referred to in Section 2.6(b) and to purchase participating interests pursuant to Section 2.6(c) shall be absolute and unconditional and shall not be affected by any circumstance, including (i) any setoff, counterclaim, recoupment, defense or other right that such Revolving Lender or the Borrower may have against the Swingline Lender, the Borrower or any other Person for any reason whatsoever, (ii) the occurrence or continuance of a Default or an Event of Default or the failure to satisfy any of the other conditions specified in Section 4, (iii) any adverse change in the condition (financial or otherwise) of the Borrower, (iv) any breach of this Agreement or any other Fundamental Document by the Borrower, any other Loan Party or any other Revolving Lender or (v) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing.

SECTION 2.7. Competitive Bid Procedure — Competitive Loans.

(a) In order to request Competitive Bids for Competitive Loans, the Borrower or any Subsidiary Borrower shall hand deliver or telecopy to the Administrative Agent a duly completed Competitive Bid Request in the form of Exhibit D-1, to be received by the Administrative Agent (i) in the case of a LIBOR Competitive Loan, not later than 10:00 A.M., New York City time, four Business Days before a proposed Competitive Borrowing, (ii) in the case of a Local Fixed Rate Competitive Loan, not later than 10:00 A.M., New York City time, four Business Days before a proposed Competitive Borrowing and (iii) in the case of a Domestic Fixed Rate Competitive Loan, not later than 10:00 A.M., New York City time, four Business Days before a proposed Competitive Borrowing. No ABR Loan shall be requested in, or made pursuant to, a Competitive Bid Request. A Competitive Bid Request that does not conform substantially to the format of Exhibit D-1 may be rejected in the Administrative Agent's sole discretion, and the Administrative Agent shall promptly notify the Borrower or the relevant Subsidiary Borrower of such rejection by telecopier. Such request for Competitive Bids shall in each case refer to this Agreement and specify (i) whether the Borrowing then being requested is to be a LIBOR Borrowing or a Fixed Rate Borrowing, (ii) the date of such Borrowing (which shall be a Business Day) and the aggregate principal amount thereof, which shall be in a minimum principal amount of \$10,000,000 (or the Dollar Equivalent thereof) and in an integral multiple of \$5,000,000 (or the Dollar Equivalent thereof) (or if less, an aggregate principal amount equal to the remaining balance of the available Total Revolving Commitment), (iii) the Interest Period with respect thereto (which may not end after the Maturity Date), (iv) the Currency with respect thereto and (v) if such requested Borrowing is to consist of Local Competitive Loans, the jurisdiction in which such requested Borrowing is to be made. Promptly after its receipt of a Competitive Bid Request that is not rejected as aforesaid, the Administrative Agent shall invite by telecopier (in the form set forth in Exhibit D-2) the Revolving Lenders to bid, on the terms and subject to the conditions of this Agreement, to make Competitive Loans pursuant to the Competitive Bid Request.

(b) Each Revolving Lender may, in its sole discretion, make one or more Competitive Bids for Competitive Loans to the Borrower or any Subsidiary Borrower responsive to a Competitive Bid Request. Each Competitive Bid for a Competitive Loan by a Revolving Lender must be received by the Administrative Agent via telecopier, in the form of Exhibit D-3, (i) in the case of a LIBOR Competitive Loan, not later than 9:30 A.M., New York City time, three Business Days before a proposed Competitive Borrowing, (ii) in the case of a Local Fixed Rate Competitive Loan, not later than 9:30 A.M., New York City time, three Business Days before a proposed Competitive Borrowing, (iii) in the case of a Domestic Fixed Rate Competitive Loan, not later than 9:30 A.M., New York City time, three Business Days before a proposed Competitive Borrowing. Multiple bids will be accepted by the Administrative Agent. Competitive Bids for Competitive Loans that do not conform substantially to the format of Exhibit D-3 may be rejected by the Administrative Agent after conferring with, and upon the instruction of, the Borrower or the relevant Subsidiary Borrower, and the Administrative Agent shall notify the Lender making such nonconforming bid of such rejection as soon as practicable. Each Competitive Bid for a Competitive Loan shall refer to this Agreement and specify (i) the principal amount (which shall be in a minimum principal amount of \$10,000,000 (or the Dollar Equivalent thereof) and in an integral multiple of \$5,000,000 (or the Dollar Equivalent thereof) and which may equal the entire principal amount of the Competitive Borrowing requested by the Borrower or the relevant Subsidiary Borrower) of the Competitive Loan or Loans that the Lender is willing to make to the Borrower or the relevant Subsidiary Borrower, (ii) the Competitive Bid Rate or Rates at which the Lender is prepared to make the Competitive Loan or Loans, (iii) the Interest Period or Interest Periods with respect thereto and (iv) in the case of a Local Competitive Loan, the location of and contact information for the lending office. If any Revolving Lender shall elect not to make a Competitive Bid, such Lender shall so notify the Administrative Agent via telecopier (i) in the case of LIBOR Competitive Loans, not later than 9:30 A.M., New York City time, three Business Days before a proposed Competitive Borrowing, (ii) in the case of Local Fixed Rate

---

Competitive Loans, not later than 9:30 A.M., New York City time, three Business Days before the proposed Competitive Borrowing and (iii) in the case of Domestic Fixed Rate Competitive Loans, not later than 9:30 A.M., New York City time, three Business Days before a proposed Competitive Borrowing; provided, however, that failure by any Revolving Lender to give such notice shall not cause such Lender to be obligated to make any Competitive Loan as part of such proposed Competitive Borrowing. A Competitive Bid for a Competitive Loan submitted by a Lender pursuant to this paragraph (b) shall be irrevocable.

(c) The Administrative Agent shall promptly notify the Borrower or the relevant Subsidiary Borrower by telecopier of all the Competitive Bids made, the Competitive Bid Rate or Rates and the principal amount of each Competitive Loan in respect of which a Competitive Bid was made and the identity of the Lender that made each bid. The Administrative Agent shall send a copy of all Competitive Bids to the Borrower or the relevant Subsidiary Borrower for its records as soon as practicable after completion of the bidding process set forth in this Section 2.7.

(d) The Borrower or the relevant Subsidiary Borrower may in its sole and absolute discretion, subject only to the provisions of this paragraph (d), accept or reject any Competitive Bid referred to in paragraph (c) above. The Borrower or the relevant Subsidiary Borrower shall notify the Administrative Agent by telephone, promptly confirmed by telecopier in the form of a Competitive Bid Accept/Reject Letter whether and to what extent it has decided to accept or reject any or all of the bids referred to in paragraph (c) above, (i) in the case of a LIBOR Competitive Loan, not later than 10:30 A.M., New York City time, three Business Days before a proposed Competitive Borrowing, (ii) in the case of a Local Fixed Rate Borrowing, not later than 10:30 A.M., New York City time, three Business Days before a proposed Competitive Borrowing and (iii) in the case of a Domestic Fixed Rate Borrowing, not later than 10:30 A.M., New York City time, three Business Days before a proposed Competitive Borrowing; provided, however, that (A) the failure by the Borrower or the relevant Subsidiary Borrower to give such notice shall be deemed to be a rejection of all the bids referred to in paragraph (c) above, (B) the Borrower or the relevant Subsidiary Borrower shall not accept a bid made at a particular Competitive Bid Rate if the Borrower or the relevant Subsidiary Borrower has decided to reject a bid made at a lower Competitive Bid Rate, (C) the aggregate amount of the Competitive Bids accepted by the Borrower or the relevant Subsidiary Borrower shall not exceed the principal amount specified in the Competitive Bid Request, (D) if the Borrower or the relevant Subsidiary Borrower shall accept a bid or bids made at a particular Competitive Bid Rate but the amount of such bid or bids shall cause the total amount of bids to be accepted by the Borrower or the relevant Subsidiary Borrower to exceed the amount specified in the Competitive Bid Request, then the Borrower or such Subsidiary Borrower shall accept a portion of such bid or bids in an amount equal to the amount specified in the Competitive Bid Request less the amount of all other Competitive Bids accepted at lower Competitive Bid Rates with respect to such Competitive Bid Request (it being understood that acceptance in the case of multiple bids at such Competitive Bid Rate, shall be made pro rata in accordance with the amount of each such bid at such Competitive Bid Rate) and (E) except pursuant to clause (D) above, no bid shall be accepted for a Competitive Loan unless such Competitive Loan is in a minimum principal amount of \$10,000,000 (or the Dollar Equivalent thereof) and an integral multiple of \$5,000,000 (or the Dollar Equivalent thereof) (or if less, an aggregate principal amount equal to the remaining balance of the available Total Revolving Commitment); provided further, however, that if a Competitive Loan must be in an amount less than \$10,000,000 because of the provisions of clause (D) above, such Competitive Loan shall be in a minimum principal amount of \$1,000,000 (or the Dollar Equivalent thereof) or any integral multiple thereof, and in calculating the pro rata allocation of acceptances of portions of multiple bids at a particular Competitive Bid Rate pursuant to clause (D), the amounts shall be rounded to integral multiples of \$1,000,000 (or the Dollar Equivalent thereof) in a manner that shall be in the discretion of the Borrower or the relevant Subsidiary Borrower. A notice given by the Borrower or the relevant Subsidiary Borrower pursuant to this paragraph (d) shall be irrevocable.

---

(e) The Administrative Agent shall promptly notify each bidding Lender whether its Competitive Bid has been accepted (and if so, in what amount and at what Competitive Bid Rate) by telecopy sent by the Administrative Agent, and each successful bidder will thereupon become bound, subject to the other applicable conditions hereof, to make the Competitive Loan in respect of which its bid has been accepted. If the Borrower accepts one or more offers made by any Lender or Lenders, each such Lender shall, no later than 10:30 AM, New York City time, on the applicable day of each proposed Competitive Borrowing, make funds under its applicable Competitive Loan available to the Borrower in full. Upon repayment by the Borrower of any Competitive Loans, all payments shall be made directly to each respective Lender.

(f) No Competitive Bid Request shall be made within ten Business Days (or upon reasonable notice to the Lenders, such other number of days as Borrower and Administrative Agent may agree) of any other Competitive Bid Request. The Borrower and the Subsidiary Borrowers shall not be entitled to have more than four Competitive Bid Loans outstanding at any time.

(g) If the Administrative Agent shall elect to submit a Competitive Bid in its capacity as a Revolving Lender, it shall submit such bid directly to the Borrower or the relevant Subsidiary Borrower one quarter of an hour earlier than the latest time at which the other Revolving Lenders are required to submit their bids to the Administrative Agent pursuant to paragraph (b) above.

(h) The Borrower shall pay a non-refundable competitive loan fee in an amount equal to \$2,500 for each request by the Borrower or a Subsidiary Borrower for a Competitive Loan, regardless of whether such Competitive Loan is borrowed, such fees to be payable on the date of such request.

(i) All notices required by this Section 2.7 shall be given in accordance with Section 10.1.

#### SECTION 2.8. Refinancings.

The Borrower or any Subsidiary Borrower may refinance all or any part of any Borrowing with a Borrowing of the same Currency and of the same Interest Rate Type (or of the same or different Interest Rate Type, in the case of Loans denominated in Dollars) made pursuant to Section 2.7 or pursuant to a notice under Section 2.3, as applicable, subject to the conditions and limitations set forth herein and elsewhere in this Agreement, including refinancings of Competitive Borrowings with Revolving Credit Borrowings and Revolving Credit Borrowings with Competitive Borrowings; provided, however, that at any time after the occurrence, and during the continuation, of a Default or an Event of Default, a Borrowing (other than a Competitive Borrowing) or portion thereof may only be refinanced with an ABR Borrowing. Any Borrowing or part thereof so refinanced shall be deemed to be repaid in accordance with Section 2.10 with the proceeds of a new Borrowing hereunder and the proceeds of the new Borrowing, to the extent they do not exceed the principal amount of the Borrowing being refinanced, shall not be paid by the Lenders to the Administrative Agent or by the Administrative Agent to the Borrower or the relevant Subsidiary Borrower pursuant to Section 2.2(c); provided, however, that (a) if the principal amount extended by a Lender in a refinancing is greater than the principal amount extended by such Lender in the Borrowing being refinanced, then such Lender shall pay such difference to the Administrative Agent for distribution to the Borrower or the relevant Subsidiary Borrower or any Lenders described in clause (b) below, as applicable, (b) if the principal amount extended by a Lender in the Borrowing being refinanced is greater than the principal amount being extended by such Lender in the refinancing, the Administrative Agent shall return the difference to such Lender out of amounts received pursuant to clause (a) above, (c) to the extent any Lender fails to pay the Administrative Agent amounts due from it pursuant to clause (a) above, any Loan or portion thereof being refinanced with such amounts shall not be deemed repaid in accordance with this Section 2.8 and, to the extent of such failure, the

---

Borrower or the relevant Subsidiary Borrower shall pay such amount to the Administrative Agent as required by Section 2.12, and (d) to the extent the Borrower or the relevant Subsidiary Borrower fails to pay to the Administrative Agent any amounts due in accordance with Section 2.12 as a result of the failure of a Lender to pay the Administrative Agent any amounts due as described in clause (c) above, the portion of any refinanced Loan deemed not repaid shall be deemed to be outstanding solely to the Lender which has failed to pay the Administrative Agent amounts due from it pursuant to clause (a) above to the full extent of such Lender's portion of such Loan.

**SECTION 2.9. Fees.**

(a) The Borrower agrees to pay to each Revolving Lender, through the Administrative Agent, on the 15th day (or, on the next Business Day, if the 15th day is not a Business Day) of the calendar month immediately following the end of each fiscal quarter, commencing with the fiscal quarter ending September 30, 2011, and on the date on which the Revolving Commitment of such Lender shall be terminated as provided herein, a facility fee (a "Facility Fee"), at the rate per annum from time to time in effect in accordance with Section 2.24, on the average daily amount of the Revolving Commitment of such Lender, whether used or unused, during the preceding quarter (or shorter period commencing with the Closing Date, or ending with (i) the Maturity Date or (ii) any date on which the Revolving Commitment of such Lender shall be terminated). All Facility Fees shall be computed on the basis of the actual number of days elapsed in a year of 360 days. The Facility Fee due to each Revolving Lender shall commence to accrue on the Closing Date, shall be payable in arrears and shall cease to accrue on the earlier of the Maturity Date and the termination of the Revolving Commitment of such Lender as provided herein.

(b) The Borrower agrees to pay the Administrative Agent the fees in the amounts and on the dates as set forth in any written and executed fee agreements with the Administrative Agent.

(c) All fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent for distribution, if and as appropriate, among the Lenders. Once paid, none of the fees shall be refundable under any circumstances.

**SECTION 2.10. Repayment of Loans; Evidence of Debt**

(a) The Borrower hereby unconditionally promises to pay (i) to the Administrative Agent for the account of each Revolving Lender the then unpaid principal amount of each Revolving Credit Loan of such Lender made to the Borrower on the Maturity Date for such Loans and (ii) to the Swingline Lender the then unpaid principal amount of each Swingline Loan in accordance with Section 2.5(b), or in each case, on such earlier date on which the Loans become due and payable pursuant to Section 7. The Borrower hereby further agrees to pay interest on the unpaid principal amount of the Loans made to the Borrower from time to time outstanding from the Closing Date until payment in full thereof at the rates per annum, and on the dates, set forth in Section 2.11. Each Subsidiary Borrower hereby unconditionally promises to pay to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Revolving Credit Loan of such Lender made to such Subsidiary Borrower on the Maturity Date or on such earlier date on which the Loans become due and payable pursuant to Section 7. Each Subsidiary Borrower hereby further agrees to pay interest on the unpaid principal amount of the Loans made to such Subsidiary Borrower from time to time outstanding from the Closing Date until payment in full thereof at the rates per annum, and on the dates, set forth in Section 2.11.

(b) The Borrower unconditionally promises to pay to the Administrative Agent, for the account of each Lender that makes a Competitive Loan to the Borrower, on the last day of the Interest Period applicable to such Competitive Loan, the principal amount of such Competitive Loan. The

---

Borrower further unconditionally promises to pay interest on each such Competitive Loan for the period from and including the date of Borrowing of such Competitive Loan on the unpaid principal amount thereof from time to time outstanding at the applicable rate per annum determined as provided in, and payable as specified in, Section 2.11. Each Subsidiary Borrower unconditionally promises to pay to the Administrative Agent, for the account of each Lender that makes a Competitive Loan to such Subsidiary Borrower, on the last day of the Interest Period applicable to such Competitive Loan, the principal amount of such Competitive Loan made to such Subsidiary Borrower. Each Subsidiary Borrower further unconditionally promises to pay interest on each such Competitive Loan made to such Subsidiary Borrower for the period from and including the date of Borrowing of such Competitive Loan on the unpaid principal amount thereof from time to time outstanding at the applicable rate per annum determined as provided in, and payable as specified in, Section 2.11.

(c) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing indebtedness of the Borrower and any Subsidiary Borrower to such Lender resulting from each Loan of such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time under this Agreement.

(d) The Administrative Agent shall maintain the Register pursuant to Section 10.3(e), and a subaccount therein for each Lender, in which shall be recorded (i) the amount of each Loan made hereunder, the Interest Rate Type thereof and each Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower and any Subsidiary Borrower to each Lender hereunder and (iii) both the amount of any sum received by the Administrative Agent hereunder from the Borrower or any Subsidiary Borrower and each Lender's share thereof.

(e) The entries made in the Register and the accounts of each Lender maintained pursuant to this Section 2.10 shall, to the extent permitted by applicable law, be prima facie evidence of the existence and amounts of the obligations of the Borrower and any Subsidiary Borrower therein recorded; provided, however, that the failure of any Lender or the Administrative Agent to maintain the Register or any such account, or any error therein, shall not in any manner affect the obligation of the Borrower or any Subsidiary Borrower to repay (with applicable interest) the Loans made to the Borrower or the relevant Subsidiary Borrower by such Lender in accordance with the terms of this Agreement.

#### SECTION 2.11. Interest on Loans.

(a) Subject to the provisions of Section 2.12, the Loans comprising each LIBOR Borrowing shall bear interest (computed on the basis of the actual number of days elapsed over a year of 360 days) at a rate per annum equal to (i) in the case of each LIBOR Revolving Credit Loan, LIBOR for the Interest Period in effect for such Borrowing plus the applicable LIBOR Spread from time to time in effect and (ii) in the case of each LIBOR Competitive Loan, LIBOR for the Interest Period in effect for such Borrowing plus the Margin offered by the Lender making such Loan and accepted by the Borrower or the relevant Subsidiary Borrower pursuant to Section 2.7. Interest on each LIBOR Borrowing shall be payable on each applicable Interest Payment Date.

(b) Subject to the provisions of Section 2.12, the Loans comprising each ABR Borrowing shall bear interest (computed on the basis of the actual number of days elapsed over a year of 365 or 366 days, as the case may be) at a rate per annum equal to the Alternate Base Rate plus the applicable margin, if any, for ABR Loans from time to time in effect pursuant to Section 2.24.

(c) Subject to the provisions of Section 2.12, each Fixed Rate Competitive Loan shall bear interest at a rate per annum (computed on the basis of the actual number of days elapsed over a year

---

of 360 days) equal to the fixed rate of interest offered by the Lender making such Loan and accepted by the Borrower or the relevant Subsidiary Borrower pursuant to Section 2.7.

(d) Interest on each Loan shall be payable in arrears on each Interest Payment Date applicable to such Loan. The LIBOR or the Alternate Base Rate for each Interest Period or day within an Interest Period shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

**SECTION 2.12. Interest on Overdue Amounts.**

If the Borrower or any Subsidiary Borrower shall default in the payment of the principal of, or interest on, any Loan or any other amount becoming due hereunder, the Borrower or such Subsidiary Borrower shall, at the request of the Required Lenders, from time to time pay interest, to the extent permitted by Applicable Law, on such defaulted amount up to (but not including) the date of actual payment (after as well as before a judgment) at a rate equal to (a) in the case of the remainder of the then current Interest Period for any LIBOR Loan or Fixed Rate Competitive Loan, the rate applicable to such Loan under Section 2.11 plus 2% per annum and (b) in the case of any other Loan or amount, the rate that would at the time be applicable to an ABR Loan under Section 2.11 plus 2% per annum.

**SECTION 2.13. Alternate Rate of Interest.**

In the event, and on each occasion, that on the day two Business Days prior to the commencement of any Interest Period for a LIBOR Loan, the Administrative Agent shall have determined that Dollar deposits or deposits in the applicable Optional Currency in the amount of the requested principal amount of such LIBOR Loan are not generally available in the London Interbank market, or that the rate at which such Dollar deposits or deposits in the applicable Optional Currency are being offered will not adequately and fairly reflect the cost to any Lender of making or maintaining its portion of such LIBOR Loans during such Interest Period, or that reasonable means do not exist for ascertaining LIBOR, the Administrative Agent shall, as soon as practicable thereafter, give written or telecopier notice of such determination to the Borrower or the relevant Subsidiary Borrower and the Lenders. In the event of any such determination, until the Administrative Agent shall have determined that circumstances giving rise to such notice no longer exist, (a) any request by the Borrower or any Subsidiary Borrower for a LIBOR Competitive Loan pursuant to Section 2.7 shall be of no force and effect and shall be denied by the Administrative Agent and (b) any request by the Borrower or any Domestic Subsidiary Borrower for a LIBOR Borrowing pursuant to Section 2.3 shall be deemed to be a request for an ABR Loan. Each determination by the Administrative Agent hereunder shall be conclusive absent manifest error.

**SECTION 2.14. Termination, Reduction and Increase of Revolving Commitments**

(a) The Revolving Commitments of all of the Revolving Lenders shall be automatically terminated on the Maturity Date.

(b) Subject to Section 2.15(b), upon at least one Business Day of prior written or telecopy notice to the Administrative Agent (which notice shall have been received not later than 12:00 Noon, New York City time), the Borrower may at any time in whole permanently terminate, or from time to time in part permanently reduce, the Total Revolving Commitment; provided, however, that (i) each partial reduction of the Total Revolving Commitment shall be in an integral multiple of \$1,000,000 and in a minimum principal amount of \$5,000,000 and (ii) the Borrower shall not be entitled to make any such termination or reduction that would reduce the Total Revolving Commitment to an amount less than the sum of the aggregate outstanding principal amount of the Revolving Credit Loans plus the aggregate

---

outstanding principal amount of the Swingline Loans plus the then current L/C Exposure. Each notice delivered by the Borrower pursuant to this Section 2.14(b) shall be irrevocable; provided that a notice of termination of the Revolving Commitments delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case, such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

(c) Except as otherwise set forth herein, each reduction in the Total Revolving Commitment hereunder shall be made ratably among the Lenders in accordance with their respective Revolving Commitments. The Borrower shall pay to the Administrative Agent for the account of the Revolving Lenders on the date of each termination or reduction in the Total Revolving Commitment, the Facility Fees on the amount of the Total Revolving Commitment so terminated or reduced accrued to the date of such termination or reduction.

(d) If the Total Revolving Commitment, plus the aggregate outstanding principal amount of Incremental Term Loans, if any, is less than \$1,500,000,000 at any time and the Borrower wishes to increase the aggregate Revolving Commitments at such time, and no Default or Event of Default has occurred and is then continuing, the Borrower shall notify the Administrative Agent in writing of the amount (the "Offered Increase Amount") of such proposed increase (such notice, a "Commitment Increase Notice"), and the Administrative Agent shall notify each Revolving Lender of such proposed increase and provide such additional information regarding such proposed increase as any Revolving Lender may reasonably request. The Borrower may, at its election, (i) offer one or more of the Revolving Lenders the opportunity to participate in all or a portion of the Offered Increase Amount pursuant to paragraph (f) below and/or (ii) offer one or more additional banks, financial institutions or other entities the opportunity to participate in all or a portion of the Offered Increase Amount pursuant to paragraph (e) below; provided, that any Revolving Lender or bank, financial institution or other entity that is offered the opportunity to participate in all or any portion of the Offered Increase Amount shall be consented to in writing by the Administrative Agent to extent the Administrative Agent would have a right under this Agreement to consent to an assignment of all or any portion of any Revolving Lender's Revolving Commitment or Revolving Credit Loans to such Revolving Lender or bank, financial institution or other entity. Each Commitment Increase Notice shall specify which Lenders and/or banks, financial institutions or other entities the Borrower desires to participate in such Total Revolving Commitment increase. The Borrower or, if requested by the Borrower, the Administrative Agent, will notify such Lenders and/or banks, financial institutions or other entities of such offer.

(e) Any Eligible Assignee which the Borrower selects to offer participation in the increased Revolving Commitments and which elects to become a party to this Agreement and provide a Revolving Commitment in an amount so offered and accepted by it pursuant to Section 2.14(d)(ii) shall execute a New Revolving Lender Supplement with the Borrower and the Administrative Agent, substantially in the form of Exhibit G-1, whereupon such bank, financial institution or other Person (herein called a "New Lender") shall become a Lender for all purposes and to the same extent as if originally a party hereto and shall be bound by and entitled to the benefits of this Agreement, and Schedule 2.1 shall be deemed to be amended to add the name and Revolving Commitment of such New Lender; provided that the Revolving Commitment of any such new Lender shall be in an amount not less than \$5,000,000.

(f) Any Revolving Lender which accepts an offer to it by the Borrower to increase its Revolving Commitment pursuant to Section 2.14(d)(i) shall, in each case, execute a Commitment Increase Supplement with the Borrower and the Administrative Agent, substantially in the form of Exhibit H, whereupon such Revolving Lender shall be bound by and entitled to the benefits of this

---

Agreement with respect to the full amount of its Revolving Commitment as so increased, and Schedule 2.1 shall be deemed to be amended to so increase the Revolving Commitment of such Revolving Lender.

(g) Notwithstanding anything to the contrary in this Section 2.14, (i) in no event shall any transaction effected pursuant to this Section 2.14 cause the sum of (x) the Total Revolving Commitment and (y) the aggregate outstanding principal amount of the Incremental Term Loans, if any, to exceed \$1,500,000,000 and (ii) no Revolving Lender shall have any obligation to increase its Revolving Commitment unless it agrees to do so in its sole discretion.

(h) Upon each increase in the Revolving Credit Commitments pursuant to Section 2.14 (d), each Revolving Lender immediately prior to such increase will automatically and without further act be deemed to have assigned to each Lender providing a portion of the increase in the aggregate Revolving Commitments (each, a "Revolving Commitment Increase Lender"), and each such Revolving Commitment Increase Lender will automatically and without further act be deemed to have assumed, a portion of such Revolving Lender's participations hereunder in outstanding Letters of Credit and Swingline Loans such that, after giving effect to each such deemed assignment and assumption of participations, the percentage of the aggregate outstanding (i) participations hereunder in Letters of Credit and (ii) participations hereunder in Swingline Loans held by each Revolving Lender (including each such Revolving Commitment Increase Lender) will equal the percentage of the aggregate Revolving Credit Commitments of all Revolving Lenders represented by such Revolving Lender's Revolving Credit Commitment and (b) if, on the date of such increase, there are any Revolving Credit Loans outstanding, such Revolving Credit Loans shall on or prior to the effectiveness of such increase in the aggregate Revolving Commitments be prepaid from the proceeds of additional Revolving Credit Loans made hereunder (reflecting such increase in Revolving Credit Commitments), which prepayment shall be accompanied by accrued interest on the Revolving Credit Loans being prepaid and any costs incurred by any Lender in accordance with Section 2.17(g). The Administrative Agent and the Lenders hereby agree that the minimum borrowing, pro rata borrowing and pro rata payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence.

#### SECTION 2.15. Prepayment of Loans.

(a) Prior to the Maturity Date, the Borrower and any Subsidiary Borrower shall have the right at any time to prepay any Borrowing (other than a Competitive Borrowing), in whole or in part, subject to the requirements of Section 2.19 but otherwise without premium or penalty, upon prior written or telecopy notice to the Administrative Agent before 12:00 Noon, New York City, time at least one Business Day before such prepayment in the case of an ABR Loan and at least three Business Days before such prepayment in the case of a LIBOR Loan; provided, however, that each such partial prepayment shall be in an integral multiple of \$1,000,000 and in a minimum aggregate principal amount of \$5,000,000. Neither the Borrower nor any Subsidiary Borrower shall have the right to prepay any Competitive Borrowing without the consent of the relevant Lender.

(b) On any date when the sum of the Revolving Credit Exposure (after giving effect to any Borrowings effected on such date) exceeds the Total Revolving Commitment, the Borrower shall make a mandatory prepayment of the Revolving Credit Loans (or cause any Subsidiary Borrower to make such a prepayment) in such amount as may be necessary so that the Revolving Credit Exposure after giving effect to such prepayment does not exceed the Total Revolving Commitment then in effect. Any prepayments required by this paragraph shall be applied to outstanding ABR Loans up to the full amount thereof before they are applied to outstanding LIBOR Revolving Credit Loans.

---

(c) Each notice of prepayment pursuant to Section 2.15(a) shall specify the specific Borrowing(s), the prepayment date and the aggregate principal amount of each Borrowing to be prepaid, shall be irrevocable and shall commit the Borrower or the relevant Subsidiary Borrower to prepay such Borrowing(s) by the amount stated therein. All prepayments under this Section 2.15 shall be accompanied by accrued interest on the principal amount being prepaid, to the date of prepayment.

**SECTION 2.16. Eurocurrency Reserve Costs.**

The Borrower and any Subsidiary Borrower shall pay to the Administrative Agent for the account of each Lender, so long as such Lender shall be required under regulations of the Board to maintain reserves with respect to liabilities or assets consisting of, or including, Eurocurrency Liabilities (as defined in Regulation D of the Board), additional interest on the unpaid principal amount of each LIBOR Loan made to the Borrower or such Subsidiary Borrower by such Lender, from the date of such Loan until such Loan is paid in full, at an interest rate per annum equal at all times during the Interest Period for such Loan to the remainder obtained by subtracting (i) LIBOR for such Interest Period from (ii) the rate obtained by multiplying LIBOR as referred to in clause (i) above by the Statutory Reserves of such Lender for such Interest Period. Such additional interest shall be determined by such Lender and notified to the Borrower or the relevant Subsidiary Borrower (with a copy to the Administrative Agent) not later than five Business Days before the next Interest Payment Date for such Loan, and such additional interest so notified to the Borrower or the relevant Subsidiary Borrower by any Lender shall be payable to the Administrative Agent for the account of such Lender on each Interest Payment Date for such Loan.

**SECTION 2.17. Reserve Requirements; Change in Circumstances.**

(a) Except with respect to Indemnified Taxes and Other Taxes, which shall be governed solely and exclusively by Section 2.23, if (i) after the Closing Date any change in Applicable Law or regulation or in the interpretation or administration thereof by any Governmental Authority charged with the interpretation or administration thereof (whether or not having the force of law), (ii) the Dodd-Frank Wall Street Reform and Consumer Protection Act or the compliance with any requests, rules, guidelines or directives thereunder or issued in connection therewith, regardless of the date enacted, adopted or issued or (iii) the compliance with any requests, rules, guidelines or directives promulgated by the Bank for International settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States regulatory authorities, in each case pursuant to Basel III, regardless of the date enacted, adopted or issued (x) shall impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender, (y) shall impose on any Lender or the London Interbank market any other condition affecting this Agreement or any LIBOR Loan or Fixed Rate Competitive Loan made by such Lender or (z) shall subject any Lender to any tax of any kind whatsoever with respect to this Agreement, any Letter of Credit, any participation in a Letter of Credit or any LIBOR Loan made by it, or change the basis of taxation of payments to such Lender in respect thereof, and the result of any of the foregoing shall be to increase the cost (other than, except as provided in clause (z), the amount of Taxes, if any) to such Lender of making or maintaining any LIBOR Loan or Fixed Rate Competitive Loan or to reduce the amount (other than a reduction resulting from an increase in Taxes, if any) of any sum received or receivable by such Lender hereunder (whether of principal, interest or otherwise) in respect thereof by an amount deemed in good faith by such Lender to be material, then the Borrower or the relevant Subsidiary Borrower shall pay such additional amount or amounts as will compensate such Lender for such increase or reduction to such Lender.

(b) Except with respect to Indemnified Taxes and Other Taxes, which shall be governed solely and exclusively by Section 2.23, if (i) after the Closing Date, any Lender shall have determined in

---

good faith that the adoption after the Closing Date of any applicable law, rule, regulation or guideline regarding capital adequacy, or any change therein, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Lender (or any Lending Office of such Lender) with any request or directive regarding capital adequacy (whether or not having the force of law) of any such Governmental Authority, central bank or comparable agency, (ii) the Dodd-Frank Wall Street Reform and Consumer Protection Act or the compliance with any requests, rules, guidelines or directives thereunder or issued in connection therewith, regardless of the date enacted, adopted or issued or (iii) the compliance with any requests, rules, guidelines or directives promulgated by the Bank for International settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States regulatory authorities, in each case pursuant to Basel III, regardless of the date enacted, adopted or issued, has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of the Lender's holding company, if any, as a consequence of its obligations hereunder to a level below that which such Lender (or its holding company) could have achieved but for the items referenced in clauses (i)-(iii) of this sentence (taking into consideration such Lender's policies or the policies of its holding company, as the case may be, with respect to capital adequacy) by an amount deemed by such Lender to be material, then, from time to time, the Borrower shall pay to the Administrative Agent for the account of such Lender such additional amount or amounts as will compensate such Lender for such reduction upon demand by such Lender.

(c) A certificate of a Lender setting forth in reasonable detail (i) such amount or amounts as shall be necessary to compensate such Lender as specified in paragraph (a) or (b) above, as the case may be, and (ii) the calculation of such amount or amounts referred to in the preceding clause (i), shall be delivered to the Borrower or the relevant Subsidiary Borrower and shall be conclusive absent manifest error. The Borrower or the relevant Subsidiary Borrower shall pay the Administrative Agent for the account of such Lender the amount shown as due on any such certificate within 10 Business Days after its receipt of the same.

(d) Failure on the part of any Lender to demand compensation for any increased costs or reduction in amounts received or receivable or reduction in return on capital with respect to any Interest Period shall not constitute a waiver of such Lender's rights to demand compensation for any increased costs or reduction in amounts received or receivable or reduction in return on capital with respect to such Interest Period or any other Interest Period. The protection of this Section 2.17 shall be available to each Lender regardless of any possible contention of invalidity or inapplicability of the law, regulation or condition which shall have been imposed.

(e) Each Lender agrees that, as promptly as practicable after it becomes aware of the occurrence of an event or the existence of a condition that (i) would cause it to incur any increased cost under this Section 2.17, Section 2.18, Section 2.23 or Section 2.26 or (ii) would require the Borrower or any Subsidiary Borrower to pay an increased amount under this Section 2.17, Section 2.18, Section 2.23 or Section 2.26, it will notify the Borrower and such Subsidiary Borrower of such event or condition and, to the extent not inconsistent with such Lender's internal policies, will use its reasonable efforts to make, fund or maintain the affected Loans of such Lender, or, if applicable to participate in Letters of Credit, through another Lending Office of such Lender if as a result thereof the additional monies which would otherwise be required to be paid or the reduction of amounts receivable by such Lender thereunder in respect of such Loans or Letters of Credit would be materially reduced, or any inability to perform would cease to exist, or the increased costs which would otherwise be required to be paid in respect of such Loans or Letters of Credit pursuant to this Section 2.17, Section 2.18, Section 2.23 or Section 2.26 would be materially reduced or the Taxes payable under Section 2.23, or other amounts otherwise payable under this Section 2.17, Section 2.18 or Section 2.26 would be materially reduced, and if, as determined by such Lender, in its sole discretion, the making, funding or maintaining of such Loans or Letters of Credit

---

through such other Lending Office would not otherwise materially adversely affect such Loans or Letters of Credit or such Lender. For the avoidance of doubt, nothing in this Section shall affect or postpone any of the obligations of the Borrower or any Subsidiary Borrower or the rights of any Lender pursuant to Section 2.23.

(f) In the event any Lender shall have delivered to the Borrower or any Subsidiary Borrower a notice that LIBOR Loans are no longer available from such Lender pursuant to Section 2.18, or if the Borrower or such Subsidiary Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.16 or Section 2.23, the Borrower may (but subject in any such case to the payments required by Section 2.18), upon at least five Business Days' prior written or telecopier notice to such Lender and the Administrative Agent, identify to the Administrative Agent a lending institution reasonably acceptable to the Administrative Agent which will purchase the Revolving Commitment, the amount of outstanding Loans, any participations in Letters of Credit from the Lender providing such notice and such Lender shall thereupon assign its Revolving Commitment, any Loans owing to such Lender and any participations in Letters of Credit to such replacement lending institution pursuant to Section 10.3. Such notice shall specify an effective date for such assignment and at the time thereof, the Borrower and any relevant Subsidiary Borrower shall pay all accrued interest, accrued Facility Fees and all other amounts (including without limitation all amounts payable under this Section) owing hereunder to such Lender as at such effective date for such assignment.

#### SECTION 2.18. Change in Legality.

(a) Notwithstanding anything to the contrary herein contained, if, after the Closing Date, any change in any law or regulation or in the interpretation thereof by any Governmental Authority charged with the administration or interpretation thereof shall make it unlawful for any Lender to make or maintain any LIBOR Loan or to give effect to its obligations as contemplated hereby, then, by written notice to the Borrower and to the Administrative Agent, such Lender may:

(i) declare that LIBOR Loans will not thereafter be made by such Lender hereunder, whereupon such Lender shall not submit a Competitive Bid in response to a request for LIBOR Competitive Loans and the Borrower and any Subsidiary Borrower shall be prohibited from requesting LIBOR Revolving Credit Loans from such Lender hereunder unless such declaration is subsequently withdrawn; and

(ii) require that all outstanding LIBOR Loans made by it be converted to ABR Loans, in which event (A) all such LIBOR Loans shall be automatically converted to ABR Loans as of the effective date of such notice as provided in Section 2.18(b) and (B) all payments and prepayments of principal which would otherwise have been applied to repay the converted LIBOR Loans shall instead be applied to repay the ABR Loans resulting from the conversion of such LIBOR Loans; provided that the principal amount of any such LIBOR Loan denominated in any Optional Currency shall be converted to the Dollar Equivalent thereof concurrently with its conversion to an ABR Loan.

(b) For purposes of this Section 2.18, a notice to the Borrower by any Lender pursuant to Section 2.18(a) shall be effective on the date of receipt thereof by the Borrower.

#### SECTION 2.19. Reimbursement of Lenders.

(a) The Borrower or the relevant Subsidiary Borrower shall reimburse each Lender on demand for any loss incurred or to be incurred by it in the reemployment of the funds released (i) by any payment or prepayment (for any reason, whether voluntary, mandatory, automatic, by reason of

---

acceleration or otherwise, including an assignment by a Lender contemplated under Section 10.17), or conversion or continuation, of any LIBOR or Fixed Rate Competitive Loan if such Loan is repaid other than on the last day of the applicable Interest Period for such Loan or (ii) in the event that after the Borrower or the relevant Subsidiary Borrower delivers a notice of borrowing under Section 2.3 in respect of LIBOR Revolving Credit Loans or a Competitive Bid Accept/Reject Letter under Section 2.7(d), pursuant to which it has accepted bids of one or more of the Lenders, the applicable Loan is not made on the first day of the Interest Period specified by the Borrower or the relevant Subsidiary Borrower for any reason other than (I) a suspension or limitation under Section 2.18 of the right of the Borrower or the relevant Subsidiary Borrower to select a LIBOR Loan or (II) a breach by a Lender of its obligations hereunder. In the case of such failure to borrow, such loss shall be the amount as reasonably determined by such Lender as the excess, if any of (A) the amount of interest which would have accrued to such Lender on the amount not borrowed, at a rate of interest equal to the interest rate applicable to such Loan pursuant to Section 2.11, for the period from the date of such failure to borrow, to the last day of the Interest Period for such Loan which would have commenced on the date of such failure to borrow, over (B) the amount realized by such Lender in reemploying the funds not advanced during the period referred to above. In the case of a payment other than on the last day of the Interest Period for a Loan, such loss shall be the amount as reasonably determined by the Administrative Agent as the excess, if any, of (A) the amount of interest which would have accrued on the amount so paid at a rate of interest equal to the interest rate applicable to such Loan pursuant to Section 2.11, for the period from the date of such payment to the last day of the then current daily Interest Period for such Loan, over (B) the amount equal to the product of (x) the amount of the Loan so paid times (y) the current daily yield on U.S. Treasury Securities (at such date of determination) with maturities approximately equal to the remaining Interest Period for such Loan times (z) the number of days remaining in the Interest Period for such Loan. Each Lender shall deliver to the Borrower or the relevant Subsidiary Borrower from time to time one or more certificates setting forth the amount of such loss (and in reasonable detail the manner of computation thereof) as determined by such Lender, which certificates shall be conclusive absent manifest error. The Borrower or the relevant Subsidiary Borrower shall pay to the Administrative Agent for the account of each Lender the amount shown as due on any certificate within thirty days after its receipt of the same.

(b) In the event the Borrower or the relevant Subsidiary Borrower fails to prepay any Loan on the date specified in any prepayment notice delivered pursuant to Section 2.15(a), or to convert or continue any Loan (other than an ABR Loan) other than on the date or in the amount notified by the Borrower or the relevant Subsidiary Borrower in accordance with the terms of this Agreement, the Borrower or the relevant Subsidiary Borrower on demand by any Lender shall pay to the Administrative Agent for the account of such Lender any amounts required to compensate such Lender for any loss incurred by such Lender as a result of such failure to prepay, including, without limitation, any loss, cost or expenses incurred by reason of the acquisition of deposits or other funds by such Lender to fulfill deposit obligations incurred in anticipation of such prepayment. Each Lender shall deliver to the Borrower or the relevant Subsidiary Borrower and the Administrative Agent from time to time one or more certificates setting forth the amount of such loss (and in reasonable detail the manner of computation thereof) as determined by such Lender, which certificates shall be conclusive absent manifest error.

(c) For purposes of calculating amounts payable under this Section 2.19, each Lender shall be deemed to have funded each LIBOR Loan made by it at LIBOR for such Loan by a matching deposit or other borrowing in the London interbank eurodollar market for a comparable amount and for a comparable period, whether or not such LIBOR Loan was in fact so funded.

SECTION 2.20. Pro Rata Treatment.

(a) Except as permitted under Sections 2.16, 2.17, 2.18, 2.19, 2.26, 2.29, 2.31 or as set forth anywhere else in this Agreement or any other Loan Document,

(i) each Revolving Credit Borrowing, each payment or prepayment of principal of any Revolving Credit Borrowing, each payment of interest on the Revolving Credit Loans, each payment of the Facility Fees, each reduction of the Total Revolving Commitment and each refinancing of any Borrowing with, or conversion of any Borrowing to, a Revolving Credit Borrowing, or continuation of any Borrowing as a Revolving Credit Borrowing, shall be allocated pro rata among the Revolving Lenders in accordance with their respective Revolving Percentages, in each case with respect to such Revolving Lender's respective tranche of Loans; and

(ii) each payment of principal of any Competitive Borrowing shall be allocated pro rata among the Lenders participating in such Borrowing in accordance with the respective principal amounts of their outstanding Competitive Loans comprising such Borrowing. Each payment of interest on any Competitive Borrowing shall be allocated pro rata among the Lenders participating in such Borrowing in accordance with the respective amounts of accrued and unpaid interest on their outstanding Competitive Loans comprising such Borrowing.

(b) For purposes of determining the available Revolving Commitments of the Lenders at any time, each outstanding Competitive Borrowing shall be deemed to have utilized the Revolving Commitments of the Lenders (including those Lenders that shall not have made Loans as part of such Competitive Borrowing) pro rata in accordance with such respective Revolving Commitments.

(c) Each Lender agrees that in computing such Lender's portion of any Borrowing to be made hereunder, the Administrative Agent may, in its discretion, round each Lender's percentage of such Borrowing computed in accordance with Section 2.1, to the next higher or lower whole dollar amount.

SECTION 2.21. Right of Setoff.

If any Event of Default shall have occurred and be continuing and the Required Lenders shall have directed the Administrative Agent to declare the Loans immediately due and payable pursuant to Section 7, each Lender is hereby authorized at any time and from time to time, to the fullest extent permitted by Applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held by such Lender and any other indebtedness at any time owing by such Lender to, or for the credit or the account of, (i) the Borrower, against any of and all the obligations of the Borrower now or hereafter existing under this Agreement and the Loans to the Borrower held by such Lender, or (ii) any Subsidiary Borrower, against any of and all the obligations of such Subsidiary Borrower now or hereafter existing under this Agreement and the Loans to such Subsidiary Borrower held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or such Loans and although such Obligations may be unmaturred. Each Lender agrees promptly to notify the Borrower or such Subsidiary Borrower, as applicable, after any such setoff and application made by such Lender, but the failure to give such notice shall not affect the validity of such setoff and application. The rights of each Lender under this Section 2.21 are in addition to other rights and remedies (including other rights of setoff) which such Lender may have.

---

SECTION 2.22. Manner of Payments.

All payments by the Borrower and any Subsidiary Borrower hereunder shall be made in Dollars, except that prepayments or repayments in respect of Loans shall be made in the Currency in which such Loan is denominated, in Federal or other immediately available funds without deduction, setoff or counterclaim at the Funding Office no later than 1:00 P.M., New York City time, on the date on which such payment shall be due. Interest in respect of any Loan hereunder shall accrue from and including the date of such Loan to, but excluding, the date on which such Loan is paid or refinanced with a Loan of a different Interest Rate Type.

SECTION 2.23. Taxes.

(a) Any and all payments by or on account of any obligation of the Borrower or any Subsidiary Borrower hereunder or under any Fundamental Document (including payments made by the Subsidiary Borrowers in satisfaction of the Subsidiary Borrower Obligations) shall be made free and clear of and without deduction for any Indemnified Taxes or Other Taxes; provided that if the Borrower or any Subsidiary Borrower shall be required to deduct any Indemnified Taxes or Other Taxes from such payments, then (i) the Borrower or the relevant Subsidiary Borrower shall make such deductions, (ii) the Borrower or the relevant Subsidiary Borrower shall pay such amounts to the relevant Governmental Authority in accordance with Applicable Law, and (iii) the sum payable by the Borrower or Subsidiary Borrower shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 2.23) the Administrative Agent or Lender, as the case may be, receives an amount equal to the sum it would have received had no such deductions been made.

(b) In addition, the Borrower or any relevant Subsidiary Borrower shall pay any Other Taxes to the relevant Governmental Authority in accordance with Applicable Law.

(c) If the United States Internal Revenue Service or other Governmental Authority of the United States of America or other jurisdiction asserts a claim against the Administrative Agent or a Lender that the full amount of Indemnified Taxes or Other Taxes has not been paid (including where such Indemnified Taxes or Other Taxes are imposed directly on the Administrative Agent or any Lender), the Borrower and each Subsidiary Borrower shall indemnify the Administrative Agent and each Lender within 10 days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes paid by the Administrative Agent or such Lender, as the case may be, on or with respect to any payment by or on account of any obligation of the Borrower or such Subsidiary Borrower hereunder (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.23) and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority (other than those resulting from the Administrative Agent or Lender's gross negligence or willful misconduct). A certificate (along with a copy of the applicable documents from the United States Internal Revenue Service or other Governmental Authority of the United States of America or other jurisdiction that asserts such claim) as to the amount of such payment or liability and setting forth in reasonable detail the calculation and basis for such payment or liability delivered to the Borrower or the relevant Subsidiary Borrower by a Lender or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by the Borrower or any Subsidiary Borrower to a Governmental Authority, the Borrower or such Subsidiary Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by

---

such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments under this Agreement shall deliver to the Borrower (with a copy to the Administrative Agent) (or, in the case of a Participant, to the Lender from which the related participation shall have been purchased), at the time such Lender becomes a party to this Agreement (or, in the case of any Participant, on or before the date such Participant purchases the related participation) and at any other time or times reasonably requested by the Borrower, such properly completed and executed documentation prescribed by Applicable Law or reasonably requested by the Borrower as will permit such payments to be made without withholding or at a reduced rate. Each Lender and Administrative Agent that is a United States Person, as defined in Section 7701(a)(30) of the Code (other than Persons that are corporations or otherwise exempt from United States backup withholding Tax), shall deliver at the time(s) and in the manner(s) prescribed by Applicable Law, to the Borrower and the Administrative Agent (as applicable), a properly completed and duly executed United States Internal Revenue Form W-9, or any successor form, certifying that such Person is exempt from United States backup withholding Tax on payments made hereunder.

(f) If the Administrative Agent or a Lender determines, in its sole good-faith discretion, that it has received a refund of any Taxes or Other Taxes as to which it has been indemnified by the Borrower or any Subsidiary Borrower or with respect to which the Borrower or any Subsidiary Borrower has paid additional amounts pursuant to this Section 2.23, it shall pay over such refund to the Borrower or such Subsidiary Borrower (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower or such Subsidiary Borrower under this Section 2.23 with respect to the Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent or such Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that the Borrower or such Subsidiary Borrower, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to the Borrower or such Subsidiary Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. This Section 2.23 shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes which it deems confidential) to the Borrower, any Subsidiary Borrower or any other Person.

(g) Each Lender agrees (i) that as between it and the Borrower, any Subsidiary Borrower or the Administrative Agent, it shall be the Person to deduct and withhold Taxes, and to the extent required by law it shall deduct and withhold Taxes, on amounts that such Lender may remit to any other Person(s) by reason of any undisclosed transfer or assignment of an interest in this Agreement to such other Person(s) pursuant to paragraph (g) of Section 10.3 and (ii) to indemnify the Borrower, any Subsidiary Borrower and the Administrative Agent and any officers, directors, agents, or employees of the Borrower, any Subsidiary Borrower or the Administrative Agent against, and to hold them harmless from, any Tax, interest, additions to Tax, penalties, reasonable counsel and accountants' fees, disbursements or payments arising from the assertion by any appropriate Governmental Authority of any claim against them relating to a failure to withhold Taxes as required by Applicable Law with respect to amounts described in clause (i) of this paragraph (g).

(h) Each assignee of a Lender's interest in this Agreement in conformity with Section 10.3 shall be bound by this Section 2.23, so that such assignee will have all of the obligations and provide all of the forms and statements and all indemnities, representations and warranties required to be given under this Section 2.23.

---

SECTION 2.24. Certain Pricing Adjustments.

The Facility Fee and applicable LIBOR Spread for Revolving Credit Loans in effect from time to time shall be determined in accordance with the following table:

Moody's/S&P Rating Equivalent	Facility Fee (in Basis Points)	Applicable LIBOR Spread (in Basis Points)	Total Drawn Pricing (in Basis Points)
<sup>3</sup> A3/A-	15.0	85.0	100.0
Baa1/BBB+	17.5	107.5	125.0
Baa2/BBB	20.0	117.5	137.5
Baa3/BBB-	22.5	142.5	165.0
< Baa3/BBB-	27.5	172.5	200.0

In the event that S&P and Moody's ratings on the Borrower's senior non-credit enhanced unsecured long-term debt are not equivalent to each other, the higher rating of S&P or Moody's will determine the Facility Fee and applicable LIBOR Spread, unless the ratings are more than one level apart, in which case the rating one level below the higher rating of S&P or Moody's will be determinative. In the event that (a) the Borrower's senior non-credit enhanced unsecured long-term debt is not rated by both of S&P or Moody's (for any reason, including if S&P or Moody's shall cease to be in the business of rating corporate debt obligations) or (b) if the rating system of any of S&P or Moody's shall change, then an amendment shall be negotiated in good faith to the references to specific ratings in the table above to reflect such changed rating system or the unavailability of ratings from such rating agency (including an amendment to provide for the substitution of an equivalent or successor ratings agency). In the event that the Borrower's senior unsecured long-term debt is not rated by either of S&P or Moody's, then the Facility Fee and applicable LIBOR Spread shall be deemed to be calculated as if the lowest rating category set forth above applied until such time as an amendment to the table above shall be agreed to. Any increase in the Facility Fee or applicable LIBOR Spread determined in accordance with the foregoing table shall become effective on the date of announcement or publication by the Borrower or the applicable rating agency of a reduction in such rating or, in the absence of such announcement or publication, on the effective date of such decreased rating, or on the date of any request by the Borrower to the applicable rating agency not to rate its senior unsecured long-term debt or on the date any of such rating agencies announces it shall no longer rate the Borrower's senior unsecured long-term debt. Any decrease in the Facility Fee or applicable LIBOR Spread shall be effective on the date of announcement or publication by any of such rating agencies of an increase in rating or in the absence of announcement or publication on the effective date of such increase in rating.

The applicable margin for ABR Loans shall be the applicable LIBOR Spread minus 100 Basis Points (but not less than 0%).

SECTION 2.25. Prepayments Required Due to Currency Fluctuation

(a) Not later than 1:00 P.M., New York City time, on the last Business Day of each fiscal quarter or at such other time as is reasonably determined by the Administrative Agent (the "Calculation Time"), the Administrative Agent shall determine the Dollar Equivalent of the Revolving Credit Exposure as of such date.

(b) If at the Calculation Time, the Dollar Equivalent of the Revolving Credit Exposure exceeds the Total Revolving Commitment by 5% or more, then within five Business Days after notice thereof to the Borrower from the Administrative Agent, the Borrower shall prepay Revolving Credit

---

Loans or Swingline Loans (or cause any Subsidiary Borrower to make such prepayment) in an aggregate principal amount at least equal to such excess. Nothing set forth in this Section 2.25(b) shall be construed to require the Administrative Agent to calculate compliance under this Section 2.25(b) other than at the times set forth in Section 2.25(a).

SECTION 2.26. Letters of Credit

(a) (1) Upon the terms and subject to the conditions hereof, each Issuing Lender agrees to issue standby letters of credit for the account of the Borrower or any Domestic Subsidiary Borrower (the letters of credit issued on and after the Closing Date pursuant to this Section 2.26, together with the Existing Letters of Credit, collectively, the "Letters of Credit") payable in Dollars from time to time after the Closing Date and prior to the earlier of the Maturity Date and the termination of the Revolving Commitments, upon the request of the Borrower or any Domestic Subsidiary Borrower, provided that (A) neither the Borrower nor any Domestic Subsidiary Borrower shall request that any Letter of Credit be issued if, after giving effect thereto, the Revolving Exposure would exceed the Total Revolving Commitment or the aggregate L/C Exposure would exceed \$350,000,000, (B) in no event shall any Issuing Lender issue (x) any Letter of Credit having an expiration date later than five Business Days before the Maturity Date or (y) any Letter of Credit having an expiration date more than one year after its date of issuance, provided that any Letter of Credit with a one-year tenor may provide for the automatic extension thereof for additional one-year periods (which shall in no event extend beyond the date referred to in clause (x) above), (C) neither Borrower nor any Domestic Subsidiary Borrower shall request that an Issuing Lender issue any Letter of Credit if, after giving effect to such issuance or reinstatement, the L/C Exposure would exceed the Total Revolving Commitment and (D) an Issuing Lender shall be prohibited from issuing Letters of Credit hereunder upon the occurrence and during the continuance of an Event of Default (provided that such Issuing Lender shall have received notice of such Event of Default pursuant to Section 8.4 hereof and provided further that such notice shall be received at least 24 hours prior to the date on which any Letter of Credit is to be issued). The Administrative Agent will, upon request of any Issuing Lender, confirm the total amount of L/C Exposure and the aggregate outstanding Loans to such Issuing Lender. Letters of Credit outstanding under the Prior Credit Agreement on the Closing Date shall be deemed to have been issued under this Agreement on the Closing Date.

(2) Immediately upon the issuance of each Letter of Credit, each Revolving Lender shall be deemed to, and hereby agrees to, have irrevocably purchased from the applicable Issuing Lender, a participation in such Letter of Credit in an amount equal to such Revolving Lender's Revolving Percentage multiplied by the stated amount of such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of such Issuing Lender, an amount equal to such Lender's Revolving Percentage of each amount paid by such Issuing Lender in respect of each Letter of Credit (as such amount may be increased as set forth below) issued by such Issuing Lender and not reimbursed by the Borrower or the relevant Domestic Subsidiary Borrower on the date due as provided in this Section 2.26 and of any reimbursement payment required to be refunded to the Borrower or the relevant Domestic Subsidiary Borrower for any reason. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit and its other obligations under this Section 2.26 are absolute and unconditional and shall not be affected by any circumstance whatsoever, including (A) any amendment or extension of any Letter of Credit, (B) the occurrence and continuance of a Default or an Event of Default, (C) reduction or termination of the Revolving Commitments, (D) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the Issuing Lender, the Borrower, any Domestic Subsidiary Borrower or any other Person for any reason whatsoever or (E) any other occurrence, event or condition, whether or not similar to any of the foregoing; and

---

that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(3) Neither the Administrative Agent, the Lenders, any Issuing Lender, nor any of their Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder, or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of any Issuing Lender; provided that the foregoing shall not be construed to excuse any Issuing Lender from liability to the Borrower or the relevant Domestic Subsidiary Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Borrower and any Domestic Subsidiary Borrower to the extent permitted by applicable law) suffered by the Borrower or the relevant Domestic Subsidiary Borrower that are caused by such Issuing Lender's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof.

(4) Each Letter of Credit may, at the option of the applicable Issuing Lender, provide that such Issuing Lender may (but shall not be required to) pay all or any part of the maximum amount which may at any time be available for drawing thereunder to the beneficiary thereof upon the occurrence of an Event of Default and the acceleration of the maturity of the Loans, provided that, if payment is not then due to the beneficiary, such Issuing Lender shall deposit the funds in question in an account with such Issuing Lender to secure payment to the beneficiary and any funds so deposited shall be paid to the beneficiary of the Letter of Credit if conditions to such payment are satisfied or returned to the Administrative Agent for distribution to the Lenders (or, if all Obligations shall have been paid in full in cash, to the Borrower or the relevant Domestic Subsidiary Borrower) if no payment to the beneficiary has been made and the final date available for drawings under the Letter of Credit has passed. Each payment or deposit of funds by an Issuing Lender as provided in this paragraph shall be treated for all purposes of this Agreement as a drawing duly honored by such Issuing Lender under the related Letter of Credit.

(5) The Issuing Lender shall not be required to issue Letters of Credit if (i) any Lender is a Defaulting Lender, unless (A) the Issuing Lender has entered into arrangements, including the delivery of Cash Collateral, satisfactory to the Issuing Lender (in its sole discretion) with the Borrower or such Lender to eliminate the Issuing Lender's actual or potential Fronting Exposure (after giving effect to Section 2.31(a)(iv)) with respect to the Defaulting Lender arising from either the Letter of Credit then proposed to be issued or that Letter of Credit and all other L/C Exposure as to which the Issuing Lender has Fronting Exposure, as it may elect in its sole discretion or (B) the Fronting Exposure resulting from such Defaulting Lender has been reallocated pursuant to Section 2.31(a)(iv); (ii) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain the Issuing Lender from issuing such Letter of Credit, or any Applicable Law applicable to the Issuing Lender or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over the Issuing Lender shall prohibit, or request that the Issuing Lender refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon the Issuing Lender with respect to such Letter of Credit any restriction, reserve or capital requirement (for which the Issuing Lender is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon the Issuing Lender any unreimbursed loss, cost or expense which was not applicable on the Closing Date and

---

which the Issuing Lender in good faith deems material to it or (iii) the issuance of such Letter of Credit would violate one or more policies of the Issuing Lender applicable to letters of credit generally and applicable to customers of such Issuing Lender generally.

(6) Each Issuing Lender shall, no later than the third Business Day following the last day of each month, provide to Administrative Agent a schedule of the Letters of Credit issued by it, in form and substance reasonably satisfactory to Administrative Agent, showing the date of issuance of each Letter of Credit, the account party, the original face amount (if any), the expiration date, and the reference number of any Letter of Credit outstanding at any time during such month, and showing the aggregate amount (if any) payable by Borrower to such Issuing Lender during such month pursuant to Section 2.26(f). Promptly after the receipt of such schedule from each Issuing Lender, Administrative Agent shall provide to Lenders a summary of such schedules.

(7) Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the stated amount of such Letter of Credit in effect at such time; provided, however, that with respect to any Letter of Credit that, by its terms or the terms of any document related thereto, provides for one or more automatic increases in the stated amount thereof, the amount of such Letter of Credit shall be deemed to be the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at such time.

(b) Whenever the Borrower or any Domestic Subsidiary Borrower desires the issuance of a Letter of Credit, it shall hand deliver or telecopy (or transmit by electronic communication, if arrangements for doing so have been approved by the applicable Issuing Lender) to the Administrative Agent and the applicable Issuing Lender a written notice no later than 1:00 P.M. (New York time) at least five Business Days prior to the proposed date of issuance provided, however, the Borrower or the relevant Domestic Subsidiary Borrower and the Administrative Agent and such Issuing Lender may agree to a shorter time period. That notice shall specify (i) the Issuing Lender for such Letter of Credit, (ii) the proposed date of issuance (which shall be a Business Day under the laws of the jurisdiction of the applicable Issuing Lender), (iii) the face amount of the Letter of Credit, (iv) the expiration date of the Letter of Credit and (v) the name and address of the beneficiary and (vi) such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. Such notice shall be accompanied by a brief description of the underlying transaction and upon the request of the applicable Issuing Lender, the Borrower or the relevant Domestic Subsidiary Borrower shall provide additional details regarding the underlying transaction. If requested by an Issuing Lender, the Borrower or the relevant Domestic Subsidiary Borrower also shall submit a letter of credit application on the Issuing Lender's standard form in connection with any request for a Letter of Credit, which form shall be furnished in accordance with Section 10.1. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Borrower or the relevant Domestic Subsidiary Borrower to, or entered into by the Borrower or the relevant Domestic Subsidiary Borrower with, any Issuing Lender relating to any Letter of Credit, the terms and conditions of this Agreement shall control. Concurrently with the giving of written notice of a request for the issuance of a Letter of Credit, the Borrower or the relevant Domestic Subsidiary Borrower shall specify a precise description of the documents and the verbatim text of any certificate to be presented by the beneficiary of such Letter of Credit which, if presented by such beneficiary prior to the expiration date of the Letter of Credit, would require the applicable Issuing Lender to make payment under the Letter of Credit; provided that the applicable Issuing Lender, in its reasonable discretion, may require customary changes in any such documents and certificates. Upon issuance of any Letter of Credit, the applicable Issuing Lender shall notify the Administrative Agent of the issuance of such Letter of

---

Credit. Promptly after receipt of such notice, the Administrative Agent shall notify each Lender of the issuance and the amount of each such Lender's respective participation therein.

(c) The payment of drafts under any Letter of Credit shall be made in accordance with the terms of such Letter of Credit and, in that connection, any Issuing Lender shall be entitled to honor any drafts and accept any documents presented to it by the beneficiary of such Letter of Credit in accordance with the terms of such Letter of Credit and believed by such Issuing Lender in good faith to be genuine. No Issuing Lender shall have any duty to inquire as to the accuracy or authenticity of any draft or other drawing documents which may be presented to it, but shall be responsible only to determine in accordance with customary commercial practices that the documents which are required to be presented before payment or acceptance of a draft under any Letter of Credit have been delivered and that they comply on their face with the requirements of that Letter of Credit.

(d) If any Issuing Lender shall be requested to make payment on any draft presented under a Letter of Credit, such Issuing Lender shall give notice of such request for payment to the Administrative Agent and the Administrative Agent shall give notice to each Revolving Lender no later than 3:00 P.M. New York City time of its respective participation therein on behalf of such Issuing Lender. Each Revolving Lender hereby authorizes and requests such Issuing Lender to advance for its account pursuant to the terms hereof its share of such payment based upon its participation in the Letter of Credit and agrees to reimburse such Issuing Lender by making payment to the Administrative Agent for the account of such Issuing Lender in immediately available funds for the amount so advanced on its behalf no later than 4:00 P.M. New York City time on the date such Issuing Lender makes such request. If such reimbursement is not made by any Revolving Lender in immediately available funds on the same day on which such Issuing Lender shall have made payment on any such draft presented under a Letter of Credit, such Lender shall pay interest thereon to the Administrative Agent, for the account of such Issuing Lenders, at a rate per annum equal to the Issuing Lender's cost of obtaining overnight funds in the New York Federal Funds Market.

(e) In the case of any draft presented under a Letter of Credit provided that the conditions specified in Section 4.2 (other than clause (a) thereof) are then satisfied, and notwithstanding the limitations as to the aggregate principal amount of ABR Loans set forth in Section 2.2(a), as to the time of funding of a Borrowing set forth in Section 2.2(c) and as to the time of notice of a proposed Borrowing set forth in Section 2.3), payment by the applicable Issuing Lender of such draft shall constitute an ABR Loan hereunder, and interest shall accrue from the date the applicable Issuing Lender makes such payment, which ABR Loan, upon and to the extent that a Revolving Lender shall have made reimbursement to the applicable Issuing Lender pursuant to Section 2.26(d), shall constitute such Lender's ABR Loan hereunder. If any draft is presented under a Letter of Credit and (i) the conditions specified in Section 4.2 are not satisfied or (ii) if the Revolving Commitments have been terminated, then the Borrower or the relevant Domestic Subsidiary Borrower will, upon demand by the Administrative Agent or the applicable Issuing Lender, on the same Business Day of such draft (or on the next Business Day if notice of such draft is received after 10:00 A.M. New York City time), pay to the Administrative Agent, for the account of the applicable Issuing Lender, in immediately available funds, the full amount of such draft.

(f) (i) The Borrower and each Domestic Subsidiary Borrower agree to pay the following amounts to the Administrative Agent for the account of each Issuing Lender (or, in the case of clauses (B) and (C) below, directly to such Issuing Lender) with respect to Letters of Credit issued by such Issuing Lender hereunder:

(A) with respect to drawings made under any Letter of Credit issued for the account of the Borrower or such Domestic Subsidiary Borrower, interest, payable on

---

demand, on the amount paid by such Issuing Lender in respect of each such drawing from the date of the drawing to, but excluding, the date such amount is reimbursed by the Borrower or such Domestic Subsidiary Borrower at a rate which is at all times equal to 2% per annum (without duplication of any amounts payable under Section 2.12) in excess of the Alternate Base Rate plus the applicable margin therefore calculated pursuant to Section 2.24; provided that no such default interest shall be payable if such reimbursement is made (a) from the proceeds of Revolving Credit Loans or (b) otherwise in compliance with Section 2.26(e);

(B) the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of such Issuing Lender relating to letters of credit as from time to time in effect (with such fees and standard costs and charges to be due and payable on demand and nonrefundable); and

(C) a fronting fee computed at the rate agreed to by the Borrower and the applicable Issuing Lender (but, in any event, not greater than 0.20% per annum), computed on the daily amount available to be drawn under each outstanding Letter of Credit issued by such Issuing Lender, such fee to be due and payable in arrears on and through the last day of each fiscal quarter of the Borrower, on the Maturity Date and on the expiration of the last outstanding Letter of Credit.

(ii) The Borrower and each Domestic Subsidiary Borrower agree to pay to the Administrative Agent for distribution to each Revolving Lender in respect of all outstanding Letters of Credit issued for the account of the Borrower or such Domestic Subsidiary Borrower, such Lender's Revolving Percentage of a commission on the daily amount available to be drawn under such outstanding Letters of Credit calculated at a rate per annum equal to the LIBOR Spread applicable to Revolving Credit Loans from time to time in effect hereunder; provided, however, any commissions otherwise payable for the account of a Defaulting Lender with respect to any Letter of Credit as to which such Defaulting Lender has not provided Cash Collateral satisfactory to the Issuing Lender pursuant to this Section 2.26 shall be payable, to the maximum extent permitted by applicable law, to the other Lenders in accordance with the upward adjustment in their respective Revolving Percentages allocable to such Letter of Credit pursuant to Section 2.31(a)(iv), with the balance of such fee, if any, payable to the Issuing Lender for its own account. Such commission shall be payable in arrears on and through the last day of each fiscal quarter of the Borrower and on the later of the Maturity Date and the expiration of the last outstanding Letter of Credit.

(iii) For purposes of computing the daily amount available to be drawn under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 2.26(a)(vii).

(iv) Promptly upon receipt by any Issuing Lender or the Administrative Agent (as applicable) of any amount described in clauses (i) or (ii) of this Section 2.26(f), or any amount described in Section 2.26(e) previously reimbursed to the applicable Issuing Lender by the Revolving Lenders, such Issuing Lender shall distribute such amount to the Administrative Agent and the Administrative Agent shall distribute to each Revolving Lender (other than to any Revolving Lender which has failed to reimburse the Issuing Lender for the applicable drawing) its pro rata share of such amount.

(v) The obligation of the Borrower and each Domestic Subsidiary Borrower to reimburse the Issuing Lender for each drawing under each Letter of Credit and to

---

repay each Letter of Credit shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(a) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other agreement related hereto;

(b) the existence of any claim, counterclaim, setoff, defense or other right that the Borrower or any Subsidiary may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the Issuing Lender or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(c) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(d) any payment by the Issuing Lender under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the Issuing Lender under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law; or

(e) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, the Borrower or any Subsidiary.

The Borrower shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to it and, in the event of any claim of noncompliance with the Borrower's instructions or other irregularity, the Borrower will promptly notify the Issuing Lender. The Borrower shall be conclusively deemed to have waived any such claim against the Issuing Lender and its correspondents unless such notice is given as aforesaid.

(g) If at any time when an Event of Default shall have occurred and be continuing, any Letters of Credit shall remain outstanding, then either the applicable Issuing Lender(s), the Administrative Agent or the Required Lenders may, at its or their option, require the Borrower or the relevant Domestic Subsidiary Borrower to deposit Cash Equivalents in a Cash Collateral Account in an amount equal to the full amount of the L/C Exposure or to furnish other security acceptable to the Administrative Agent and the applicable Issuing Lender(s), provided that the obligation to deposit such cash collateral shall become effective within one Business Day after the Borrower and/or such Domestic Subsidiary Borrower receives notice from the applicable Issuing Lender, the Administrative Agent or the Required Lenders, and provided, further that such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to the Borrower described in clause (f) or (g) of Section 7. Such deposit shall be held by the Administrative Agent as collateral for the Obligations. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on

---

the investment of such deposits, which investments shall be made in Cash Equivalents and at the option and sole discretion of the Administrative Agent and at the Borrower's and/or the relevant Domestic Subsidiary Borrower's risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Any amounts so delivered pursuant to the preceding sentence shall be applied to reimburse the applicable Issuing Lender(s) for the amount of any drawings honored under Letters of Credit issued by it. If the Borrower or any Domestic Subsidiary Borrower is required to deposit Cash Equivalents (or other security) pursuant to the provisions of this Section 2.26(g) as a result of the occurrence of an Event or Default, such amount (to the extent not applied as set forth in the preceding provisions of this paragraph) shall be returned by the Administrative Agent to the Borrower or such Domestic Subsidiary Borrower within three Business Days after such Event of Default has been cured or waived.

(h) If at any time, the sum of the Revolving Credit Exposure exceeds the aggregate Revolving Commitments, then the Administrative Agent may, at its option, require the Borrower and/or any Domestic Subsidiary Borrower to deposit Cash Equivalents in a Cash Collateral Account in an amount sufficient to eliminate such excess or to furnish other security for such excess acceptable to the Administrative Agent. Any amounts so delivered pursuant to the preceding sentence shall be applied to reimburse the applicable Issuing Lender(s) for the amount of any drawings honored under Letters of Credit issued for the account of the Borrower or such Domestic Subsidiary Borrower and held as cash collateral for the Obligations. If the Borrower or any Domestic Subsidiary Borrower is required to deposit Cash Equivalents (or other security) pursuant to the provisions of this Section 2.26(h), such amount (to the extent not applied as set forth in the preceding sentence) shall be returned by the Administrative Agent to the Borrower or such Domestic Subsidiary Borrower within three Business Days after such excess is reduced to \$0.

(i) Upon the request of the Administrative Agent, each Issuing Lender shall furnish to the Administrative Agent copies of any Letter of Credit issued by such Issuing Lender and such related documentation as may be reasonably requested by the Administrative Agent.

(j) If the Borrower so requests in any applicable Letter of Credit Application, the Issuing Lender may, in its sole and absolute discretion, agree to issue a Letter of Credit that permits the automatic reinstatement of all or a portion of the stated amount thereof after any drawing thereunder (each, an "Auto-Reinstatement Letter of Credit"). Unless otherwise directed by the Issuing Lender, the Borrower shall not be required to make a specific request to the Issuing Lender to permit such reinstatement. Once an Auto-Reinstatement Letter of Credit has been issued, except as provided in the following sentence, the Lenders shall be deemed to have authorized (but may not require) the Issuing Lender to reinstate all or a portion of the stated amount thereof in accordance with the provisions of such Letter of Credit. Notwithstanding the foregoing, if such Auto-Reinstatement Letter of Credit permits the Issuing Lender to decline to reinstate all or any portion of the stated amount thereof after a drawing thereunder by giving notice of such non-reinstatement within a specified number of days after such drawing (the "Non-Reinstatement Deadline"), the Issuing Lender shall not permit such reinstatement if it has received a notice (which may be by telephone or in writing) on or before the day that is seven Business Days before the Non-Reinstatement Deadline (A) from the Administrative Agent that the Required Lenders have elected not to permit such reinstatement or (B) from the Administrative Agent, any Lender or the Borrower that one or more of the applicable conditions specified in Section 4.2 is not then satisfied (treating such reinstatement as an issuance of a Letter of Credit for purposes of this clause) and, in each case, directing the Issuing Lender not to permit such reinstatement.

(k) Notwithstanding the termination of the Revolving Commitments and the payment of the Loans, the obligations of the Borrower, any Domestic Subsidiary Borrower and the Lenders under this Section 2.26 shall remain in full force and effect until the Administrative Agent, each Issuing Lender and

---

the Lenders shall have been irrevocably released from their obligations with regard to any and all Letters of Credit.

SECTION 2.27. New Local Facilities.

(a) The Borrower or any Subsidiary Borrower may at any time or from time to time on or after the Closing Date, by notice to the Administrative Agent, request the Revolving Lenders to designate a portion of their respective Revolving Commitments to make Revolving Extensions of Credit denominated in Dollars and any Optional Currency in a jurisdiction inside or outside of the United States pursuant to a newly established sub-facility under the Revolving Facility (each, a "New Local Facility"); provided that (i) both at the time of any such request and upon the effectiveness of any Local Facility Amendment referred to below, no Default or Event of Default shall have occurred and be continuing, (ii) the Borrower and its Subsidiaries shall be in compliance with the covenants set forth in Sections 6.5 and 6.6 as of the last day of the most recently ended fiscal quarter and (iii) if applicable, a Subsidiary Borrower for such new Local Facility shall be designated pursuant to Section 10.9(b); provided further that (i) Letters of Credit and Swingline Loans shall not be issued or made under a New Local Facility unless the Borrower, the Administrative Agent, and, as applicable, the Swingline Lender and the Issuing Lender have agreed and (ii) no Lender shall be required to make Revolving Extensions of Credit in excess of its Revolving Commitment. Each New Local Facility shall be in a minimum Dollar Equivalent amount of \$10,000,000, and the aggregate Dollar Equivalent amounts of the New Local Facilities shall not exceed \$250,000,000 at any time. Each notice from the Borrower pursuant to this Section 2.27 shall set forth the requested amount and proposed terms of the relevant New Local Facility. Revolving Lenders wishing to designate a portion of their Revolving Commitments to a New Local Facility (each, a "New Local Facility Lender") shall have such portion of their Revolving Commitment designated to such New Local Facility on a pro rata basis in accordance with the aggregate Revolving Commitments of the other applicable New Local Facility Lenders unless otherwise agreed by the Borrower, the Administrative Agent and such New Local Facility Lender. The designation of Revolving Commitments to any New Local Facility shall be made pursuant to an amendment (each, a "Local Facility Amendment") to this Agreement and, as appropriate, the other Fundamental Documents, executed by the Loan Parties, the Administrative Agent and each New Local Facility Lender. Any Local Facility Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Fundamental Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to implement the provisions of this Section, a copy of which shall be made available to each Lender. The effectiveness of any Local Facility Amendment shall be subject to the satisfaction on the date thereof of each of the conditions set forth in Section 4.2 and such other conditions as the parties thereto shall agree. No Revolving Lender shall be obligated to transfer any portion of its Revolving Commitments to a New Local Facility unless it so agrees.

(b) Notwithstanding any provision of this Agreement to the contrary, each New Local Facility shall be deemed to be a utilization of the Revolving Commitments and upon the effectiveness of a New Local Facility: (i) participating interests of the Lenders in existing and future Letters of Credit and Swingline Loans issued under the Revolving Commitments shall be reallocated based on the respective Revolving Commitments of the Lenders after giving effect to the utilization thereof by the New Local Facilities and (ii) future Revolving Loans shall be funded by the Lenders based on the respective Revolving Commitments of the Lenders after giving effect to the utilization thereof by the New Local Facilities, in each case until reallocated in accordance with this paragraph (b); in each case subject to further adjustments based on the utilization from time to time of the Revolving Commitments by the New Local Facilities. Payments in respect of Letters of Credit, Swingline Loans and Revolving Loans and extensions of credit under New Local Facilities shall be made as directed by the Administrative Agent in order to give effect to this paragraph (b).

---

(c) This Section 2.27 shall supersede any provisions in Section 10.9 or any other provision of this Agreement to the contrary as it relates to any Local Facility Amendment.

(d) As of the Closing Date, the Borrower and the Lenders party thereto have entered into the Australian Local Facility Amendment, pursuant to which an Australian Dollar subfacility has been established on the terms set forth therein.

**SECTION 2.28. Incremental Term Loans.**

(a) The Borrower may at any time or from time to time after the Closing Date, by notice to the Administrative Agent (whereupon the Administrative Agent shall promptly deliver a copy to each of the Lenders), request one or more tranches of term loans (the "Incremental Term Loans") be made available under this Agreement to the Borrower or one or more Subsidiary Borrowers; provided that both at the time of any such request and upon the effectiveness of any Incremental Amendment referred to below, no Default or Event of Default shall exist. Each tranche of Incremental Term Loans shall be in an aggregate principal amount that is not less than \$10,000,000 and shall be in an increment of \$1,000,000 (provided that such amount may be less than \$10,000,000 if such amount represents all remaining availability under the limit set forth in the next sentence). Notwithstanding anything to the contrary herein, no Incremental Term Loan shall be made if, immediately after giving effect to such Incremental Term Loan, the aggregate outstanding principal amount of the Incremental Term Loans, plus the Total Revolving Commitment at such time, would exceed \$1,500,000,000. Each Incremental Term Loan shall (a) rank pari passu in right of payment and of security, if any, with the Revolving Credit Loans and the other Incremental Term Loans, if any; (b) be subject to pricing and maturity agreed to by the Borrower and the Lenders providing such Incremental Term Loan; and (c) not be subject to any scheduled or mandatory principal amortization prior to the Maturity Date (other than customary limited amortization for institutional term loans); provided that except for pricing and maturity (as limited by the preceding paragraph (c)), the terms and conditions applicable to the Incremental Term Loans will be as set forth in this Agreement unless otherwise approved by the Administrative Agent. Each notice from the Borrower pursuant to this Section 2.28 shall set forth the requested amount and proposed terms of the relevant Incremental Term Loan. In the case of Incremental Term Loans, the Lenders providing such Incremental Term Loans, with the consent of the Administrative Agent, may agree to allow the Borrower and its Subsidiaries and controlled Affiliates to become Eligible Assignees with respect to such Incremental Term Loans under circumstances, terms and conditions to be agreed at the time of incurrence but in all cases subject to Section 10.3(l). Incremental Term Loans may be made and may be provided by any existing Lender (but no Lender will have an obligation to provide any portion of any Incremental Term Loan) or by any other bank or other financial institution, in each case subject to the written consent of the Administrative Agent to the extent the Administrative Agent would have a right under this Agreement to consent to an assignment of all or any portion of any Lender's Loans or Revolving Commitment to such existing Lender or bank, or other financial institution (any such other bank or other financial institution being called an "Incremental Lender"). Commitments in respect of Incremental Term Loans shall become commitments under this Agreement pursuant to an amendment (an "Incremental Amendment") to this Agreement and, as appropriate, the other Fundamental Documents, executed by the Borrower, each Lender agreeing to provide such commitment, each Incremental Lender, if any, and the Administrative Agent. The Incremental Amendment may, with the consent of the Borrower and the Administrative Agent, effect such amendments to this Agreement and the other Fundamental Documents (including the amendment and restatement thereof and to provide Incremental Lenders with appropriate voting and loan assignment rights and other provisions reflecting the terms of the applicable Incremental Facility) as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.28. The Borrower will use the proceeds of the Incremental Term Loans for any purpose not prohibited by this Agreement. No Lender shall be obligated to provide any portion of any Incremental Term Loan unless it so agrees. Each Incremental Lender shall become party

---

to this Agreement upon acceptance by the Administrative Agent of an Incremental Lender Supplement signed by such Incremental Lender substantially in the form of Exhibit G-2.

(b) This Section 2.28 shall supersede any provisions in Section 10.9 to the contrary.

**SECTION 2.29. Loan Modification Offers.**

(a) The Borrower may, by written notice to the Administrative Agent from time to time after the Closing Date, make one or more offers (but there shall not be more than two offers outstanding at any one time) (each, a "Loan Modification Offer") to all the Revolving Lenders to make one or more Permitted Amendments (as defined in clause (c) below) pursuant to procedures reasonably agreed upon by the Borrower and the Administrative Agent, including as to minimum tranche amounts. Such notice shall set forth (i) the terms and conditions of the requested Permitted Amendment and (ii) the date on which such Permitted Amendment is requested to become effective (which shall not be less than ten Business Days nor more than sixty Business Days after the date of such offer). Permitted Amendments shall become effective only with respect to the Loans and Revolving Commitments of the Revolving Lenders that accept the applicable Loan Modification Offer (each such Lender a "Modifying Lender"). No Revolving Lenders will be required to accept a Loan Modification Offer.

(b) The Borrower and each Revolving Lender that accepts the Loan Modification Offer shall execute and deliver to the Administrative Agent a Loan Modification Agreement and such other documentation as the Administrative Agent shall reasonably specify to evidence the acceptance of the Permitted Amendments and the terms and conditions thereof. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Loan Modification Agreement and deliver such Loan Modification Agreement to the Lenders. Each of the parties hereto agrees that, upon the effectiveness of any Loan Modification Agreement, this Agreement and each other Fundamental Document shall be deemed amended as may be necessary and appropriate (including the amendment and restatement hereof), in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.29. In connection therewith, the Lenders accepting such Loan Modification Offer (and their associated commitments) may be moved into a new tranche of loans and/or commitments hereunder and the Borrower and such Modifying Lenders will agree on the maturity date, interest rate, fees, amount of any letter of credit sub-facility, if any, amount of any swing line sub-facility, if any, of such new tranche of revolving credit commitments, amortization, if any and other procedural mechanics reasonably related thereto. Contemporaneously with the creation of such new tranche, each Modifying Lender's Revolving Commitment shall be reduced dollar for dollar with its commitment to such new tranche. The Borrower may, at its sole option, terminate or reduce the aggregate Revolving Commitments of the Revolving Lenders that do not accept the Loan Modification Offer. Additionally, to the extent the Borrower has reduced the Revolving Commitments of Lenders that are not Modifying Lenders, it may add any other Eligible Assignee (with the consent of the Administrative Agent and the relevant Issuing Lender, such consent not to be unreasonably withheld or delayed) to provide a commitment to make loans on the terms set forth in such Loan Modification Offer in an amount not to exceed the amount of the Revolving Commitments reduced pursuant to the preceding sentence.

(c) "Permitted Amendments" shall be (i) an extension of the final termination date of the applicable Revolving Loans and/or Revolving Commitments of the affected Revolving Lenders accepting the applicable Loan Modification Offer (provided that there cannot be more than three final termination dates for Revolving Loans and/or Revolving Commitments without the consent of the Administrative Agent), (ii) a reduction in the Revolving Commitments of the affected Revolving Lenders accepting the Loan Modification Offer, (iii) the payment of the then agreed upon extension fees, if any, to the affected Revolving Lenders accepting the applicable Loan Modification Offer, (iv) increases in pricing with respect to Loans or other extensions of credit of Revolving Commitments of the Revolving Lenders that

---

accept the applicable Loan Modification Offer, if any, (v) the allocation of Letters of Credit and Swingline Loans between any extending tranche and the non-extending tranche and (vi) other amendments which implement the foregoing.

(d) Permitted Amendments shall be approved by the Revolving Lenders accepting a Loan Modification Offer, the Administrative Agent and the Borrower without the need to obtain the approval of the other Lenders. This Section 2.29 shall supersede any provision in Section 10.9 to the contrary. All Loans to the Borrower under this Agreement shall rank pari-passu in right of payment.

**SECTION 2.30. Cash Collateral.**

(a) Certain Credit Support Events Upon the request of the Administrative Agent or the Issuing Lender (i) if the Issuing Lender has honored any full or partial drawing request under any Letter of Credit and such drawing has resulted in an extension of credit under a Letter of Credit, or (ii) if, as of the date the Letter of Credit expires, any balance under the Letters of Credit for any reason remains outstanding, the Borrower shall, in each case, immediately Cash Collateralize the then outstanding amount of all Letters of Credit. At any time that there shall exist a Defaulting Lender and after giving effect to the commitment reallocation procedure set forth in Section 2.31(a)(iv), in the event that Fronting Exposure still exists, immediately upon the request of the Administrative Agent, the Issuing Lender or the Swingline Lender, the Borrower shall deliver to the Administrative Agent Cash Collateral in an amount sufficient to cover all Fronting Exposure (after giving effect to Section 2.31(a)(iv) and any Cash Collateral provided by the Defaulting Lender).

(b) Grant of Security Interest. All Cash Collateral (other than credit support not constituting funds subject to deposit) shall be maintained in Cash Collateral Accounts. The Borrower, and to the extent provided by any Lender, such Lender, hereby grants to (and subjects to the control of) the Administrative Agent, for the benefit of the Administrative Agent, the Issuing Lender and the Lenders (including the Swing Line Lender), and agrees to maintain, a first priority security interest in all such cash, deposit accounts and all balances therein, and all other property so provided as collateral pursuant hereto, and in all proceeds of the foregoing, all as security for the obligations to which such Cash Collateral may be applied pursuant to Section 2.30(c). If at any time the Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the Administrative Agent as herein provided, or that the total amount of such Cash Collateral is less than the applicable Fronting Exposure and other obligations secured thereby, the Borrower or the relevant Defaulting Lender will, promptly upon demand by the Administrative Agent, pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency.

(c) Application. Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under any of this Section 2.30 or Sections 2.26, 2.31 or 8.3 in respect of Letters of Credit or Swingline Loans shall be held and applied to the satisfaction of the specific Letters of Credit, Swingline Loans, obligations to fund participations therein (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) and other obligations for which the Cash Collateral was so provided, prior to any other application of such property as may be provided for herein.

(d) Release. Cash Collateral (or the appropriate portion thereof) provided to reduce Fronting Exposure or other obligations shall be released promptly following (i) the elimination of the applicable Fronting Exposure or other obligations giving rise thereto, such determination to be made in the reasonable discretion of the Administrative Agent (including by the termination of Defaulting Lender status of the applicable Lender (or, as appropriate, its assignee following compliance with Section 10.3)) or (ii) the Administrative Agent's good faith determination that there exists excess Cash Collateral; provided, however, (x) that Cash Collateral furnished by or on behalf of a Loan Party shall not be released

---

during the continuance of a Default or Event of Default (and following application as provided in this Section 2.30 may be otherwise applied in accordance with Section 8.3), and (y) the Person providing Cash Collateral and the Issuing Lender or Swingline Lender, as applicable, may agree that Cash Collateral shall not be released but instead held to support future anticipated Fronting Exposure or other obligations.

SECTION 2.31. Defaulting Lenders.

(a) Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by Applicable Law:

(i) Waivers and Amendments. That Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 10.9.

(ii) Reallocation of Payments. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity and including any amounts made available to the Administrative Agent by that Defaulting Lender pursuant to Section 8.3, shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; *second*, to the payment on a pro-rata basis of any amounts owing by that Defaulting Lender to the Issuing Bank or Swingline Lender hereunder; *third*, if so determined by the Administrative Agent or requested by an Issuer Lender or Swingline Lender to be held in a Cash Collateral Account for future funding obligations of that Defaulting Lender of any participation in any Swingline Loan or Letter of Credit; *fourth*, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *fifth* if so determined by the Administrative Agent and the Borrower, to be held in escrow in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; *sixth*, to the payment of any amounts owing to the Lenders, the Issuer Lender or Swingline Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, the Issuing Lender or Swingline Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; *seventh*, so long as no Default or Event of Default exists, to the payment of amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and *eighth*, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or Letters of Credit in respect of which that Defaulting Lender has not fully funded its appropriate share and (y) such Loans or Letters of Credit were made at a time when the conditions set forth in Section 4.2 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and reimbursement obligations owed to all non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans, or reimbursement obligations owed to, that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or placed in escrow) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.31 shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto. Promptly following termination of this Agreement (including the termination of all Letters of Credit issued hereunder) and the payment of all amounts owed under this

---

Agreement (other than unasserted contingent obligations which by their terms survive the termination of this Agreement), all amounts, if any, held in the Cash Collateral Agreement referred to in Section 2.31(a)(ii) shall be returned to the applicable Defaulting Lender(s).

(iii) Certain Fees. That Defaulting Lender (x) shall not be entitled to receive any facility fee pursuant to Section 2 for any period during which that Lender is a Defaulting Lender only to the extent allocable to the sum of (1) the outstanding amount of the Revolving Credit Loans funded by it and (2) its Revolving Percentage of the stated amount Letters of Credit and Swingline Loans for which Cash Collateral has been provided (and the Borrower shall (A) be required to pay to each of the Issuing Lender and the Swingline Lender, as applicable, the amount of such fee allocable to its Fronting Exposure arising from that Defaulting Lender and (B) not be required to pay the remaining amount of such fee that otherwise would have been required to have been paid to that Defaulting Lender) and (y) shall be limited in its right to receive Letter of Credit Fees as provided in Section 2.26(f).

(iv) Reallocation of Revolving Percentages to Reduce Fronting Exposure. If any Revolving L/C Exposure or Swingline Exposure exist at the time a Lender is a Defaulting Lender:

(x) such Revolving L/C Exposure or Swingline Exposure will automatically be reallocated (effective on the day such Lender becomes a Defaulting Lender) among the non-Defaulting Lenders on a pro-rata basis in accordance with their respective Revolving Commitment (without giving effect to the Revolving Commitment of such Defaulting Lender); provided that (A) no non-Defaulting Lender's Revolving Percentage of the Revolving Loans, the Revolving L/C Exposure and the Swingline Exposure may in any event exceed its Revolving Commitment as in effect at the time of such reallocation, (B) neither such reallocation nor any payment by a non-Defaulting Lender pursuant thereto will constitute a waiver or release of any claim any Loan Party, the Administrative Agent, any Issuing Lender, the Swingline Lender or any other Lender may have against such Defaulting Lender or cause such Defaulting lender to be a non-Defaulting Lender, and (C) each such reallocation shall be given effect only if, at the date the applicable Lender becomes a Defaulting Lender, no Default or Event of Default exists.

(y) to the extent any portion (the "unallocated portion") of the Defaulting Lender's Revolving L/C Exposure or Swingline Exposure cannot be reallocated to non-Defaulting Lenders the Borrower will, not later than three Business Days after written demand therefor by the Administrative Agent (at the direction of any Issuing Lender or the Swingline Lender), (A) Cash Collateralize in full its obligations to the Issuing Lenders in respect of the unallocated portion of such Revolving L/C Exposure, (B) prepay in full its obligations to the Swingline Lender in respect of the unallocated portion of such Swingline Exposure or (C) make other arrangements reasonably satisfactory to the Administrative Agent and to the Issuing Lenders and the Swingline Lender in their sole discretion to protect them against the risk of non-payment by such Defaulting Lender; and

(z) to the extent the unallocated portion of any Revolving L/C Exposure is Cash Collateralized pursuant to clause (y) above, such Cash Collateral will be applied to reimburse the relevant Issuing Lender for the portion of any unreimbursed drawing under a Letter of Credit to which such unallocated portion relates and, to the extent the remaining portion of such unreimbursed drawing shall not be reimbursed by the Borrower in accordance with Section 2.26(f), the non-Defaulting Lenders will be required pursuant to Section 2.26(b) to fund participations therein in accordance with clause (x) above.

---

(b) Defaulting Lender Cure. If the Borrower, the Administrative Agent, the Swingline Lender and the Issuing Lender agree in writing in their reasonable discretion that a Lender no longer falls within the definition of "Defaulting Lender", the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase that portion of outstanding Revolving Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Revolving Loans and funded and unfunded participations in Letters of Credit and Swing Line Loans to be held on a pro rata basis by the Lenders in accordance with their Revolving Percentages, whereupon that Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees or commissions accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

### 3. REPRESENTATIONS AND WARRANTIES OF BORROWER

In order to induce the Lenders to enter into this Agreement and to make the Loans and issue and participate in the Letters of Credit provided for herein, the Borrower makes the following representations and warranties to the Administrative Agent and the Lenders, all of which shall survive the execution and delivery of this Agreement and the making of the Loans and issuance of the Letters of Credit:

#### SECTION 3.1. Corporate Existence and Power.

(a) The Borrower is duly organized and validly existing in good standing under the laws of its jurisdiction of organization and is in good standing or has applied for authority to operate as a foreign corporation or other organization in all jurisdictions where the nature of its properties or business so requires it and where a failure to be in good standing as a foreign corporation or other organization would reasonably be expected to have Material Adverse Effect. (b) The Subsidiaries of the Borrower are duly organized and are validly existing in good standing under the laws of their respective jurisdictions of organization and are in good standing or have applied for authority to operate as a foreign corporation or other organization in all jurisdictions where the nature of their properties or business so requires it and where a failure to be in good standing as a foreign corporation or other organization would reasonably be expected to have Material Adverse Effect.

#### SECTION 3.2. Corporate Authority, No Violation and Compliance with Law.

The execution, delivery and performance of this Agreement and the other Fundamental Documents and the borrowings hereunder (a) have been duly authorized by all necessary corporate action on the part of the Borrower and each Subsidiary Borrower, (b) will not violate any provision of any Applicable Law (including any laws related to franchising) applicable to the Borrower or any of its Subsidiaries or any of their respective properties or assets, (c) will not violate any provision of the certificate of incorporation or by-laws or other organizational documents of the Borrower or any of its Subsidiaries, (d) will not violate or be in conflict with, result in a breach of, or constitute (with due notice or lapse of time or both) a default under, any material indenture, bond, note, instrument or any other material agreement to which the Borrower or any of its Subsidiaries is a party or by which the Borrower

---

or any of its Subsidiaries or any of their respective properties or assets are bound and (e) will not result in the creation or imposition of any Lien upon any property or assets of the Borrower or any of its Subsidiaries other than pursuant to this Agreement or any other Fundamental Document, which in the case of clauses (b) and (d), individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect.

**SECTION 3.3. Governmental and Other Approval and Consents.**

No action, consent or approval of, or registration or filing with, or any other action by, any governmental agency, bureau, commission or court is required in connection with the execution, delivery and performance by the Borrower and each Subsidiary Borrower of this Agreement or the other Fundamental Documents, except such as have been obtained or made and are in full force and effect or where the failure to take such action or obtain such consent or approval would not reasonably be expected to have a Material Adverse Effect.

**SECTION 3.4. Financial Statements of Borrower.**

**SECTION 3.9. Federal Reserve Regulations.**

SECTION 3.14. Disclosure.

As of the Closing Date, neither this Agreement nor any factual information set forth in the Confidential Information Memorandum (excluding projections, other forward looking information and information of a general economic or industry nature) dated June 20, 2011, when taken as a whole contained any untrue statement of a material fact or omitted to state a material fact, under the circumstances under which it was made, necessary in order to make the statements contained herein or therein not materially misleading in light of the circumstances under which such statements were made. At the Closing Date, there is no fact known to the Borrower which has not been disclosed to the Lenders and which, individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect. The Borrower has delivered to the Administrative Agent certain projections relating to the Borrower and its Consolidated Subsidiaries. Such projections are based on good faith estimates and assumptions believed to be reasonable at the time made, provided, however, that the Borrower makes no representation or warranty that such assumptions will prove in the future to be accurate or that the Borrower and its Subsidiaries will achieve the financial results reflected in such projections (it being understood that such Projections are not to be viewed as facts and are subject to significant uncertainties and contingencies, many of which are beyond the Borrower's control, that no assurance can be given that any particular Projections will be realized and that actual results may differ and that such differences may be material).

SECTION 3.15. Environmental Liabilities.

Except for the Disclosed Matters and except with respect to any matters, that, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect, neither the Borrower nor any of its Subsidiaries (i) has failed to comply with any Environmental Law or to obtain, maintain or comply with any permit, license or other approval required under any Environmental Law, (ii) has received notice of any claim with respect to any Environmental Liability or (iii) knows of any circumstances that are reasonably likely to become the basis for any claim of Environmental Liability against the Borrower or any of its Subsidiaries.

SECTION 3.16. Material Subsidiaries.

The Material Subsidiaries existing on the Closing Date (calculated as of December 31, 2010) are listed on Schedule 3.16.

#### SECTION 4.2. Conditions Precedent to Each Extension of Credit

The obligation of the Lenders to make each Loan and of any Issuing Lender to issue a Letter of Credit, including the initial extensions of credit hereunder, is subject to the following conditions precedent:

Each of the Lenders hereby authorizes and requests the Administrative Agent to advance for its account, pursuant to the terms hereof, the amount of the Loan to be made by it, unless with respect to any Lender, such Lender has theretofore specifically notified the Administrative Agent that such Lender does not intend to fund that particular Loan. Each of the Lenders agrees forthwith to reimburse the Administrative Agent in immediately available funds for the amount so advanced on its behalf by the Administrative Agent pursuant to the immediately preceding sentence. If any such reimbursement is not made in immediately available funds on the same day on which the Administrative Agent shall have made any such amount available on behalf of any Lender in accordance with this Section 8.2, such Lender shall pay interest to the Administrative Agent at a rate per annum equal to the Administrative Agent's cost of obtaining overnight funds in the New York Federal Funds Market. Notwithstanding the preceding sentence, if such reimbursement is not made by the second Business Day following the day on which the Administrative Agent shall have made any such amount available on behalf of any Lender or such Lender has indicated that it does not intend to reimburse the Administrative Agent, the Borrower or the relevant Subsidiary Borrower shall immediately pay such unreimbursed advance amount (plus any accrued, but unpaid interest at the rate applicable to ABR Loans) to the Administrative Agent.

(b) Any amounts received by the Administrative Agent in connection with this Agreement the application of which is not otherwise provided for shall be applied, in accordance with each of the Lenders' pro rata interest therein where applicable, first, to pay amounts payable to the Administrative Agent and the Issuing Lenders, second, to pay accrued but unpaid Facility Fees, third, to pay accrued but unpaid interest on the Loans and letter of credit commissions, fourth, to pay the principal balance outstanding on the Loans and unpaid reimbursement obligations in respect of Letters of Credit and fifth to pay other amount payable to the Leaders. All amounts to be paid to any of the Lenders by the Administrative Agent shall be credited to the Lenders, promptly after collection by the Administrative Agent, in immediately available funds either by wire transfer or deposit in such Lender's correspondent account with the Administrative Agent, or as such Lender and the Administrative Agent shall from time to time agree.

**SECTION 8.3. Sharing of Setoffs and Cash Collateral.**

Each of the Lenders agrees that if it shall, through the operation of Sections 2.21, 2.26(g) or 2.26(h) hereof or the exercise of a right of bank's lien, setoff or counterclaim against the Borrower or any Subsidiary Borrower, including, but not limited to, a secured claim under Section 506 of Title 11 of the United States Code or other security or interest arising from, or in lieu of, such secured claim and received by such Lender under any applicable bankruptcy, insolvency or other similar law, or otherwise, obtain payment in respect of its Revolving Credit Loans, Revolving L/C Exposure or Swingline Participation Amounts as a result of which the unpaid portion of its Revolving Credit Loans, Revolving L/C Exposure or Swingline Participation Amounts, as applicable, is proportionately less than the unpaid portion of any of the other Lenders (a) it shall promptly purchase at par (and shall be deemed to have thereupon purchased) from such other Lenders a participation in the Revolving Credit Loans, Revolving

---

L/C Exposure or Swingline Participation Amounts, as applicable, of such other Lenders, so that the aggregate unpaid principal amount of each of the Lenders' Revolving Credit Loans, Revolving L/C Exposure and Swingline Participation Amounts and its participation in Revolving Credit Loans, Revolving L/C Exposure and Swingline Participation Amounts of the other Lenders shall be in the same proportion to the aggregate unpaid principal amount of all Revolving Credit Loans, Revolving L/C Exposure and Swingline Participation Amounts then outstanding as the principal amount of its Revolving Credit Loans, Revolving L/C Exposure and Swingline Participation Amounts outstanding prior to the obtaining of such payment was to the principal amount of all Revolving Credit Loans, Revolving L/C Exposure and Swingline Participation Amounts outstanding prior to the obtaining of such payment and (b) such other adjustments shall be made from time to time as shall be equitable to ensure that the Lenders share such payment pro rata.

SECTION 8.4. Notice to the Lenders.

Upon receipt by the Administrative Agent from the Borrower or any Subsidiary Borrower of any communication calling for an action on the part of the Lenders, or upon notice to the Administrative Agent of any Event of Default, the Administrative Agent will in turn immediately inform the other Lenders (including any Issuing Lender) in writing (which shall include telegraphic communications) of the nature of such communication or of the Event of Default, as the case may be.

SECTION 8.5. Liability of Administrative Agent and each Issuing Lender.

(a) The Administrative Agent or any Issuing Lender, when acting on behalf of the Lenders may execute any of its duties under this Agreement by or through its officers, agents, or employees and neither the Administrative Agent, the Issuing Lenders nor their respective directors, officers, agents, or employees shall be liable to the Lenders or any of them for any action taken or omitted to be taken in good faith, or be responsible to the Lenders or to any of them for the consequences of any oversight or error of judgment, or for any loss, unless the same shall happen through its gross negligence or willful misconduct as determined by a final and non-appealable judgment of a court of competent jurisdiction. The Administrative Agent, the Issuing Lenders and their respective directors, officers, agents, and employees shall in no event be liable to the Lenders or to any of them for any action taken or omitted to be taken by it pursuant to instructions received by it from the Required Lenders or in reliance upon the advice of counsel selected by it. Without limiting the foregoing, neither the Administrative Agent, the Issuing Lenders nor any of their respective directors, officers, employees, or agents shall be responsible to any of the Lenders for the due execution, validity, genuineness, effectiveness, sufficiency, or enforceability of, or for any statement, warranty, or representation in, or for the perfection of any security interest contemplated by, this Agreement or any related agreement, document or order, or for the designation or failure to designate this transaction as a "Highly Leveraged Transaction" for regulatory purposes, or shall be required to ascertain or to make any inquiry concerning the performance or observance by the Borrower or any Subsidiary Borrower of any of the terms, conditions, covenants, or agreements of this Agreement or any related agreement or document.

(b) Neither the Administrative Agent, the Issuing Lenders, nor any of their respective directors, officers, employees, or agents shall have any responsibility to the Borrower or any Subsidiary Borrower on account of the failure or delay in performance or breach by any of the Lenders or the Borrower or any Subsidiary Borrower of any of their respective obligations under this Agreement or any related agreement or document or in connection herewith or therewith.

(c) The Administrative Agent, and the Issuing Lenders, in such capacities hereunder, shall be entitled to rely on any communication, instrument, or document reasonably believed by it to be genuine or correct and to have been signed or sent by a Person or Persons believed by it to be the proper

SECTION 8.6. Reimbursement and Indemnification.

Each of the Lenders severally and not jointly agrees (to the extent not reimbursed or otherwise paid by the Borrower or any Subsidiary Borrower (pursuant to Section 10.4 or 10.5 hereof)) (i) to reimburse the Administrative Agent, the Syndication Agent and the Bookrunners in the amount of its Aggregate Exposure Percentage, for any expenses and fees incurred for the benefit of the Lenders under the Fundamental Documents, including, without limitation, counsel fees and compensation of agents and employees paid for services rendered on behalf of the Lenders, and any other expense incurred in connection with the administration or enforcement thereof; (ii) to indemnify and hold harmless the Administrative Agent, the Syndication Agent and the Bookrunners and any of their respective directors, officers, employees, or agents, on demand, in the amount of its Aggregate Exposure Percentage, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against it or any of them in any way relating to or arising out of the Fundamental Documents or any action taken or omitted by it or any of them under the Fundamental Documents to the extent not reimbursed by the Borrower or one of its Subsidiaries (including any Subsidiary Borrower) (except such as shall result from the gross negligence or willful misconduct of the Person seeking indemnification as determined by a final and non-appealable judgment of a court of competent jurisdiction); and (iii) to indemnify and hold harmless the Issuing Lenders and any of their respective directors, officers, employees, or agents or demand in the amount of its proportionate share from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs expenses or disbursements of any kind or nature whatever which may be imposed or incurred by or asserted against it relating to or arising out of the issuance of any Letters of Credit not reimbursed by the Borrower or one of its Subsidiaries (including any Subsidiary Borrower) (except such as shall result from the gross negligence or willful misconduct of the Person seeking indemnification as determined by a final and non-appealable judgment of a court of competent jurisdiction).

SECTION 8.7. Rights of Administrative Agent.

It is understood and agreed that Bank of America shall have the same rights and powers hereunder (including the right to give such instructions) as the other Lenders and may exercise such rights and powers, as well as its rights and powers under other agreements and instruments to which it is or may be party, and engage in other transactions with the Borrower or any Subsidiary (including any Subsidiary Borrower) or other Affiliate thereof as though it were not the Administrative Agent on behalf of the Lenders under this Agreement.

The Administrative Agent may perform any and all its duties and exercise its rights and powers by or through any one or more sub-agents appointed by the Administrative Agent; provided that no such delegation shall limit or reduce in any way the Administrative Agent's duties and obligations to the Borrower or any Subsidiary Borrower under this Agreement. The Administrative Agent and any such sub-agent, and any Affiliate of the Administrative Agent or any such sub-agent, may perform any and all its duties and exercise its rights and powers through their respective directors, officers, employees, agents and advisors. The exculpatory provisions of Section 8.5 shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

---

SECTION 8.8. Independent Investigation by Lenders.

Each of the Lenders acknowledges that it has decided to enter into this Agreement and to make the Loans and issue and participate in the Letters of Credit hereunder, and will continue to make such decisions, based on its own analysis of the transactions contemplated hereby, based on such documents and other information as it has deemed appropriate and on the creditworthiness of the Borrower and agrees that neither the Administrative Agent nor any Issuing Lender shall bear responsibility therefor.

SECTION 8.9. Notice of Transfer.

The Administrative Agent and the Issuing Lenders may deem and treat any Lender which is a party to this Agreement as the owners of such Lender's respective portions of the Loans and Letter of Credit reimbursement rights for all purposes, unless and until a written notice of the assignment or transfer thereof executed by any such Lender shall have been received by the Administrative Agent and become effective pursuant to Section 10.3.

SECTION 8.10. Successor Administrative Agent.

The Administrative Agent may at any time give notice of its resignation to the Lenders, the Issuing Lenders and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right to appoint a successor, which successor shall (i) unless an Event of Default has occurred and is continuing, be approved in writing by the Borrower and (ii) be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders (and approved by the Borrower, if applicable) and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may on behalf of the Lenders and the Issuing Lenders, appoint a successor Administrative Agent meeting the qualifications set forth in clauses (i) and (ii) of the prior sentence; provided that if the Administrative Agent shall notify the Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (1) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Fundamental Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders or the Issuing Lenders under any of the Fundamental Documents, the retiring Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed) and (2) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender and the Issuing Lenders directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent, and the retiring Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Fundamental Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Administrative Agent's resignation hereunder and under the other Fundamental Documents, the provisions of this Section 8, Section 10.4 and Section 10.5 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent

---

SECTION 8.11. Resignation of an Issuing Lender or the Swingline Lender.

(a) Any Issuing Lender may resign at any time by giving written notice thereof to the Lenders and the Borrower. Upon any such resignation, such Issuing Lender shall be discharged from any duties and obligations under this Agreement in its capacity as an Issuing Lender with regard to Letters of Credit not yet issued. After any retiring Issuing Lender's resignation hereunder as an Issuing Lender, the provisions of this Agreement shall continue to inure to its benefit as to any outstanding Letters of Credit or otherwise with regard to outstanding L/C Exposure and any actions taken or omitted to be taken by it while it was an Issuing Lender under this Agreement.

(b) If Bank of America at any time ceases to have a Revolving Commitment, whether as a result of an assignment of its Revolving Commitment or otherwise, then immediately upon the occurrence thereof (i) Bank of America shall be discharged from all of its duties and obligations hereunder and under the other Fundamental Documents in its capacity as Swingline Lender and (ii) all outstanding Swingline Loans shall become payable within one (1) Business Day of receipt of notice by the Borrower of such assignment. Following any such discharge of Bank of America's duties and obligations as Swingline Lender pursuant to the prior sentence and the payment in full of all Swingline Loans then owing to Bank of America, the Borrower shall have the right to appoint a Lender (other than any Defaulting Lender) to act as successor Swingline Lender, which proposed successor shall (i) be consented to in writing by the Administrative Agent (such consent not to be unreasonably withheld) and (ii) if such proposed successor desires to become the Swingline Lender, notify the Administrative Agent and the Borrower in writing that it has accepted such appointment and that it will act as Swingline Lender in accordance with the terms of this Agreement.

SECTION 8.12. Agents Generally.

Except as expressly set forth herein, neither any Agent nor any joint lead arranger or joint bookrunner listed on the cover page hereof shall have any powers, duties or responsibilities hereunder or under any other Fundamental Document in its capacity as such; and shall incur no liability, under this Agreement and the other Fundamental Documents.

9. GUARANTY OF SUBSIDIARY BORROWER OBLIGATIONS

SECTION 9.1. Guaranty.

(a) The Borrower hereby unconditionally and irrevocably guaranties to the Administrative Agent, for the ratable benefit of the Lenders and their respective successors, indorsees, transferees and assigns, the prompt and complete payment and performance by any Subsidiary Borrower when due (whether at the stated maturity, by acceleration or otherwise) of the Subsidiary Borrower Obligations.

(b) The Borrower further agrees to pay any and all expenses (including, without limitation, all fees and disbursements of counsel) which may be paid or incurred by the Administrative Agent, any Issuing Lender or any Lender in enforcing, or obtaining advice of counsel in respect of, any rights with respect to, or collecting, any or all of the Subsidiary Borrower Obligations and/or enforcing any rights with respect to, or collecting against, any Subsidiary Borrower under this Guaranty; provided, however, that the Borrower shall not be liable for the fees and expenses of more than one separate firm for the Lenders or any Issuing Lender (unless there shall exist an actual conflict of interest among such Persons, and in such case, not more than two separate firms) in connection with any one such action or any separate, but substantially similar or related actions in the same jurisdiction, nor shall the Borrower be liable for any settlement or proceeding effected without the Borrower's written consent. This Guaranty

---

shall remain in full force and effect until the Subsidiary Borrower Obligations are paid in full, all Letters of Credit are cancelled, expired or Cash Collateralized, and the Revolving Commitments are terminated.

(c) No payment or payments made by any Subsidiary Borrower or any other Person or received or collected by the Administrative Agent or any Lender from any Subsidiary Borrower or any other Person by virtue of any action or proceeding or any set-off or appropriation or application, at any time or from time to time, in reduction of or in payment of the Subsidiary Borrower Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of the Borrower hereunder which shall, notwithstanding any such payment or payments (other than payments made by the Borrower in respect of the Subsidiary Borrower Obligations or payments received or collected from the Borrower in respect of the Subsidiary Borrower Obligations), remain liable for the Subsidiary Borrower Obligations until the Subsidiary Borrower Obligations are paid in full, all Letters of Credit are cancelled, expired or Cash Collateralized, and the Revolving Commitments are terminated.

(d) The Borrower agrees that whenever, at any time, or from time to time, it shall make any payment to the Administrative Agent or any Lender on account of its liability hereunder, it will notify the Administrative Agent and such Lender in writing that such payment is made under this Guaranty for such purpose.

**SECTION 9.2. No Subrogation.**

Notwithstanding any payment or payments made by the Borrower hereunder, or any set-off or application of funds of the Borrower by the Administrative Agent or any Lender, the Borrower shall not be entitled to be subrogated to any of the rights of the Administrative Agent or any Lender against any Subsidiary Borrower or against any collateral security or Guaranty or right of offset held by the Administrative Agent or any Lender for the payment of the Subsidiary Borrower Obligations, nor shall the Borrower seek or be entitled to seek any contribution or reimbursement from any Subsidiary Borrower in respect of payments made by the Borrower hereunder, until all amounts owing to the Administrative Agent and the Lenders by any Subsidiary Borrower on account of the Subsidiary Borrower Obligations are paid in full, all Letters of Credit are cancelled, expired or Cash Collateralized, and the Revolving Commitments are terminated. If any amount shall be paid to the Borrower on account of such subrogation rights at any time when all of the Subsidiary Borrower Obligations shall not have been paid in full, such amount shall be held by the Borrower in trust for the Administrative Agent and the Lenders, segregated from other funds of the Borrower, and shall, forthwith upon receipt by the Borrower, be turned over to the Administrative Agent in the exact form received by the Borrower (duly indorsed by the Borrower to the Administrative Agent, if required), to be applied against the Subsidiary Borrower Obligations, whether matured or unmatured, in such order as the Administrative Agent may determine.

**SECTION 9.3. Amendments, etc. with respect to the Obligations: Waiver of Rights**

The Borrower shall remain obligated hereunder notwithstanding that, without any reservation of rights against the Borrower, and without notice to or further assent by the Borrower, any demand for payment of any of the Subsidiary Borrower Obligations made by the Administrative Agent or any Lender may be rescinded by the Administrative Agent or such Lender, and any of the Subsidiary Borrower Obligations continued, and the Subsidiary Borrower Obligations, or the liability of any other party upon or for any part thereof, or any collateral security or guaranty therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by the Administrative Agent or any Lender, and this Agreement and any other documents executed and delivered in connection herewith may be amended, modified, supplemented or terminated, in whole or in part, as the Administrative Agent (or the requisite Lenders, as the case may be) may deem advisable from time to time, and any collateral security,

---

guaranty or right of offset at any time held by the Administrative Agent or any Lender for the payment of the Subsidiary Borrower Obligations may be sold, exchanged, waived, surrendered or released. Neither the Administrative Agent nor any Lender shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Subsidiary Borrower Obligations or for the Guaranty under this Section 9 or any property subject thereto. When making any demand hereunder against the Borrower, the Administrative Agent or any Lender may, but shall be under no obligation to, make a similar demand on any Subsidiary Borrower, and any failure by the Administrative Agent or any Lender to make any such demand or to collect any payments from any Subsidiary Borrower or any release of any Subsidiary Borrower shall not relieve the Borrower of its obligations or liabilities hereunder, and shall not impair or affect the rights and remedies, express or implied, or as a matter of law, of the Administrative Agent or any Lender against the Borrower. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.

**SECTION 9.4. Guaranty Absolute and Unconditional.**

The Borrower waives any and all notice of the creation, renewal, extension or accrual of any of the Subsidiary Borrower Obligations and notice of or proof of reliance by the Administrative Agent or any Lender upon this Guaranty or acceptance of the Guaranty under this Section 9, the Subsidiary Borrower Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended or waived, in reliance upon the Guaranty under this Section 9 and all dealings between any Subsidiary Borrower and the Borrower, on the one hand, and the Administrative Agent and the Lenders, on the other, shall likewise be conclusively presumed to have been had or consummated in reliance upon the Guaranty under this Section 9. The Borrower waives diligence, presentment, protest, demand for payment and notice of default or nonpayment to or upon any Subsidiary Borrower or the Borrower with respect to the Subsidiary Borrower Obligations. The Guaranty under this Section 9 shall be construed as a continuing, absolute and unconditional guaranty of payment without regard to (a) the validity or enforceability of this Agreement, any of the Subsidiary Borrower Obligations or any other collateral security therefor or guaranty or right of offset with respect thereto at any time or from time to time held by the Administrative Agent or any Lender, (b) any defense, set-off or counterclaim (other than a defense of payment or performance) which may at any time be available to or be asserted by any Subsidiary Borrower against the Administrative Agent or any Lender, or (c) any other circumstance whatsoever (with or without notice to or knowledge of such Subsidiary Borrower or the Borrower) which constitutes, or might be construed to constitute, an equitable or legal discharge of Subsidiary Borrower for its Subsidiary Borrower Obligations, or of the Borrower under the guaranty under this Section 9, in bankruptcy or in any other instance. When pursuing its rights and remedies hereunder against the Borrower, the Administrative Agent and any Lender may, but shall be under no obligation to, pursue such rights and remedies as it may have against any Subsidiary Borrower or any other Person or against any collateral security or guaranty for the Subsidiary Borrower Obligations or any right of offset with respect thereto, and any failure by the Administrative Agent or any Lender to pursue such other rights or remedies or to collect any payments from any Subsidiary Borrower or any such other Person or to realize upon any such collateral security or guaranty or to exercise any such right of offset, or any release of Subsidiary Borrower or any such other Person or of any such collateral security, guaranty or right of offset, shall not relieve the Borrower of any liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of the Administrative Agent or any Lender against such Subsidiary Borrower. The Guaranty under this Section 9 shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon the Borrower and its successors and assigns thereof, and shall inure to the benefit of the Administrative Agent and the Lenders, and their respective successors, indorsees, transferees and assigns, until all the Subsidiary Borrower Obligations and the obligations of the Borrower under the Guaranty under this Section 9 shall have been satisfied by payment in full, all Letters of Credit are cancelled, expired or Cash Collateralized,

---

and the Revolving Commitments shall be terminated, notwithstanding that from time to time during the term of this Agreement any Subsidiary Borrower may be free from any Subsidiary Borrower Obligations.

SECTION 9.5. Reinstatement.

The Guaranty under this Section 9 shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Subsidiary Borrower Obligations is rescinded or must otherwise be restored or returned by the Administrative Agent or any Lender upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of any Subsidiary Borrower or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, any Subsidiary Borrower or any substantial part of its property, or otherwise, all as though such payments had not been made.

SECTION 10.3. Successors and Assigns; Syndications; Loan Sales; Participations.

(a) Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the successors and assigns of such party provided, however, that neither Borrower nor any Subsidiary Borrower may assign its rights hereunder without the prior written consent of all the Lenders), and all covenants, promises and agreements by, or on behalf of, the Borrower or any Subsidiary Borrower which are contained in this Agreement shall inure to the benefit of the successors and assigns of the Lenders.

(b) Each of the Lenders may assign to an Eligible Assignee all or a portion of its interests, rights and obligations under this Agreement (including, without limitation, all or a portion of its Revolving Commitment and the same portion of the Revolving Credit Loans at the time owing to it and its Revolving L/C Exposure); provided, however, that (1) each assignment shall be of a constant, and not a varying, percentage of all of the assigning Lender’s rights and obligations in respect of the Revolving Loans, L/C Exposure and the Revolving Commitment which are the subject of such assignment, (2) the amount of the Revolving Commitment of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Lender) shall be in a minimum principal amount of \$5,000,000 (or, if less, the remaining portion of the assigning Lender’s rights and obligations under this Agreement) unless otherwise agreed by the Borrower and the Administrative Agent, (3) the parties to each such assignment shall execute and deliver to the Administrative Agent, for its acceptance and recording in the Register (as defined below), an Assignment and Acceptance, together with a processing and recordation fee of \$3,500 and (4) no Lender shall assign or sell participations of all or a portion of its interest in a Loan to any Person who is (A) listed on the Specially Designated Nationals and Blocked Persons List (the “SDN List”) maintained by the U.S. Department of Treasury Office of Foreign Assets Control (“OFAC”) and/or on any other similar list maintained by the OFAC pursuant to any authorizing statute, Executive Order or regulation; or (B) included within the term “designated national” as defined in the Cuban Assets Control Regulations, 31 C.F.R. Part 515. Upon such execution, delivery, acceptance and recording, and from and after the effective date specified in each Assignment and Acceptance, which effective date shall be not earlier than five Business Days (or such shorter period approved by the Administrative Agent) after the date of acceptance and recording by the Administrative Agent, (x) the assignee thereunder shall be a party hereto

---

and, to the extent provided in such Assignment and Acceptance, have the rights and obligations of a Lender hereunder and (y) the assigning Lender thereunder shall, to the extent provided in such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all or the remaining portion of the assigning Lender's rights and obligations under this Agreement, such assigning Lender shall cease to be a party hereto).

(c) Notwithstanding the other provisions of this Section 10.3, each Lender may at any time make an assignment of its interests, rights and obligations under this Agreement to (i) any Affiliate of such Lender or (ii) any other Lender hereunder without the consent of the Borrower provided that it meets the registration requirements in Section 10.3(b)(4).

(d) By executing and delivering an Assignment and Acceptance, the assigning Lender thereunder and the assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (i) other than the representation and warranty that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim, the assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in, or in connection with, this Agreement or the execution, legality, validity, enforceability, genuineness, sufficiency or value of the Fundamental Documents or any other instrument or document furnished pursuant hereto or thereto; (ii) such Lender assignor makes no representation or warranty and assumes no responsibility with respect to the financial condition of the Borrower or the performance or observance by the Borrower or any Subsidiary Borrower of any of its obligations under the Fundamental Documents; (iii) such assignee confirms that it has received a copy of this Agreement, together with copies of the most recent financial statements delivered pursuant to Sections 5.1(a) and 5.1(b) (or if none of such financial statements shall have then been delivered, then copies of the financial statements referred to in Section 3.4 hereof) and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (iv) such assignee will, independently and without reliance upon the assigning Lender, the Administrative Agent or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (v) such assignee appoints and authorizes the Administrative Agent to take such action as agent on its behalf and to exercise such powers under the Fundamental Documents as are delegated to the Administrative Agent by the terms thereof, together with such powers as are reasonably incidental thereto; and (vi) such assignee agrees that it will be bound by the provisions of this Agreement and will perform in accordance with its terms all of the obligations which by the terms of this Agreement are required to be performed by it as a Lender.

(e) The Administrative Agent, on behalf of the Borrower, shall maintain at its address at which notices are to be given to it pursuant to Section 10.1, a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders and the Revolving Commitments of, and the principal and interest amounts of the Loans owing to, each Lender from time to time (the "Register"). The entries in the Register shall be conclusive, in the absence of manifest error, and the Borrower, any Subsidiary Borrower, the Administrative Agent, the Issuing Lenders and the Lenders shall treat each Person whose name is recorded in the Register as the owner of a Loan or other obligation hereunder as the owner thereof for all purposes of this Agreement and the other Fundamental Documents, notwithstanding any notice to the contrary. Any assignment shall be effective only upon appropriate entries with respect thereto being made in the Register. The Register shall be available for inspection by the Borrower or any Lender at any reasonable time and from time to time upon reasonable prior notice.

(f) Upon its receipt of an Assignment and Acceptance executed by an assigning Lender and an assignee and the processing and recordation fee, the Administrative Agent (subject to the right, if

---

any, of the Borrower to require its consent thereto) shall, if such Assignment and Acceptance has been completed and is substantially in the form of Exhibit B hereto, (i) accept such Assignment and Acceptance, (ii) record the information contained therein in the Register and (iii) give prompt written notice thereof to the Borrower.

(g) Each of the Lenders may, without the consent of the Borrower, the Administrative Agent or any Issuing Lender, sell participations to an Eligible Assignee (a "Participant") in all or a portion of its rights and obligations under this Agreement (including, without limitation, all or a portion of its Revolving Commitment and the Loans owing to it); provided, however, that (i) any such Lender's obligations under this Agreement shall remain unchanged, (ii) such Participant shall not be granted any voting rights under this Agreement, except with respect to matters requiring the consent of each of the Lenders hereunder, (iii) any such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (iv) the participating banks or other entities shall be entitled to the cost protection provisions of Sections 2.16, 2.17, 2.19, 2.23 and 2.26 hereof (and subject to the limitations and obligations thereof) but a Participant shall not be entitled to receive pursuant to such provisions an amount larger than its share of the amount to which the Lender granting such participation would have been entitled to receive; provided that a Participant shall not be entitled to the benefits of Section 2.23 unless the Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrower, to comply with Section 2.23(e) as though it were a Lender, and (v) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Each Lender that sells a participation, acting solely for this purpose as an agent of the Borrower, shall maintain a register in which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"). The entries in the Participant Register shall be conclusive, and such Lender, the Administrative Agent, the Borrower and any Subsidiary Borrower shall treat each Person whose name is recorded in the Participant Register pursuant to the terms hereof as the owner of such participation for purposes of this Agreement, notwithstanding notice to the contrary.

(h) The Lenders may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Section 10.3, disclose to the assignee or Participant or proposed assignee or Participant, any information, including confidential information, relating to the Borrower furnished to the Administrative Agent by or on behalf of the Borrower; provided that prior to any such disclosure, each such assignee or Participant or proposed assignee or Participant agrees in writing to be bound by either the confidentiality provisions of Section 10.15 or other provisions at least as restrictive as Section 10.15.

(i) Each Lender hereby represents that it is a commercial lender or financial institution which makes loans in the ordinary course of its business and that it will make the Loans hereunder for its own account in the ordinary course of such business; provided, however, that, subject to preceding clauses (a) through (h), the disposition of the Indebtedness held by that Lender shall at all times be within its exclusive control.

(j) Any Lender may at any time and from time to time pledge, or otherwise grant a security interest in, all or a portion of its rights under this Agreement, including any such pledge or grant to any Federal Reserve Bank, and, with respect to any Lender which is a fund, to the fund's trustee in support of its obligations to such trustee, and this Section shall not apply to any such pledge or grant; provided that no such pledge or grant shall release a Lender from any of its obligations hereunder or substitute any such assignee for such Lender as a party hereto. The Borrower and any relevant Subsidiary Borrower shall, upon receipt of a written request from any Lender, issue a Note to facilitate such transactions.

---

(k) Notwithstanding anything to the contrary contained herein, any Lender (a "Granting Lender") may grant to a special purpose funding vehicle (an "SPC"), identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower, the option to provide to the Borrower or any Subsidiary Borrower all or any part of any Revolving Credit Loan that such Granting Lender would otherwise be obligated to make to the Borrower or such Subsidiary Borrower pursuant to Section 2.1 or 2.8, provided that (i) nothing herein shall constitute a commitment to make any Revolving Credit Loan by any SPC and (ii) if an SPC elects not to exercise such option or otherwise fails to provide all or any part of such Revolving Credit Loan or fund any other obligation required to be funded by it hereunder, the Granting Lender shall be obligated to make such Revolving Credit Loan or fund such obligation pursuant to the terms hereof. The making of a Revolving Credit Loan by an SPC hereunder shall satisfy the obligation of the Granting Lenders to make Revolving Credit Loans to the same extent, and as if, such Loan were made by the Granting Lender. Each party hereto hereby agrees that no SPC shall be liable for any payment under this Agreement for which a Lender would otherwise be liable, for so long as, and to the extent, the related Granting Lender makes such payment. In furtherance of the foregoing, each party hereto hereby agrees that, prior to the date that is one year and one day after the payment in full of all outstanding senior indebtedness of any SPC, it will not institute against or join any other person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings or similar proceedings under the laws of the United States or any State thereof. In addition, notwithstanding anything to the contrary contained in this Section 10.3 any SPC may (i) with notice to, but without the prior written consent of, the Borrower or the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Revolving Credit Loan to its Granting Lender or to any financial institutions providing liquidity and/or credit facilities to or for the account of such SPC to fund the Revolving Credit Loans made by SPC or to support the securities (if any) issued by such SPC to fund such Revolving Credit Loans and (ii) disclose on a confidential basis any non-public information relating to its Revolving Credit Loans to any rating agency, commercial paper dealer or provider of a surety, guarantee or credit or liquidity enhancement to such SPC.

(l) The Borrower and its Subsidiaries and controlled Affiliates shall not be entitled to (i) vote as a Lender under any matter related to this Agreement or the other Fundamental Documents except, to the extent applicable, for matters described in clauses (i)-(iii) of Section 10.9(a) requiring the consent of each Lender affected thereby or (ii) in their capacities as Lender, attend Lender meetings or conference calls or receive information distributed to Lenders.

#### SECTION 10.4. Expenses.

Whether or not the transactions hereby contemplated shall be consummated, the Borrower agrees to pay all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent, the Syndication Agent and the Bookrunners in connection with the syndication, preparation, execution, delivery and administration of this Agreement and the other Fundamental Documents (and any actual or proposed amendment, modification or waiver of this Agreement or the other Fundamental Documents), the making of the Loans and issuance and administration of the Letters of Credit, the reasonable and documented fees and disbursements of Kaye Scholer LLP, counsel to the Administrative Agent, as well as all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent, the Syndication Agent and the Lenders in connection with any restructuring or workout of this Agreement or the Letters of Credit or in connection with the enforcement or protection of the rights of the Administrative Agent, the Syndication Agent and the Lenders in connection with this Agreement or the Letters of Credit or any other Fundamental Document, and with respect to any action which may be instituted by any Person against the Administrative Agent, the Syndication Agent, any Lender or any Issuing Lender in respect of the foregoing, or as a result of any transaction, action or nonaction arising from the foregoing, including but not limited to the reasonable and documented fees and disbursements of any counsel for the Administrative Agent, the Syndication Agent, the Lenders or any

---

Issuing Lender; provided, however, that the Borrower shall not be liable for the fees and expenses of more than one separate firm for the Lenders or any Issuing Lender, unless there shall exist an actual conflict of interest among such Persons, and in such case, not more than two separate firms, in connection with any one such action or any separate but substantially similar or related actions in the same jurisdiction, nor shall the Borrower be liable for any settlement or any proceeding effected without the Borrower's written consent. Such payments shall be made on the Closing Date and thereafter on demand. The obligations of the Borrower under this Section shall survive the termination of this Agreement and/or the payment of the Loans and/or expiration of the Letters of Credit.

SECTION 10.5. Indemnity.

Further, by the execution hereof, the Borrower and each Subsidiary Borrower agrees to indemnify and hold harmless the Administrative Agent, the Syndication Agent, the Bookrunners, the Lenders and the Issuing Lenders and their respective directors, officers, employees, advisors, Affiliates and agents (each, an "Indemnified Party") from and against any and all expenses (including reasonable and documented fees and disbursements of counsel), losses, claims, damages and liabilities arising out of any claim, litigation, investigation or proceeding (regardless of whether any such Indemnified Party is a party thereto) in any way relating to the transactions contemplated hereby or the use or proposed use of the proceeds, **IN ALL CASES, WHETHER OR NOT CAUSED BY OR ARISING, IN WHOLE OR IN PART, OUT OF THE COMPARATIVE, CONTRIBUTORY OR SOLE NEGLIGENCE OF THE INDEMNITEE**, but excluding therefrom all expenses, losses, claims, damages, and liabilities arising out of or resulting from the gross negligence or willful misconduct of the Indemnified Party seeking indemnification or any of its Related Parties as determined by a final and nonappealable judgment of a court of competent jurisdiction, provided, however, neither the Borrower nor any Subsidiary Borrower shall be liable for the fees and expenses of more than one separate firm for all such Indemnified Parties (unless there shall exist an actual conflict of interest among such Indemnified Parties, and in such case, not more than two separate firms) in connection with any one such action or any separate but substantially similar or related actions in the same jurisdiction, nor shall the Borrower or any Subsidiary Borrower be liable for any settlement of any proceeding effected without the Borrower's or such Subsidiary Borrower's written consent, and provided further, however, that this Section 10.5 shall not be construed to expand the scope of the reimbursement obligations of the Borrower and any Subsidiary Borrower specified in Section 10.4. The obligations of the Borrower and any Subsidiary Borrower under this Section 10.5 shall survive the termination of this Agreement and/or payment of the Loans and/or the expiration of the Letters of Credit. No Indemnified Party shall be liable for any special, indirect, consequential or punitive damages in connection with its activities relating to this Agreement and the other Fundamental Documents.

SECTION 10.6. CHOICE OF LAW.

THIS AGREEMENT AND THE NOTES HAVE BEEN EXECUTED AND DELIVERED IN THE STATE OF NEW YORK AND SHALL IN ALL RESPECTS BE CONSTRUED IN ACCORDANCE WITH, AND GOVERNED BY, THE LAWS OF SUCH STATE APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED WHOLLY WITHIN SUCH STATE AND, IN THE CASE OF PROVISIONS RELATING TO INTEREST RATES, ANY APPLICABLE LAWS OF THE UNITED STATES OF AMERICA.

SECTION 10.7. No Waiver.

No failure on the part of the Administrative Agent, any Lender or any Issuing Lender to exercise, and no delay in exercising, any right, power or remedy hereunder or with regards to the Letters of Credit shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power

---

or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy. All remedies hereunder are cumulative and are not exclusive of any other remedies provided by law.

SECTION 10.8. Extension of Maturity.

Except as otherwise specifically provided in Section 1 or 8 hereof, should any payment of principal, interest or any other amount due hereunder become due and payable on a day other than a Business Day, the maturity thereof shall be extended to the next succeeding Business Day and, in the case of principal, interest shall be payable thereon at the rate herein specified during such extension.

SECTION 10.9. Amendments, etc.

(a) Except as expressly set forth in this Agreement (including in Sections 2.14, 2.27, 2.28 and 2.29), no modification, amendment or waiver of any provision of this Agreement, and no consent to any departure by the Borrower herefrom or therefrom, shall in any event be effective unless the same shall be in writing and signed or consented to in writing by the Required Lenders, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given; provided, however, that no such modification or amendment shall without the written consent of each Lender affected thereby (i) increase or extend the expiration date of the Revolving Commitment of a Lender, (ii) alter the stated maturity or principal amount of any installment of any Loan (or any reimbursement obligation with respect to a Letter of Credit) or decrease the rate of interest payable thereon or extend the scheduled date of any payment thereof, or the rate at which the Facility Fees or letter of credit fees or other fees accrue, or extend the scheduled date of any payment thereof, (iii) waive a default under Section 7(b) hereof with respect to a scheduled principal installment of any Loan or (iv) release the Borrower from its obligations under the Guaranty (except in accordance with its terms); and provided, further that, except to the extent reasonably necessary to give effect to Sections 2.14, 2.27, 2.28 and 2.29, no such modification or amendment shall without the written consent of all of the Lenders (x) amend or modify any provision of this Agreement which provides for the unanimous consent or approval of the Lenders or (y) amend this Section 10.9 or the definition of Required Lenders. No such amendment or modification may adversely affect the rights and obligations of the Administrative Agent or any Issuing Lender hereunder without its prior written consent. No notice to or demand on the Borrower shall entitle the Borrower to any other or further notice or demand in the same, similar or other circumstances. Each holder of a Note shall be bound by any amendment, modification, waiver or consent authorized as provided herein, whether or not a Note shall have been marked to indicate such amendment, modification, waiver or consent and any consent by any holder of a Note shall bind any Person subsequently acquiring a Note, whether or not a Note is so marked. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Revolving Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender more adversely than other affected Lenders shall require the consent of such Defaulting Lender.

(b) This Agreement may be amended without consent of the Lenders, so long as no Default or Event of Default shall have occurred and be continuing, as follows:

(i) This Agreement will be amended to designate any Subsidiary of the Borrower as a Subsidiary Borrower upon (v) ten Business Days prior notice (or such shorter

---

period as may be agreed to by the Administrative Agent in its sole discretion) to the Lenders (such notice to contain the name, primary business address and taxpayer identification number of such Subsidiary), (w) the execution and delivery by the Borrower, such Subsidiary and the Administrative Agent of a Joinder Agreement, substantially in the form of Exhibit F (a "Joinder Agreement"), providing for such Subsidiary to become a Subsidiary Borrower, (x) the agreement and acknowledgment by the Borrower and each other Subsidiary Borrower that the Guaranty contained in Section 9 covers the Obligations of such Subsidiary and (y) the delivery to the Administrative Agent of (1) corporate or other applicable resolutions, other corporate or other applicable documents, certificates and legal opinions in respect of such Subsidiary substantially equivalent to comparable documents delivered on the Closing Date and (2) such other documents with respect thereto as the Administrative Agent shall reasonably request. The Administrative Agent and the Lenders shall have received all documentation and other information required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including the Patriot Act, requested by such Person at least three Business Days prior to the effectiveness of the applicable Joinder Agreement.

(ii) This Agreement will be amended to remove any Subsidiary as a Subsidiary Borrower upon execution and delivery by the Borrower to the Administrative Agent of a written notification to such effect and repayment in full of all Loans made to such Subsidiary Borrower, cash collateralization of all reimbursement obligations in respect of any Letters of Credit issued for the account of such Subsidiary Borrower and repayment in full of all other amounts owing by such Subsidiary Borrower under this Agreement (it being agreed that any such repayment shall be in accordance with the other terms of this Agreement); provided, however, that no such amendment shall affect or limit the Borrower's obligations under the Guaranty.

(c) This Agreement may be amended with the consent of the Administrative Agent, the Borrower and any other Person set forth in the applicable section in order to implement the provisions of Sections 2.14(d)-(g), 2.27, 2.28 and 2.29.

(d) Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Fundamental Documents and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders.

(e) Further, notwithstanding anything to the contrary contained in this Section, if the Administrative Agent and Borrower shall have jointly identified an obvious error or any error or omission of a technical or immaterial nature, in each case, in any provision of the Fundamental Documents, then the Administrative Agent and Borrower shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Fundamental Document if the same is not objected to in writing by the Required Lenders within three Business Days following receipt of notice thereof.

#### SECTION 10.10. Severability.

Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 10.15. Confidentiality.

Each of the Administrative Agent, the Issuing Lenders and the Lenders agrees that it will not use, either directly or indirectly, any of the Confidential Information except in connection with this Agreement and the transactions contemplated hereby. Neither the Administrative Agent, the Issuing Lender or any Lender shall disclose to any Person the Confidential Information, except

If any Lender refuses to consent to an amendment, modification or waiver of this Agreement that is approved by the Required Lenders pursuant to Section 10.9 (a "Non-Consenting Lender"), if any Lender makes a claim for payment under Section 2.16, 2.17 or 2.18, if any Lender is a Defaulting Lender, or under any other circumstances set forth herein expressly providing that the Borrower shall have the right to replace a Lender as a party to this Agreement, the Borrower may, upon notice to such Lender and the Administrative Agent and subject to Section 2.19, replace such Lender by causing such Lender to assign its Revolving Commitment (with the assignment fee to be paid by the

Borrower in such instance) pursuant to Section 10.3 to one or more Eligible Assignees procured by the Borrower upon receipt of accrued fees and interest and all other amounts due and owing to it.

SECTION 10.18. No Advisory or Fiduciary Responsibility.

In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Fundamental Document), the Borrower acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (i) (A) the arranging and other services regarding this Agreement provided by the Administrative Agent, the Lenders and the other Agents are arm's-length commercial transactions between the Borrower and its Affiliates, on the one hand, and the Administrative Agent, the Lenders and the other Agents, on the other hand, (B) the Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) the Borrower is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Fundamental Documents; (ii) (A) the Administrative Agent, each Lender and each other Agent has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower or any of its Affiliates, or any other Person and (B) neither the Administrative Agent nor any Lender or other Agent has any obligation to the Borrower or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Fundamental Documents; and (iii) the Administrative Agent, the Lenders and the other Agents and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and its Affiliates, and neither the Administrative Agent nor any Lender or other Agent has any obligation to disclose any of such interests to the Borrower or its Affiliates. To the fullest extent permitted by law, the Borrower hereby waives and releases any claims that it may have against the Administrative Agent, the Lenders and the other Agents with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of the day and the year first above written.

FORM OF  
OPINION OF KIRKLAND & ELLIS LLP

July 15, 2011

To Bank of America, N.A., as Administrative Agent  
and each of the Lenders under the  
Credit Agreement (referred to below)  
on the date hereof (the "Lenders"):

Re: Credit Agreement dated as of July 15, 2011, by and among WYNDHAM WORLDWIDE CORPORATION, a Delaware corporation (the "Borrower"), the lenders party thereto from time to time (the "Lenders"), JPMORGAN CHASE BANK, N.A., as syndication agent (the "Syndication Agent"), THE BANK OF NOVA SCOTIA, DEUTSCHE BANK SECURITIES INC., THE ROYAL BANK OF SCOTLAND PLC, CREDIT SUISSE AG, CAYMAN ISLANDS BRANCH, US BANK NATIONAL ASSOCIATION and COMPASS BANK, as co-documentation agents (the "Co-Documentation Agents"), and BANK OF AMERICA, N.A., as administrative agent (the "Administrative Agent"; together with the Syndication Agent and the Co-Documentation Agents, the "Agents") for the Lenders (such credit agreement herein referred to as the "Credit Agreement")

Ladies and Gentlemen:

We are issuing this opinion letter in our capacity as special counsel to the Borrower under the Credit Agreement.

The opinions expressed hereby are being provided pursuant to Section 4.1(e) of the Credit Agreement. Capitalized terms used but not otherwise defined herein shall have the meanings given to such terms in the Credit Agreement (with references herein to the Credit Agreement and each document defined therein meaning the Credit Agreement and each such document as executed and delivered on the date hereof (or if executed and delivered on an earlier date, as the same is in effect on the date hereof)). The Lenders and the Agents are sometimes referred to in this opinion letter as "you".

We have reviewed executed counterparts of the Credit Agreement in the form executed and delivered on this date.

---

Subject to the assumptions, qualifications, exclusions and other limitations which are identified in this opinion letter and in the schedules attached to this letter, we advise you, and with respect to each legal issue addressed in this opinion letter, it is our opinion, that:

1. The Borrower is a corporation, existing and in good standing under the Delaware General Corporations Law, as in effect on the date hereof ("DGCL").
  2. The Borrower has the corporate power to execute and deliver the Credit Agreement and to perform its obligations under the Credit Agreement.
  3. The board of directors of the Borrower has adopted by requisite vote the resolutions necessary to authorize the execution and delivery of the Credit Agreement, and the performance by the Borrower of its obligations thereunder. The adoption of such resolutions is the only corporate action required under the DGCL to be taken by the Borrower in order to authorize the execution and delivery of the Credit Agreement and the performance by the Borrower of its obligations thereunder.
  4. The Borrower has duly executed and delivered the Credit Agreement.
  5. The Credit Agreement is a valid and binding obligation of the Borrower and is enforceable against the Borrower in accordance with its terms.
  6. The execution and delivery by the Borrower and the performance of its obligations under the Credit Agreement will not (a) violate any existing provisions of the certificate of incorporation, or bylaws of the Borrower, or (b) based on existing facts of which we are aware, constitute a violation by the Borrower of any applicable provision of existing statutory law or governmental regulation applicable to the Borrower and covered by this opinion letter.
  7. The Borrower is not presently required to obtain any material consent, approval, authorization or order of, or make any filings with any United States federal or State of New York court or governmental body, authority or agency in order to obtain the right (a) to execute and deliver the Credit Agreement, or (b) to perform its obligations under the Credit Agreement except for (i) those obtained or made on or prior to the date hereof and (ii) actions or filings required in connection with the ordinary course conduct by the Borrower of its business and ownership or operation by the Borrower of its assets (as to each of which we express no opinion).
  8. The Borrower is not required to register as an "investment company" within the meaning of the Investment Company Act of 1940, as amended.
-

9. Assuming the Borrower complies with the provisions of the Credit Agreement relating to the use of proceeds, neither the execution and delivery by the Borrower of the Credit Agreement, nor the consummation of the lending transactions contemplated therein to occur on or prior to the date hereof in accordance therewith has resulted in a violation of Regulation U or X of the Board of Governors of the Federal Reserve System.
10. To our actual knowledge, no litigation which on the date of this letter is pending against the Borrower with a court seeks to enjoin or obtain damages by reason of the Borrower's execution or delivery of the Credit Agreement or the performance by the Borrower of any of its agreements in the Credit Agreement. For purposes of this letter, our Designated Transaction Lawyers have not undertaken any investigation to identify any litigation which is pending or threatened against the Borrower.

In preparing this letter, we have relied without any independent verification upon the assumptions recited in Schedule B hereto and upon: (i) information contained in certificates obtained from governmental authorities; (ii) factual information represented to be true in the Credit Agreement; (iii) factual information provided to us in a support certificate signed by the Borrower; and (iv) factual information we have obtained from such other sources as we have deemed reasonable. We have examined the originals or copies certified to our satisfaction of such other corporate records of the Borrower as we deem necessary for or relevant to our opinions, certificates of public officials and the officers of the Borrower and we have assumed without investigation that there has been no relevant change or development between the dates as of which the information cited in the preceding sentence was given and the date of this letter and that the information upon which we have relied is accurate and does not omit disclosures necessary to prevent such information from being misleading. For the purposes of the opinions in opinion paragraph 1, we have relied exclusively upon certificates issued by a governmental authority in the relevant jurisdiction, and such opinions are not intended to provide any conclusion or assurance beyond that conveyed by those certificates.

While we have not conducted any independent investigation to determine facts upon which our opinions are based or to obtain information about which this letter advises you, we confirm that we do not have any actual knowledge which has caused us to conclude that our reliance and assumptions cited in the preceding paragraph, are unwarranted or that any information supplied in this letter is wrong. The terms "knowledge," "actual knowledge" and "aware" whenever used in this letter with respect to our firm mean conscious awareness at the time this letter is delivered on the date it bears by the following Kirkland & Ellis LLP lawyers who are the only lawyers at Kirkland & Ellis LLP that have had significant involvement with the negotiation or preparation of the Credit Agreement (herein called our "Designated Transaction Lawyers"): Jason Kanner and Robert Baca.

---

Except as set forth in the following sentences of this paragraph, our advice on every legal issue addressed in this letter is based exclusively on the internal laws of the State of New York or the Federal law of the United States which, in each case, in our experience is generally applicable both to general business organizations which are not engaged in regulated business activities and to transactions of the type contemplated in the Credit Agreement by the Borrower, on the one hand, and you, on the other hand (but without our having made any special investigation as to any other laws), except that we express no opinion or advice as to any law or legal issue (a) which might be violated by any misrepresentation or omission or a fraudulent act, or (b) to which the Borrower may be subject as a result of your legal or regulatory status, your sale or transfer of the Loans or interests therein or your (as opposed to any other lender's) involvement in the transactions contemplated by the Credit Agreement. For purposes of paragraphs 1 through 4 and 6(a) our opinions are based on the DGCL (without regard to judicial interpretation thereof or rules or regulations promulgated thereunder), as published by Aspen Publishers, Inc., as supplemented through June 15, 2011 (we note however that we are not admitted to practice law in the State of Delaware). We advise you that issues addressed by this letter may be governed in whole or in part by other laws, but we express no opinion as to whether any relevant difference exists between the laws upon which our opinions are based and any other laws which may actually govern. Our opinions are subject to all applicable qualifications in Schedule A hereto and do not cover or otherwise address any law or legal issue which is identified in Schedule C hereto or any provision in the Credit Agreement of any type identified in Schedule D hereto. Provisions in the Credit Agreement which are not excluded by Schedule D or any other part of this letter or its attachments are called the "Relevant Agreement Terms."

Our advice on each legal issue addressed in this letter represents our opinion as to how that issue would be resolved were it to be considered by the highest court of the jurisdiction upon whose law our opinion on that issue is based. The manner in which any particular issue would be treated in any actual court case would depend in part on facts and circumstances particular to the case, and this letter is not intended to guarantee the outcome of any legal dispute which may arise in the future. It is possible that some Relevant Agreement Terms of a remedial nature contained in the Credit Agreement may not prove enforceable for reasons other than those cited in this letter should an actual enforcement action be brought, but (subject to all the exceptions, qualifications, exclusions and other limitations contained in this letter) such unenforceability would not in our opinion prevent you from realizing the principal benefits purported to be provided by the Relevant Agreement Terms of a remedial nature contained in the Credit Agreement.

---

This opinion letter speaks as of the time of its delivery on the date it bears. We do not assume any obligation to provide you with any subsequent opinion or advice by reason of any fact about which our Designated Transaction Lawyers did not have actual knowledge at that time, by reason of any change subsequent to that time in any law covered by any of our opinions, or for any other reason. The attached schedules are an integral part of this letter, and any term defined in this letter or any schedule has that defined meaning wherever it is used in this letter or in any schedule to this letter.

You may rely upon this letter only for the purpose served by the provision in the Credit Agreement cited in the second paragraph of this opinion letter in response to which it has been delivered. Without our written consent: (i) no person other than you may rely on this opinion letter for any purpose; (ii) this opinion letter may not be cited or quoted in any financial statement, prospectus, private placement memorandum or other similar document; (iii) this opinion letter may not be cited or quoted in any other document or communication which might encourage reliance upon this opinion letter by any person or for any purpose excluded by the restrictions in this paragraph; and (iv) copies of this opinion letter may not be furnished to anyone for purposes of encouraging such reliance. Notwithstanding the foregoing, financial institutions which subsequently become Lenders in accordance with the terms of Section 10.3 of the Credit Agreement may rely on this opinion letter as of the time of its delivery on the date hereof as if this letter were addressed to them.

Sincerely,

KIRKLAND & ELLIS LLP

**Schedule A**  
**General Qualifications**

All of our opinions (“our opinions”) in the letter to which this Schedule is attached (“our letter”) are subject to each of the qualifications set forth in this Schedule.

1. Bankruptcy and Insolvency Exception. Each of our opinions is subject to the effect of bankruptcy, insolvency, reorganization, receivership, moratorium and other similar laws relating to or affecting creditors’ rights generally. This exception includes:

(a) the federal Bankruptcy Code and thus comprehends, among others, matters of turn-over, automatic stay, avoiding powers, fraudulent transfer, preference, discharge, conversion of a non-recourse obligation into a recourse claim, limitations on ipso facto and anti-assignment clauses and the coverage of pre-petition security agreements applicable to property acquired after a petition is filed;

(b) all other federal and state bankruptcy, insolvency, reorganization, receivership, moratorium, arrangement and assignment for the benefit of creditors laws that affect the rights of creditors generally or that have reference to or affect only creditors of specific types of debtors;

(c) state fraudulent transfer and conveyance laws; and

(d) judicially developed doctrines in this area, such as substantive consolidation of entities, equitable subordination and the recharacterization of debt.

2. Equitable Principles Limitation. Each of our opinions is subject to the effect of general principles of equity, whether applied by a court of law or equity. This limitation includes principles:

(a) governing the availability of specific performance, injunctive relief or other equitable remedies, which generally place the award of such remedies, subject to certain guidelines, in the discretion of the court to which application for such relief is made;

(b) affording equitable defenses (e.g., waiver, laches and estoppel) against a party seeking enforcement;

(c) requiring good faith and fair dealing in the performance and enforcement of a contract by the party seeking its enforcement;

(d) requiring reasonableness in the performance and enforcement of an agreement by the party seeking enforcement of the contract;

(e) requiring consideration of the materiality of (i) a breach and (ii) the consequences of the breach to the party seeking enforcement;

(f) requiring consideration of the commercial impracticability or impossibility of performance at the time of attempted enforcement; and

(g) affording defenses based upon the unconscionability of the enforcing party’s conduct after the parties have entered into the contract.

3. Other Common Qualifications. Each of our opinions is subject to the effect of rules of law that:

(a) limit or affect the enforcement of provisions of a contract that purport to waive, or to require waiver of, the obligations of good faith, fair dealing, diligence and reasonableness;

(b) provide that forum selection clauses in contracts are not necessarily binding on the court(s) in the forum selected;

(c) limit the availability of a remedy under certain circumstances where another remedy has been elected;

(d) provide a time limitation after which a remedy may not be enforced;

(e) limit the right of a creditor to use force or cause a breach of the peace in enforcing rights;

(f) limit the enforceability of provisions releasing, exculpating or exempting a party from, or requiring indemnification of a party for, liability for its own action or inaction, to the extent the action or inaction involves negligence, recklessness, willful misconduct, unlawful conduct, violation of public policy, for strict product liability or for liabilities arising under securities laws or litigation against another party determined adversely to such party;

(g) may, where less than all of a contract may be unenforceable, limit the enforceability of the balance of the contract to circumstances in which the unenforceable portion is not an essential part of the agreed exchange;

(h) govern and afford judicial discretion regarding the determination of damages and entitlement to attorneys' fees and other costs;

(i) may permit a party that has materially failed to render or offer performance required by the contract to cure that failure unless (i) permitting a cure would unreasonably hinder the aggrieved party from making substitute arrangements for performance, or (ii) it was important in the circumstances to the aggrieved party that performance occur by the date stated in the contract;

(j) may render guarantees or other similar instruments or agreements unenforceable under circumstances where your actions, failures to act or waivers, amendments or replacement of the Credit Agreement evidencing or relating to the guaranteed obligations (i) so radically change the essential nature of the terms and conditions of the guaranteed obligations and the related transactions that, in effect, a new relationship has arisen between you and the Borrower which is substantially and materially different from that presently contemplated primary obligor; and by the Credit Agreement or (ii) impair the guarantor's recourse against the primary obligor;

(k) limit the enforceability of requirements in the Credit Agreement that provisions therein may only be waived or amended in writing, to the extent that an oral agreement or an implied agreement by trade practice or course of conduct has been created modifying any such provision.

4. Referenced Provision Qualification. Each provision (the "First Provision") in the Credit Agreement requiring the Borrower to perform its obligations under, or to cause any other person to perform its obligations under, any other provision (the "Second Provision") of the Credit Agreement, or stating that any action will be taken as provided in or in accordance with any such Second Provision, are

subject to the same qualifications as the corresponding opinion in this letter relating to the validity, binding effect and enforceability of such Second Provision.

5. Lender's Regulatory Qualification. We express no opinion with respect to, and our opinions are subject to, the effect of the compliance or noncompliance of each of you with any state or federal laws or regulations applicable to you because of your legal or regulatory status or the nature of your business or requiring you to qualify to conduct business in any jurisdiction.

6. Usury Qualification. We express no opinion with regard to usury or other laws limiting or regulating the maximum amount of interest that may be charged, collected, received or contracted for, other than the internal laws of the State of New York and, without limiting the foregoing, we expressly disclaim any opinions as to the usury or other such laws of any other jurisdiction (including laws of other states made applicable through principles of federal preemption or otherwise) which may be applicable to the transactions contemplated by the Credit Agreement.

## **Schedule B**

### **Assumptions**

For purposes of our letter, we have relied, without investigation, upon each of the following assumptions:

1. You are existing and in good standing in your jurisdiction of organization.
2. You have full power and authority (including without limitation under the laws of your jurisdiction of organization) to execute, deliver and to perform your obligations under the Credit Agreement and the Credit Agreement has been duly authorized by all necessary action on your part and has been duly executed and duly delivered by you.
3. The Credit Agreement constitutes valid and binding obligations of yours and are enforceable against you in accordance with their terms (subject to qualifications, exclusions and other limitations similar to those applicable to our letter).
4. You have complied with all legal requirements pertaining to your status as such status relates to your rights to enforce the Credit Agreement to which you are a party against the Borrower.
5. You have satisfied those legal requirements that are applicable to you to the extent necessary to make the Credit Agreement enforceable against you.
6. You have acted in good faith and without notice of any defense against the enforcement of any rights created by, or adverse claim to any property or security interest transferred or created as part of, the transactions effected under the Credit Agreement (herein called the "Transactions").
7. Each document submitted to us for review is accurate and complete, each such document that is an original is authentic, each such document that is a copy conforms to an authentic original, and all signatures on each such document are genuine.
8. Each certificate obtained from a governmental authority relied on by us is accurate, complete and authentic, and all relevant official public records to which each such certificate relates are accurate and complete.
9. There has not been any mutual mistake of fact or misunderstanding, fraud, duress or undue influence.
10. The conduct of the parties to the Credit Agreement has complied with any requirement of good faith, fair dealing and conscionability.
11. With respect to the opinions set forth in paragraphs 6 and 7 of this letter, all parties to the Transactions will act in accordance with, and will refrain from taking any action that is forbidden by, the terms and conditions of the Credit Agreement.
12. There are no agreements or understandings among the parties, written or oral, and there is no usage of trade or course or prior dealing among the parties that would, in either case, define, supplement or qualify the terms of the Credit Agreement.

13. With respect to the opinions set forth in paragraphs 6 and 7 of this letter, the Borrower will not in the future take any discretionary action (including a decision not to act) permitted under the Credit Agreement that would result in a violation of law or constitute a breach or default under any other agreements or court orders to which the Borrower may be subject.

14. No Lender is subject to Regulation T of the Board of Governors of the Federal Reserve System; and no proceeds of the Loans will be used for the purpose of acquiring "margin securities" as such term is defined in Regulation U or for any purpose which would violate or be inconsistent with the Credit Agreement.

15. The constitutionality or validity of a relevant statute, rule, regulation or agency action is not in issue.

16. All agreements, other than the Credit Agreement (if any) with respect to which we have provided advice in our letter or reviewed in connection with our letter, would be enforced as written.

17. With respect to the opinions set forth in opinion paragraphs 5, 6 and 7, we assume the Borrower will in the future obtain all permits and governmental approvals required, relevant to the consummation of the transactions to be consummated pursuant to the Credit Agreement or performance of the Credit Agreement.

18. All information required to be disclosed in connection with any consent or approval by the board of directors or stockholders (or equivalent governing group) of the Borrower and all other information required to be disclosed in connection with any issue relevant to our opinions has in fact been fully and fairly disclosed to all persons to whom it is required to be disclosed.

19. 20. Each person who has taken any action relevant to any of our opinions in the capacity of director or officer was duly elected to that director or officer position and held that position when such action was taken.

FORM OF  
AUSTRALIAN LOCAL FACILITY AMENDMENT

See Attached.

---

LOCAL FACILITY AMENDMENT NO. 1

This Local Facility Amendment No. 1, dated as of July 15, 2011 (this "Amendment"), to the Credit Agreement, dated as of July 15, 2011 (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement") among WYNDHAM WORLDWIDE CORPORATION (the "Borrower"), the several lenders from time to time parties thereto (the "Lenders"), BANK OF AMERICA, N.A., as administrative agent (the "Administrative Agent"), and the other Agents named therein.

WITNESSETH:

WHEREAS, pursuant to Section 2.27 of the Credit Agreement, the Borrower has requested the establishment of an Australian Dollar subfacility pursuant to which Revolving Loans denominated in Dollars or Australian Dollars up to the Dollar Equivalent amount of \$250,000,000 (the "Australian Dollar Subfacility") may be provided by the Lenders that are signatories hereto and their permitted assignees (the "Australian Dollar Subfacility Lenders"); and

WHEREAS, the Administrative Agent and the Australian Dollar Subfacility Lenders are willing to agree to the establishment of such Australian Dollar Subfacility and to this Amendment to the Credit Agreement in connection therewith, subject to the terms and conditions set forth herein;

NOW, THEREFORE, the parties hereto hereby agree as follows:

1. Defined Terms. Unless otherwise defined herein, capitalized terms are used herein as defined in the Credit Agreement.
2. Australian Dollar Subfacility. (a) Pursuant to Section 2.27 of the Credit Agreement, the Australian Dollar Subfacility Lenders hereby agree to establish the Australian Dollar Subfacility and designate the respective portions of their Revolving Commitments listed on Schedule 2(a) hereto or in any applicable Assignment and Acceptance to make Revolving Loans denominated in Dollars or Australian Dollars (the "Australian Dollar Subfacility Loans") to the Borrower (as to each Australian Dollar Subfacility Lender, as reduced from time to time, its "Australian Dollar Subfacility Commitment"). The Australian Dollar Subfacility shall be a subfacility of the Revolving Commitments. No Australian Dollar Subfacility Loans may be made if, after giving effect thereto, (i) the Dollar Equivalent amount of the Australian Dollar Subfacility Loans exceeds the aggregate Australian Dollar Subfacility Commitments or (ii) the Revolving Credit Exposure exceeds the Total Revolving Commitment (calculated as if the Australian Dollar Subfacility Commitments were included as Revolving Commitments). Australian Dollar Subfacility Loans shall be Revolving Credit Loans and shall be included in calculating Revolving Credit Exposure (valued at the Dollar Equivalent thereof) and borrowings under the Australian Dollar Subfacility shall be Borrowings. Australian Dollar Subfacility Loans shall be treated as Revolving Credit Loans under the Credit Agreement (subject to the interest rate provisions, maturity dates and other provisions set forth therein), subject to the terms hereof and as otherwise required to treat the Australian Dollar Subfacility as a subfacility of the Revolving Commitments.

(b) The Borrower may reduce the Australian Dollar Subfacility ratably (which shall not reduce the Dollar denominated Revolving Commitments of any Lender) based on the respective Australian Dollar Subfacility Commitments and may terminate the Australian Dollar Subfacility Commitments, in each case pursuant to the terms of Section 2.14(b) and (c) of the Credit Agreement, the terms of which are incorporated herein mutatis mutandis.

(c) Each Borrowing notice delivered under Section 2.3 of the Credit Agreement with respect to the Australian Dollar Subfacility shall specify the requested Currency for such Borrowing and if no Currency is specified, then such notice shall be deemed to specify a Borrowing in Dollars.

(d) Each Borrowing of Australian Dollar Subfacility Loans, each payment or prepayment of principal of any Australian Dollar Subfacility Loan, each payment of interest on the Australian Dollar Subfacility Loans, each reduction of the Australian Dollar Subfacility Commitments and each refinancing, conversion or continuation of any Borrowing under the Australian Dollar Subfacility shall be allocated pro rata among the Australian Dollar Subfacility Lenders in accordance with their respective Australian Dollar Subfacility Revolving Percentages (as defined below). Each payment or prepayment in respect of an Australian Dollar Subfacility Loan shall be made in the same Currency as such Australian Dollar Subfacility Loan (including, without limitation, each payment or prepayment of principal of any Australian Dollar Subfacility Loan and each payment of interest on any Australian Dollar Subfacility Loan).

(e) Each assignment by any Australian Dollar Subfacility Lender of any of its Revolving Commitments to an assignee shall be accompanied by a ratable assignment to such assignee of all or a portion of its Australian Dollar Subfacility Commitment to be agreed upon by such Lender, the Administrative Agent and the Borrower.

(f) On any date when the Dollar Equivalent of the Australian Dollar Subfacility Loans exceeds the aggregate Australian Dollar Subfacility Commitments, the Borrower shall make a mandatory prepayment of the Australian Dollar Subfacility Loans in an amount equal to such excess.

(g) Upon the effectiveness of this Amendment, the terms of this Section 2 shall be deemed to supplement the Credit Agreement and this Amendment may be attached as an Annex thereto.

(h) As used herein:

“Australian Dollar Subfacility Revolving Percentage” means, as to any Australian Dollar Subfacility Lender at any time, the percentage which such Australian Dollar Subfacility Lender’s Australian Dollar Subfacility Commitment then constitutes of the aggregate Australian Dollar Subfacility Commitments of all Australian Dollar Subfacility Lenders or, at any time after the Australian Dollar Subfacility Commitments shall have expired or terminated, the percentage which the aggregate principal amount of such Australian Dollar Subfacility Lender’s Australian Dollar Subfacility Loans then outstanding constitutes of the aggregate principal amount of the Australian Dollar Subfacility Loans of all Australian Dollar Subfacility Lenders.

“Australian Dollar Subfacility Majority Lenders” means Australian Dollar Subfacility Lenders having at least a majority of the Australian Dollar Subfacility Revolving Percentages.

(i) No amendment, modification or waiver of the Credit Agreement affecting the Australian Dollar Subfacility shall apply thereto without the consent of the Borrower and the Australian Dollar Subfacility Majority Lenders.

(j) Wyndham Worldwide Corporation is the Borrower under the Australian Dollar Subfacility.

3. Representations and Warranties. On and as of the date hereof, after giving effect to this Amendment, the Borrower hereby confirms that the representations and warranties set forth in Section 3 of the Credit Agreement are true and correct in all material respects.

4. Effectiveness of Amendment. This Amendment shall become effective upon the receipt by the Administrative Agent of counterparts to this Amendment duly executed by the Borrower and the Australian Dollar Subfacility Lenders; provided that in no event shall this Amendment become effective unless all of the conditions set forth in Section 4.2 of the Credit Agreement are satisfied on and as of the date hereof.

5. Continuing Effect; No Other Amendments or Consents; Voting (a) Except as expressly provided herein, all of the terms and provisions of the Credit Agreement are and shall remain in full force and effect. The amendments provided for herein are limited to the specific subsections of the Credit Agreement specified herein and shall not constitute a consent, waiver or amendment of, or an indication of the Administrative Agent’s or the Lenders’ willingness to consent to any action requiring consent under any other provisions of the Credit Agreement or the same subsection for any other date or time period.

(b) For avoidance of doubt “Required Lenders” under the Credit Agreement shall be calculated as if the amount of the Australian Subfacility Commitment of each Lender was included in the amount of such Lenders’s Revolving Commitment.

6. Expenses. The Borrower agrees to pay and reimburse the Administrative Agent for all its reasonable costs and out-of-pocket expenses incurred in connection with the preparation and delivery of this Amendment, including, without limitation, the reasonable fees and disbursements of counsel to the Administrative Agent.

7. Counterparts. This Amendment may be executed in any number of counterparts by the parties hereto (including by facsimile and electronic (PDF) transmission), each of which counterparts when so executed shall be an original, but all the counterparts shall together constitute one and the same instrument.

8. GOVERNING LAW. THIS AMENDMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

IN WITNESS WHEREOF, the parties have caused this Local Facility Amendment No. 1 to be duly executed and delivered by their proper and duly authorized officers as of the day and year first above written.
